

The Last Legion Cast

Boyd H. Hill

The Last Legionary Paul Elliott, 2016-09-23 In AD 400 Roman rule in Britain was collapsing as the thinly stretched empire was besieged on all sides. In 'The Last Legionary', Paul Elliott explores all aspects of Late Roman military life, from recruitment to weaponry, marriage to wages, warfare to religion. It explores the world of the Roman soldier through the eyes of one man, posted to a British garrison at the edge of the empire, and follows the soldier's life through training and battle, marriage and business dealings, finally following him south as he leaves Britain for good in defence of Rome. When the legionary finally escapes the worst posting in the Roman Empire, it is only to join what effectively became a death march over the Alps, without food or shelter. To know what it was like to face the chanted battle cry, the charge and slashing axes of the Goths, and to understand why the order 'march out!' was so terrifying, read Paul Elliott's mesmerising, meticulously accurate account.

The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

Heaven Is Not the Last Stop Sheila Keene-Lund, 2010-05 Heaven Is Not the Last Stop by Sheila Keene-Lund is the first book to attempt to reconcile the cutting edge of today's metaphysics, history, theology, and cosmology with the unprecedented teachings of The Urantia Book, a 2,097-page text claiming to be a planetary revelation. Keene-Lund addresses this formidable challenge in four sections: The first three address humanity's origin, history, and destiny; her fourth section

builds upon the universal and inspiring worldview that results from her research, and offers readers an advanced framework for living a life of love and service.

The Literary Filmography Leonard Mustazza, 2006-05-17 From the very infancy of the film industry, filmmakers have relied heavily upon literature as the foundation for their movie material. Well-known literary works such as Dickens's *A Christmas Carol* and Hawthorne's *The Scarlet Letter* were adapted to film in the silent era, as were such books as Thomas Dixon's Jr.'s *The Klansman*, basis for the film *Birth of a Nation*. In recent years, Nick Hornsby's *About a Boy* and each of Helen Fielding's *Bridget Jones's Diary* novels were the basis for popular movies bearing the same names. A guide to English-language works that have been adapted as theatrical and television films, this volume includes books (both fiction and non-fiction), short stories, newspaper and magazine articles and poems. Entries are arranged alphabetically by literary title with cross-listings for films made under different titles. Each entry includes the original work's title, author, year of first publication, literary prizes, and a brief plot summary. Information on film adaptation(s) of the work, including adaptation titles, director, screenwriter, principal cast and the names of the characters they portray, major awards, and availability in the most common formats (DVD, VHS), is also offered.
