The Darkest Minds Alexandra Bracken, 2018-06-26 Book one in the blockbuster Darkest Minds series —now with key art from the major motion picture that's hitting theaters September 2018! When Ruby woke up on her tenth birthday, something about her had changed. Something alarming enough to make her parents lock her in the garage and call the police. Something that got her sent to Thurmond, a brutal government rehabilitation camp. She might have survived the mysterious disease that killed most of America's children, but she and the others emerged with something far worse: frightening abilities

they cannot control. Now sixteen, Ruby is one of the dangerous ones. But when the truth about Ruby's abilities—the truth she's hidden from everyone, even the camp authorities—comes out, Ruby barely escapes Thurmond with her life. On the run, she joins a group of kids who escaped their own camp: Zu, a young girl haunted by her past; Chubs, a standoffish brainiac; and Liam, their fearless leader, who is falling hard for Ruby. But no matter how much she aches for him, Ruby can't risk getting close. Not after what happened to her parents. While they journey to find the one safe haven left for kids like them—East River—they must evade their determined pursuers, including an organization that will stop at nothing to use Ruby in their fight against the government. But as they get closer to grasping the things they've dreamed of, Ruby will be faced with a terrible choice, one that may mean giving up her only chance at a life worth living.

Si estás dispuesto a pasar unas pocas horas al día en tu computadora, creando la plataforma en línea que siempre quisiste, lee este libro. M. Knapp, crítico de Amazon. Austin Briggs cumple agradablemente con su promesa en una presentación concisa y clara, sin molestos adornos ni fanfarronerías que lamentablemente son comunes en muchos autores que intentan vender sus libros de ayuda. I am C, Not X, crítico de Amazon. Para ser sincero, he leído por encima muchos libros sobre cómo publicar y vender nuevos libros y la mayoría de ellos fueron una pérdida de tiempo, repitiendo la misma información. Así que no esperaba gran cosa de este libro, ¡pero me sorprendió mucho! ¡Este libro es fantástico! bkmcavoy, crítico de Amazon.

story featuring Vida before she joined the League. Ruby never asked for the abilities that almost cost her her life. Now she must call upon them on a daily basis, leading dangerous missions to bring down a corrupt government and breaking into the minds of her enemies. Other kids in the Children's League call Ruby 'Leader', but she knows what she really is: a monster. When Ruby is entrusted with an explosive secret, she must embark on her most dangerous mission yet: leaving the Children's League behind. Crucial information about the disease that killed most of America's children and turned Ruby and the others who lived into feared and hated outcasts has survived every attempt to destroy it. But the truth is only saved in one place: a flashdrive in the hands of Liam Stewart, the boy Ruby once believed was her future and who now wouldn't recognize her. As Ruby sets out across a desperate, lawless country to find Liam and answers about the catastrophe that has ripped both her life and America apart she is torn between old friends and the promise she made to serve the League. Ruby will do anything to protect the people she loves. But what if winning the war means losing herself?

Five years after the destruction of the so-called rehabilitation camps that imprisoned her and countless other Psi kids, seventeen-year-old Suzume Zu Kimura has assumed the role of spokesperson for the interim government, fighting for the rights of Psi kids against a growing tide of misinformation and prejudice. But when she is accused of committing a horrifying act, she is forced to go on the run once more in order to stay alive. Determined to clear her name, Zu finds herself in an uncomfortable alliance with Roman and Priyanka, two mysterious Psi who could either help her prove her innocence or betray her before she gets the chance. But as they travel in search of safety and answers, and Zu grows closer to the people she knows she shouldn't trust, they uncover even darker things roiling beneath the veneer of the country's recovery. With her future—and the future of all Psi—on the line, Zu must use her powerful voice to fight back against forces that seek to drive the Psi into the shadows and save the friends who were once her protectors. In the Afterlight Alexandra Bracken, 2014-10-28 Book three in the hit series that's soon to be a major motion picture starring Amandla Stenberg and Mandy Moore--now with a stunning new look and an exclusive bonus short story that delves into the mind of Clancy Gray. Ruby can't look back. Fractured by an unbearable loss, she and the kids who survived the

government's attack on Los Angeles travel north to regroup. Only Ruby can keep their highly dangerous prisoner in check. But with Clancy Gray, there's no guarantee you're fully in control, and everything comes with a price. When the Children's League disbands, Ruby rises up as a leader and forms an unlikely allegiance with Liam's brother, Cole, who has a volatile secret of his own. There are still thousands of other Psi kids suffering in government rehabilitation camps all over the country. Freeing them--revealing the government's unspeakable abuses in the process--is the mission Ruby has claimed since her own escape from Thurmond, the worst camp in the country. But not everyone is supportive of the plan Ruby and Cole craft to free the camps. As tensions rise, competing ideals threaten the mission to uncover the cause of IANN, the disease that killed most of America's children and left Ruby and others with powers the government will kill to keep contained. With the fate of a generation in their hands, there is no room for error. One wrong move could be the spark that sets the world on fire.
