**The 'Ism' Dilemma** George I. Bailey, 2020-11-09 My wife and I have been born again saved Christians for over 20 years. We do have a non-denominational church home and we study The Holy Bible together regularly at home. We have a blended family with 3 adult children and 2 grandchildren. I have worked for 20 years in electric operations and transportation. I have a Bachelor's Degree in Psychology and am currently pursuing a Master's Degree in Christian Apologetics. The book is primarily about relationship issues that result from illegitimate people groupings in modern day society. The book has an overwhelming focus on the spiritual impact on people, when pride based problems are not properly addressed with a biblical relationship with Jesus Christ. I have personally struggled with many of the people grouping issues discussed in this book; pride has been one such stumbling block for me. Creating this book has in part been a personal journey for me, helping me to heal some of the wounds inflicted upon me by others, as well as heal wounds I've caused others. It is my sincere hope and prayer that your journey through this book will heal you and your loved ones, as it has done for me and my family. With God's help, Christians and Non-Christians alike can all benefit from the experiences, tools, and methods in this book by improving

themselves spiritually, and by improving the quality of their relationships with others

Silencing Gender, Age, Ethnicity and Cultural Biases in Leadership Camilla A. Montoya, 2018-09-15 *Silencing Gender, Age, Ethnicity and Cultural Biases in Leadership* is an edited volume containing eight chapters, each a real-life account from a Latina in a leadership position in the United States. These women discuss how their professional goals may conflict with their culture's expectations for them, and they describe the complexity of life choices for Latinas in the workplace, including their struggles in challenging such social assumptions. Although some of the contributors come from Latin American countries and others were born in the United States, all eight women share similar backgrounds in regards to gender, age, ethnicity, or other forms of cultural biases they have encountered in both their professional and social experiences. The theme presented in this book is extremely relevant to the modern workplace—not only where men and women of different ages, ethnic, and religious backgrounds come together, attempting to be effective in their professional setting, but also where biases that try to silence minorities still prevail. This book is not a compilation of victimizing stories; on the contrary, it serves as a statement of success despite adversities.

*Maya Angelou - Quotes Collection - Biography, Achievements And Life Lessons* Quotes Metaverse, 2024-03-06 **MAYA ANGELOU - QUOTES COLLECTION BIOGRAPHY, ACHIEVEMENTS AND LIFE LESSONS ABOUT MAYA ANGELOU** Maya Angelou, born Marguerite Annie Johnson on April 4, 1928, in St. Louis, Missouri, was an extraordinary American poet, memoirist, actress, and civil rights activist. Her life's journey, marked by resilience, creativity, and a commitment to social justice, left an indelible mark on literature and society. **QUOTES SAMPLES:** When someone shows you who they are, believe them the first time. The truth is, no one of us can be free until everybody is free. We may encounter many defeats but we must not be defeated. You are the sum total of everything you've ever seen, heard, eaten, smelled, been told, forgot - it's all there. Everything influences each of us, and because of that I try to make sure that my experiences are positive. Courage is the most important of all the virtues, because without courage you can't practice any other virtue consistently. You can practice any virtue erratically, but nothing consistently without courage. If you have only one smile in you give it to the people you love.

Relational Christianity Wesley M. Pinkham, 2022-06-21 This work begins with a transformative idea: human existence is fundamentally relational. Relational Christianity explores how the nature of the Trinity must define the Church and the Christian spiritual life. Utilizing Scripture, Christian spiritual tradition, and philosophy, Pinkham and Gruenberg paint the

picture of a Trinitarian, Jesus-centered Christianity, led by the Father and explored in interpersonal oneness. In this view, God's intimate, unifying love is the theological river that runs through the landscape of biblical revelation and through God's movement in history. This work of Trinitarian practical theology suggests that the relation between Father, Son, and Spirit should shape and guide all Christian interactions—with God, with others, and with self. In the paradigm of relational Christianity, the formation of genuine personhood and identity are based upon relational connections—first with the Trinity, and second with God's family. The shape of the new covenant community must reflect the Father's nature. Church culture must prioritize relationship in the same way the Trinity does.
