Hey, Good Luck Out There Georgia Toews, 2022-05-31 Subversive, captivating and vividly attuned to both the extraordinary and the mundane, Georgia Toews' debut novel *Hey, Good Luck Out There* is a furious and hilarious journey through the relentless, soul-baring world of addiction and recovery. After an amazingly unpleasant pizza party intervention, our twenty-two-year-old narrator checks into a women's rehab facility, confined for her own safety without meaningful contact with the outside world. For escape, she and her fellow patients have only stilted phone calls with their disappointed and concerned parents, daily meetings in the form of inspirational speeches from wealthy ex-alcoholics and lifestyle gurus, visits to the doctor, and clandestine trips to a dingy internet cafe. For our narrator, a neon-pink journal gifted by her grandmother with gold embossed letters on the front—"Let Them Eat Cake!"—is her only comfort amid an endless carousel of strangeness and unease. When she is discharged from rehab after thirty punishing days, returned to Toronto's streets without resources, a job, or an apartment, and tasked with staying clean despite a seemingly bottomless urge to give up, the book asks: What next? What happens in the aftermath of your lowest low? Alone, and at war with an intrusive inner creature, at last she begins the process of making a home for herself in the world. *Hey, Good Luck Out There* introduces a dynamic new voice in fiction: Georgia Toews is at once unguardedly truthful, gritty, and darkly funny, with a sardonic, wholly original sense of the absurd.

Touchdown Kid Tim Green, 2017-10-03 From New York Times bestselling author and former NFL defensive end Tim Green comes a football story about a boy who is given a chance to prove that wealth and privilege don't matter on the football field, as long as he has the skills to compete. Perfect for fans of Mike Lupica! Cory has always been passionate about football. But life for him and his single mom has been hard, making it difficult for Cory to play. And though Cory is a good kid, he's constantly surrounded by negative influences. But when the coach from an elite private school with one of the best football programs in the country recognizes his talents on the field, Cory is presented with an unbelievable opportunity. Cory knows that football could be his ticket out. But leaving to attend private school also means struggling to fit into a world where most people look at him and just see a scholarship kid from the wrong side of town. Cory knows that if he can fight hard enough—both on and off the field—he may be able to secure a bright future that looks different from his unpromising past.
