Antichrist: The Beast Revealed Edward Hendrie, 2015-04-16 The antichrist is among us, here and now. This book proves it by comparing the biblical prophecies about the antichrist with the evidence that those prophecies have been fulfilled. This book documents the man of sin's esoteric confession that he is the antichrist. You will learn how the antichrist has changed times and laws as prophesied by Daniel, and how he is today sitting in the temple of God, shewing himself that he is God, in fulfillment of Paul's prophesy in 2 Thessalonians 2:4. The beast of Revelation has come into the world, after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness, as prophesied in 2 Thessalonians 2:10.

Obama's Unending Wars Jeremy Kuzmarov, 2019-07-20 Many academics consider Obama to have been a master foreign policy strategist and shrewd practitioner of the art of realpolitik. This book demonstrates, however, that Obama in reality helped to institutionalize a permanent warfare state that resulted in gross human rights violations and contributed to America's strategic decline. His perpetuation of the War on Terror created more enemies and prompted the United States to lose influence in the Middle East. His Pivot to Asia policy intensified prospects for regional war while his unnecessary and willful military intervention destroyed Libya and drew the Russians in to protect Bashir al-Assad who won Syria's civil war. The Obama administration's heavy-handed interference in Ukraine led to effective Russian counter-moves, promoting a strategic alliance with China and regional integration that is moving the world towards multi-polarity. Obama's Unending Wars provides the first critical, comprehensive and highly documented history of the foreign policy of America's forty-fourth president - the drone king who ordered the bombing of seven Muslim countries, backtracked on a pledge to reduce America's nuclear arsenal, and helped fuel a new Cold War with Russia. During his years in office Obama provided billions of dollars in arms sales to Saudi Arabia as it assisted in the crushing of pro-democracy demonstrators in Bahrain and invaded Yemen. He sanctioned a coup in Honduras which plunged that country into chaos, perpetuated a failed drug war policy and contributed to the recolonization of Africa. While any Democratic Party president would have faced peril in confronting the Pentagon which had carried out a slow coup d'etat over the decades, Obama was rather, in many ways, the most perfect spokesman for the military-industrial complex. Who else but this articulate constitutional law professor could pull off a pro-war speech after winning the Nobel Peace Prize while ramping up drone assassinations and America's network of military bases in Africa and

still retain the support of liberal-progressives? As many in the time of Trump now glance nostalgically back to the Obama presidency, this book will help them to see the continuity -- and continuous failure -- of American foreign policy irrespective of the party or figurehead representing it.

Journey to a Brave New World, Part Two David Watts, 2013-05-31 In his first book, *Journey to a Brave New World*, author David Watts detailed how a small group of Satan-worshipping elites is following a multi-generational plan to manipulate humanity toward a vision outlined in Aldous Huxley's novel *Brave New World*. In this, the second book in his series, he provides further evidence of their intentions for the United States. He has spent six years considering history, scientific research, and declassified government documents to uncover evidence to support his thesis. He offers evidence to prove not only the existence of civilian inmate labor camps within the United States, but also the procedures that are already in place to activate them. Details of the continued build-up and expansion of the Department of Homeland Security in readiness for the planned war against the American people are provided as well. He identifies the Trojan Horse mechanism operating to bring down the United States from within and exposes the fact that Communist troops are to be used as a final clean-up to allow globalists to introduce their solution: a one-world government. In *Journey to a Brave New World, Part Two*, Watts includes a forty-five-step plan that would enable the United States to regain its former glory and ensure that the globalists do not get their brave new world.

Obama and the MURDER of Don Young Kimball Ladien, Sylvia Doucette-Ladien, 2016-09-14 *Getting Away with MURDER? - Sylvia's Last Case?* tells the stories of the WRONGFUL DEATHS of Obama's lover for over 20 years and Choir Director of Rev. Jeremiah Wright's Trinity Church, Don Young on 12/23/7 and Kim's beloved wife and soulmate who 50 years, Sylvia, while she was investigating this Murder and later, that of Obama's grandmother, Madelyn Dunham, who also died under questionable circumstances. (Cf. 11/22/11 letter to Homeland Security.) Sylvia first learned of Larry Sinclair's story of the Murder of Don Young when he posted it on YouTube as a way of protecting himself. Soon thereafter, Larry was deliberately discredited when he foolishly took a rigged polygraph. Jerry Corsi of WND tried to Warn Larry, but he didn't listen. While Larry Sinclair told his story of the murder of Don Young to Hillary's Senior aides and Gretta Van Sustern, he was deliberately arrested on orders of Joe Biden's son, Beau, and kept in jail during the time of the 2008 Democratic convention. What people did not know at the time was that Larry's limo driver in his 1999 encounter with Obama, Jagir P Multani, was an integral part of Tony Rezko's sex and influence peddling operations in Illinois. The book also shows how Rod Blagojevich ended up being used as a Patsy by David Axelrod so that any knowledge that Rezko had concerning the death of Don Young remained suppressed. Finally, while Kim was battling Sylvia's iatrogenic leukemia, she also suffered a fully avoidable stroke. In spite of Sylvia's precarious condition, she gave Kim permission to pay Orly Taitz to fly from California to file a challenge against Obama's New Hampshire nominating petitions based on the lack of a valid birth certificate. Kim also wrote to Homeland

Security warning of the potential dangers of a Nuclear Reichstag thus breaking the cover he had maintained in order to Protect Sylvia. Although Kim had been on staff at St. Joseph Hospital for over 15 years without incident, within three weeks Kim was summarily suspended simply for trying to Protect Sylvia. Although Kim successfully treated Sylvia's leukemia with Monoclonal Antibodies, SJH refused to honor Sylvia's Advance Directive for Kim to be her POA and for her to remain Full Code. St. Joseph Administration and Its Lawyers (SJAIL) deliberately stood by and watched over a period of SEVEN DAYS as Sylvia slowly DROWNED TO DEATH on her own secretions when she could have easily been saved, just as with Madelyn Dunham. So that Sylvia's Wrongful Death might not be in vain, in late October 2012, Kim reached out to Jerry Corsi and Donald Trump to seek their help in telling the Truth. On Monday, 10/29/12, Trump teased that he would have a huge announcement that Wednesday. The following day, Jerry Corsi was on Romney's private plane to convince him to use the birther information, including Kerning-Lay-Back, while there was Still Time to Make A Difference. When Kim called Jerry later that day to ask Is Romney In or Out? Jerry replied, He's out. Subsequently, on Wednesday, 10/31/12, Trump backpedaled the issue by announcing instead that he would give \$5M to charity if Obama would agree to release his college records. To this day, the story remains untold. At the very minimum, these WRONGFUL DEATHS have been basically uninvestigated and, most certainly, unsolved. This book intends to tell these stories and seek JUSTICE for Don, Sylvia and countless other victims of Arrogance, Stupidity and Systematic Abuse of Power (ASSs) over the millennia by making something very GOOD out of something very Bad. So it shall be.

United States of Socialism Dinesh D'Souza, 2020-06-02 The New York Times, USA Today, Publishers Weekly, and Wall Street Journal Bestseller For those who witnessed the global collapse of socialism, its resurrection in the twenty-first century comes as a surprise, even a shock. How can socialism work now when it has never worked before? In this pathbreaking book, bestselling author Dinesh D'Souza argues that the socialism advanced today by the likes of Alexandria Ocasio-Cortez, Bernie Sanders, Ilhan Omar and Elizabeth Warren is very different from the socialism of Lenin, Mao and Castro. It is identity socialism, a marriage between classic socialism and identity politics. Today's socialists claim to model themselves not on Mao's Great Leap Forward or even Venezuelan socialism but rather on the socialism that works in Scandinavian countries like Norway and Sweden. This is the new face of socialism that D'Souza confronts and decisively refutes with his trademark incisiveness, wit and originality. He shows how socialism abandoned the working class and found new recruits by drawing on the resentments of race, gender and sexual orientation. He reveals how it uses the Venezuelan, not the Scandinavian, formula. D'Souza chillingly documents the full range of lawless, gangster, and authoritarian tendencies that they have adopted. *United States of Socialism* is an informative, provocative and thrilling exposé not merely of the ideas but also the tactics of the socialist Left. In making the moral case for entrepreneurs and the free market, the author portrays President Trump as the exemplar of capitalism and also the most effective political leader of the battle against socialism. He shows how

we can help Trump defeat the socialist menace.

Keynesian Economics, the Cancer in America John Shannon, 2012-06-11 Keynesian Economics, The Cancer in America. This book is the 4th book written by John Shannon. It is one in a series of books about economics, investing, politics, and political satire. Even though each book has all the above characteristics, each book also has its dominant theme. Keynesian Economics, The Cancer in America tries to show the dominant economic school of thought for the last 75 years which is taught in all the school systems, is applied in the financial community, and exploited in governments, in America and around the world is a destructive economic philosophy and the cause of the growing economic and political unrest that we face today. Other books by the author: The Gold Star Investment Strategy The Federal Reserve Board, The Wizards of Oz, The Men Behind the Curtain The Federal Government, More Wizards of Oz

Bloody Zion Edward Hendrie, 2012 Jesus told Pontius Pilate: My kingdom is not of this world. John 18:36. God has a spiritual Zion that is in a heavenly Jerusalem. Hebrews 12:22; Revelation 21:10. Jesus Christ is the chief corner stone laid by God in Zion. 1 Peter 2:6. Those who believe in Jesus Christ are living stones in the spiritual house of God. 1 Peter 2:5; Ephesians 2:20-22. Believers are in Jesus and Jesus is in believers. John 14:20; 17:20-23. All who are elected by God to believe in Jesus Christ are part of the heavenly Zion, without regard to whether they are Jews or Gentiles. Romans 10:12. Satan is a great adversary of God, who has created his own mystery religions. During the Babylonian captivity (2 Chronicles 36:20), an occult society of Jews replaced God's commands with Satan's Babylonian dogma. Their new religion became Judaism. Jesus explained the corruption of the Judaic religion: Howbeit in vain do they worship me, teaching for doctrines the commandments of men. Mark 7:7. Jesus revealed the Satanic origin of Judaism when he stated: Ye are of your father the devil, and the lusts of your father ye will do. John 8:44. Babylonian Judaism remains the religion of the Jews today. Satan has infected many nominal Christian denominations with his Babylonian occultism, which has given rise to Christian Zionism. Christian Zionism advocates a counterfeit, earthly Zion, within which fleshly Jews take primacy over the spiritual church of Jesus Christ. This book exposes Christian Zionism as a false gospel and subversive political movement that sustains Israel's war against God and man.

Barack H. Obama Webster Griffin Tarpley, 2008 Written by the author of the legendary 1992 expose of Bush the elder, this book works from a New Deal point of view. Obama is exposed as a foundation operative and agent of Wall Street finance capital, controlled by Zbigniew Brzezinski, George Soros, and Goldman Sachs. Obama's mother was an official of the Ford Foundation, the World Bank, and US AID. By all indications, Obama was identified for future political use by Brzezinski at

Columbia in 1981-1983, during Obama's secret lost years. Obama has worked for the Gamaliel Foundation, the Joyce Foundation, the Woods Fund, and the Annenberg Foundation as a community organizer - a poverty pimp, a cynical opportunist who uses suffering people as a political commodity. The foundation strategy is divide and conquer, pitting blacks against whites against Hispanics against Asians, to prevent any challenge to Wall Street. Racist provocateurs like Wright and Pfleger, along with Weatherman terrorist bombers Ayers and Dohrn, Obama's best friends, are cast in this mold. Rezko, Auchi, and Al-Sammarae represent the cesspool of Chicago graft and corruption in which Obama cavorts. Schooled in Nietzsche and Fanon, Obama qualifies as a postmodern fascist. An Obama administration would strive for brutal economic sacrifice and austerity to finance Wall Street bailouts, and for imperialist confrontation with Russia and China.
