Celeste Ng's Everything I Never Told You Summary and Review Ant Hive,2015-10-01 This is a Summary & Analysis of Everything I Never Told You. Celeste Ng's engaging read is a many-layered novel about family, race, secrets and love. When Marilyn Walker and James Lee meet at college in the late 1950's, a mixed-race relationship is something unusual and socially questionable. But for Marilyn, who is white, and James, who is Chinese, it fulfills their deepest needs. They marry and raise a family in a time of intense social and historic change-women are abandoning their traditional roles, humans are exploring space-but some things, like prejudice and desire, stay the same. The story begins in the mid-seventies, a time of political and social upheaval, when many parts of life formerly taken for granted are uncertain and subject to change. This is the milieu in which Lydia Lee vanishes one night. The reader knows from the first line that Lydia is dead; what happened to her is not the mystery. The mystery is how it happened. Was it a suicide? Accident? Did someone kill her? If so, who? And why? This is a novel that is sure to find its place on yearly Best Of lists. Rarely does a first novel cover all the necessary bases so completely. He married Manisha with the hope of moving on, and his life unfolded with a new definition of love. When Anuj was born, theirs was a happy family. Soha walked back into his life after Roshan lost Manisha to cancer. History repeats itself after years, but this time, Roshan decides to not give up. His resolve to convince his son brings him to a point where he will have to make a choice. Will Anuj be able to see someone else in place of his mother? Will Roshan be able to choose between Anuj and Soha? Will Soha be able to set herself free of a love she has nurtured all her life? It is a fine spring day in northern Ohio, where the family lives in Middlewood, a town an hour outside Toledo. James and Marilyn Lee first look for their daughter among her friends, but they discover that Lydia has been maintaining an elaborate charade for their benefit, even conducting long phone conversations with no one on the other end. She has no friends. Two days later, an empty rowboat on the nearby lake leads police to Lydia's drowned body. Her puzzled parents believed she hated the water and would never take a boat out on it. Years before, Marilyn attended Radcliffe where she had to fight stereotypes to enroll in pre-med classes. Her almost all-male teachers and classmates...

Summary of Everything I Never Told You a Novel A Book a Day, 2016-09-29 Warning This is an independent addition to *Everything I Never Told You: A Novel*, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. SUMMARY/ANALYSIS INTRODUCTION *Everything I Never Told You* is a very different kind of mystery. It opens like countless other thrillers - a young girl vanishes from her home and is later found at the bottom of a lake, drowned. The town is shocked and fascinated by the tragedy, and the police launch an investigation. But as the mystery unfolds, we find that the clues to Lydia Lee's untimely demise are embedded deep within the history of the girl's family. At first, the Lees seem like the perfect all-American clan, with sixteen-year-old Lydia as the flawless, favored child. However as the Lees mourn and desperately search for answers, the ugly truth of the pursuit of perfection is revealed. The Lees are mixed-race Chinese and white family and in 1977 small town Ohio, they stick out like a sore thumb. Lydia's parents, James and Marilyn each carry deep regrets - James always longed to fit in and have friends, and Marilyn dreamt of being among the ranks of the first woman doctors in America, before pregnancy and marriage dashed her ambitions. So instead they turned their hopes and expectations on Lydia, forcing her to resort to lies and deception to keep them happy. Meanwhile, their other children, Nath and Hannah, watched from the

fringes, knowing they would never have their parents' full attention. But Nath knew that Lydia was buckling under the pressure - and something had to give. This novel bounces back and forth in time, detailing the investigation in Lydia's death alongside the Lee's backstory. Each of the remaining family members is keeping secrets from the others, and each holds a piece of the puzzle. Don't expect a stereotypical thriller with this book. Instead, Celeste Ng beautifully reveals the struggle of new kind of family desperately seeking acceptance in America, as well as the darker side of parental pride and ambition. This is a highly entertaining and thought-provoking read that will linger in your mind long after you put it down. Available on PC, Mac, smart phone, tablet or Kindle device. In My Tribe Dan Blank, 2019 In this riveting follow-up to the best-seller Everything Your Coach Never Told You Because You're a Girl, Coach Dan Blank takes aim at the warm and fuzzy double-standard facing those who coach female athletes, and reveals the philosophies and methods that sparked a culture of unapologetic competitiveness in a women's college soccer team that won more games than it was ever supposed to win. In My Tribe is written specifically for coaches looking to develop a competitive culture within their teams, and recounts the author's experience coaching a group of rebellious over-achievers who became notorious for their commitment to extinguishing the spirit of their opponents. In My Tribe details Coach Blank's unconventional approach to culture-building, from selecting captains and indoctrinating rookies, to aggression, accountability and self-governance. This book also includes a Tools of the Tribe section – specific exercises that helped to build a culture where teammates were ferociously loyal, where everyone was accountable, and where winning was the only acceptable outcome. Written in Blank's familiar, pull-no-punches style, In My Tribe speaks directly to coaches who strive to build a competitive culture that teaches girls to win, win big, and to never, ever apologize for it.
