## Jim Schutze

**Bully** Jim Schutze, 2024-06-04 *Bully* is a riveting, harrowing account of adolescent rage and bloody revenge—a true crime story from 1993 that inspired the 2001 feature film. Bobby Kent was a bully—a steroid-pumped 20-year-old who dominated his peers in their comfortable, middle-class Ft. Lauderdale beach community through psychological, physical, and sexual abuse. But on a summer night in 1993, Bobby was lured to the edge of the Florida everglades with a promise of sex and drugs ... and was never seen alive again. The tormentor had become the victim in a bizarre and brutal act of vengeance carried out with ruthless efficiency and cold-blooded premeditation by seven of his high school acquaintances—including his lifelong best friend—and instigated by one overweight, underloved teenager who believed her life would be perfect ... if only Bobby Kent were dead.

**Bully** Jim Schutze, 1997 *Kids meets Lord of the Flies* in this true story of all-American teenagers and their suburban breeding ground for violent vengeance. Bobby Kent, who grew up in Fort Lauderdale, dominated his friends psychologically, physically, and sexually. When they finally couldn't take it any more, they set out to kill him. Photos.

**Real Life Bully Prevention for Real Kids** Catherine DePino, 2009-01-16 Many states currently mandate character education, and school districts across the country need anti-bullying education programs to counter the rising tide of aggression and relational aggression that is the norm among many students. In fact, many school districts now require teachers to include lessons on bully prevention in their curriculum. *Real Life Bully Prevention For Real Kids* addresses this pervasive problem by offering students hands-on activities. Teachers will want to use this book in their classrooms with their students as part of the school's anti-bullying curriculum. As an added bonus, the activities reinforce English/language arts, social studies, and health education curricular goals. Counselors, therapists, and school administrators can also use the activities in large and small group instruction. Additionally, leaders of after-school programs and youth leadership programs, such as scouting, dramatics classes, and religious education classes, will find the activities helpful in addressing their bully

prevention programs. Each activity contains a description, goals for children, and helpful hints for adults to guide their youngsters through the program.
