Segreti sepolti (Promise Falls #1) Linwood Barclay, 2016-04-14 David Harwood sta assistendo impotente allo sgretolarsi inesorabile della propria vita. Dopo la morte della moglie e la chiusura del giornale per cui lavorava, rimasto solo con il figlio di nove anni è costretto a trasferirsi a casa dei genitori a Promise Falls, la cittadina in cui è cresciuto. Quella che sembra essere un'esistenza destinata a un anonimo fallimento intraprende però una direzione inaspettata quanto tragica. Un giorno come gli altri, David si reca in visita dalla cugina Marla, devastata dal dolore in seguito a una gravidanza che non ha potuto portare a termine. La scena che si paventa davanti ai suoi occhi è agghiacciante: sul pavimento dell'ingresso ci sono delle macchie di sangue e in casa, sommersa dal disordine, Marla sta cullando un bambino. "È il dono di un angelo" gli dice lei, imperturbabile. Quando, di lì a poco, la madre naturale del piccolo viene trovata assassinata, David non può far altro che cercare di capire cosa sia accaduto, anche se ciò può significare provare la colpevolezza della cugina. Scoprirà che la morte di quella donna non è altro che la punta dell'iceberg in una vicenda che, indizio dopo indizio, si rivelerà sempre più torva. Nel frattempo strani e inquietanti eventi sconvolgono Promise Falls, come se tutti i suoi abitanti dovessero scontare il prezzo di peccati del passato, e pagarlo con il sangue. Perché i segreti possono essere sepolti... ma mai dimenticati. Il lucido ritratto di un incubo. Linwood Barclay firma un altro implacabile romanzo da brivido.

Nine-year-old Hilary, the eldest of the Walker children, clung desperately to her two younger sisters, Alexandra and baby Megan. However, they too would be wrenched from her tender arms. Hilary swears that she will one day track down the man who destroyed her family, and find her beloved sisters again. John Chapman, prestigious private investigator chosen to find the sisters, embarks on a labyrinthine trail, knowing that at some point, the sisters must face each other - and the most devastating secret of all . . . The Kiss/ by Danielle Steel Danielle Steel,

Impossible Danielle Steel,2009-02-25 When a high-powered gallery owner collides with a wildly offbeat artist, it's the perfect recipe for disaster. But in her 63rd bestselling novel, Danielle Steel proves that when two hopelessly mismatched people share a love for art, a passion for each other, and a city like Paris, nothing is truly impossible...or is it? Everything Sasha does is within the boundaries of tradition. Liam is sockless in December. Sasha is widowed, a woman who knows she was lucky enough to be married to the most wonderful man in the world and thankful for every moment they had. Liam is half in and half out of a marriage that only a "wacky" artist could manage, and that his own impossibly impulsive behavior has helped tear apart. But while Sasha has been methodically building her father's Parisian art gallery into an intercontinental success story, Liam has been growing into one of the most original and striking young painters of his time. So while the two are utterly unlike--and a nine-year age difference stares them squarely in the face--the miracle of art brings them crashing together. Now the question is, can Sasha guard her reputation while juggling a secret, somewhat scandalous relationship? And how can Liam, who lives for the moment, put up with a woman who insists on having things her own way, in her own style, and at her own time? For Sasha, it's a matter of keeping Liam hidden from her grown children and well-heeled clientele as she commutes between New York and Paris and two thriving galleries. For Liam, it's about creating chaos out of order, bringing out the wild streak that Sasha barely knows she has, of choosing pizza over foie gras, and making love when others are busy making money. That is, until a family tragedy suddenly alters Liam's life--and forces a choice and a sacrifice that neither one of them could have expected. But from the snow falling on the Tuileries to the joy of eating ice cream by candlelight, the artist and the art dealer have tasted perfection. And giving up now might just be the most impossible thing of all. With unerring insight into the hearts of men and women-- and into the soul of the artist --Danielle Steel takes us into a

world of glamour and genius, priceless art and dazzling creativity. From the luxurious galleries of Europe to the endless beaches of the Hamptons, ImPossible weaves an extraordinary tale of love and compromise, of taking chances and counting blessings. With brilliant color and breathtaking emotion, Danielle Steel has written her most compelling novel to date.

Answered Prayers Danielle Steel, 2003-09-30 Danielle Steel's 56th bestselling novel is about family and friendship, about one woman's struggle to break free from the past—and the man who helps her triumph. And most of all, it is about daring to believe in...Answered Prayers. On the outside, Faith Madison is the very picture of a sophisticated New Yorker. Slim, blond, stylish, Faith has a life many would envy. Overcoming a childhood marked by tragedy, married to a successful investment banker and having raised two grown daughters, Faith has enjoyed her role as mother and wife, and the good life that emanates from their bustling Manhattan town house. But every step of the way, Faith has carried within her a secret she could divulge to no one. And with it, she has kept an even more painful secret from herself. For Faith, it is the sudden death of her stepfather—a man who, like her husband, Alex, always remained just beyond her reach—that will touch off a journey of change and revelation. At the funeral, painful memories flood back—and an old friend reenters Faith's life. Faith is greeting mourners, when she hears a voice behind her and a single word that brings a quick smile to her face: "Fred." Only one person aside from her older brother, Jack, called her that. Brad Patterson was Jack's best friend, a long, lanky boy who teased, tormented, and protected Faith when they fancied themselves "The Three Musketeers" as kids. When Jack died years later, Faith and Brad came together again in their common, inconsolable grief, then lost touch once more amid the demands of families and busy lives a continent apart. Now a lawyer in California, Brad has reentered Faith's life just as she is making a decision that plunges her marriage into crisis. Determined to fulfill a long-held desire for a career of her own, Faith applies to law school against her husband's wishes, igniting a barrage of anger and recrimination. Faith's only solace is the correspondence she has begun with Brad, a man trapped in an empty marriage of his own, a friend she once lost and has found again. Soon e-mails are flying between them, bridging three thousand miles, sharing much-needed friendship, support, laughter. And as these two childhood friends rediscover each other, something extraordinary is beginning to happen. In the safety of their friendship, Brad will find the courage to make a decision he should have made years before. And Faith, too, is changing, beginning to believe in herself—and in her right to grab hold of her dreams. Gathering a strength she never knew she had, Faith is finally ready to face the most painful step of all: of sharing the secret that has long been haunting her, and truly opening up her heart for the first time in her life. With unerring insight into the hearts of husbands and wives, lovers and families, Danielle Steel tells a wise and moving story of the secrets that wound and the choices that heal—and of the second chances that come only once in a lifetime.

Charles Street, no 44 Danielle Steel, 2015-04-16 «Una historia dulce sobre el triunfo del amor, la amistad y las segundas oportunidades.» Publishers Weekly Francesca Thayer es copropietaria de una galería de arte y de una casa antigua en el Village neoyorquino. Ambos proyectos los inició con Todd, su pareja durante años. Ahora que la relación ha terminado, Francesca deberá decidir si lo vende todo o hace frente a los pagos ella sola. Finalmente su padre la ayudará a sacar adelante la galería, pero para mantener la casa, tendrá que alquilar tres de sus habitaciones. Entre los inquilinos se creará un ambiente familiar y hogareño que los unirá cada vez más. Y Francesca se dará cuenta de que, en contra de lo que ella creía, su corazón sigue latiendo con más fuerza que antes, en el momento más insospechado y por la persona que menos se espera. Reseñas: «Este libro es puro Danielle Steel porque contiene mucha emoción, amistad, amor, ruptura, tragedia y peligro. Sus incontables fans lo devorarán.» Booklist
