

Eleanor Young Calthorpe Hotel

S Nieto

An Asian American Theology of Liberation Tian An Wong, 2023-10-31 Offers foundations for a new generation seeking to reconcile faith and politics without compromise

The Tao of S Sheng-mei Ma, 2022-06-07 A study of recent shifts in the depictions of Asian cultural stereotypes The Tao of S is an engaging study of American racialization of Chinese and Asians, Asian American writing, and contemporary Chinese cultural production, stretching from the nineteenth century to the present. Sheng-mei Ma examines the work of nineteenth-century Sinophobic American writers, such as Bret Harte, Jack London, and Frank Norris, and twentieth-century Sinophilic authors, such as John Steinbeck and Philip K. Dick, as well as the movies Crazy Rich Asians and Disney's Mulan and a host of contemporary Chinese authors, to illuminate how cultural stereotypes have swung from fearmongering to an overcompensating exultation of everything Asian. Within this framework Ma employs the Taoist principle of yin and yang to illuminate how roles of the once-dominant American hegemony—the yang—and the once-declining Asian civilization—the yin—are now, in the twenty-first century, turned upside down as China rises to write its side of the story, particularly through the soft power of television and media streamed worldwide. A joint publication from the University of South Carolina Press and the National Taiwan University Press.

Filmonomics André de Palma, Luc Leruth, 2025-04-08 What could movies as diverse as The Last Samurai, Cléo from 5 to 7, or Dr. Strangelove have in common? Filmonomics has a simple yet intriguing answer: economics as the main driving force of the plot or as the main motivation of the characters' actions. This book analyses how movie makers use economic and financial motives in their plots or to build their characters. Have they done it in line with economic theory? Or are they proposing a new angle, a new perspective, that economists should take note of? The authors here do not discuss wages in the film industry or the economics of movies. What interests them is the economic motivations underpinning the behaviour of fictional characters in their favourite films. They argue that credible movie characters can behave in irrational ways, and movie makers occasionally introduce new ideas that economists should take note of. A unique contribution, this book will be of interest to readers eager to discover what economists have to say about films and film directors. It will be indispensable for students and researchers of economics, media studies, film studies, and cultural studies.

Box Podres de Ricos Kevin Kwan, 2022-06-13 Os três livros da série que conquistou leitores no mundo todo agora

reunidos em um box imperdível. Na trilogia Podres de Ricos, Kevin Kwan escancara as cortinas do jet set oriental ao contar a saga de uma família arquimilionária e traça um retrato fiel e engraçadíssimo do conflito entre os novos-ricos e as famílias mais tradicionais da Ásia. Nem só de luxo e glamour, de viagens em aviões particulares e passeios por ilhas exclusivas vivem as famílias mais abastadas da Ásia. E Kevin Kwan – o melhor insider que poderíamos ter – pode provar. Com um humor satírico e perspicaz, cenas memoráveis e vários momentos hiperultrafashion, ele narra uma história onde (quase) nada é inventado e nos faz mergulhar no mundo sofisticado e inacreditável das pessoas mais ricas da China. Asiáticos podres de ricos Quando Rachel Chu chega à Cingapura com o namorado, o charmoso Nicholas Young, para acompanhá-lo ao casamento de seu melhor amigo, ela acha que vai apenas conhecer a família dele e aproveitar os dias de descanso em um dos lugares mais lindos do mundo. Só que Nick não mencionou alguns detalhes... Como o fato de sua família ter muito, muito dinheiro e de ele ser o herdeiro mais cobiçado da Ásia. E o tal casamento... é o evento do ano! Em pouco tempo, Rachel se vê transportada para um episódio de Gossip Girl, só que na Ásia e com pessoas podres de ricas, que não vão poupá-la de fofocas, intrigas e armações do jet set asiático. Isso sem falar na mãe de Nick, que não está nada feliz com o romance do filho. Namorada podre de rica Prestes a se casar com Nicholas Young, nada deveria abalar a felicidade de Rachel Chu: ela ganhou um anel de noivado do jeito que sempre sonhou, seu vestido é simplesmente incrível e seu noivo está disposto a sacrificar todo o dinheiro do mundo para ficar com ela. Mas a jovem não consegue se conformar com o fato de não ter um pai para levá-la ao altar. Até que um incidente traz à tona toda a verdade sobre suas origens, e ela é rapidamente transportada para um universo de luxo e glamour com o qual – pobrezinha – pensava já estar acostumada. Problemas de gente rica Quando Nicholas Young descobre que sua avó está muito mal e pode morrer a qualquer minuto, viaja até Cingapura para tentar fazer as pazes com ela – mas não é só ele que quer prestar toda a sua solidariedade nesse momento tão delicado. O clã Shang-Young inteiro resolveu montar acampamento em Tyesall Park e, com todos os integrantes da família de olho na propriedade mais exclusiva de Cingapura, a casa em que Nicholas passou a infância se transforma em um antro de especulações e sabotagem.
