The Shoemaker And The Tea Party Summary

Alfred F. Young

Jefferson’s Revolutionary Theory and the Reconstruction of Educational Purpose Kerry T. Burch,2020-05-27 This book newly interprets the educational implications of Thomas Jefferson’s revolutionary thought. In an age where American democracy is imperilled and the civic purposes of schooling eviscerated, Burch turns to Jefferson to help bring to life the values and principles that must be recovered in order for Americans to transcend the narrow purposes of education prescribed by today’s neoliberal paradigm. The author argues that critical engagement with the most radical dimensions of Jefferson’s educational philosophy can establish a rational basis upon which to re-establish the civic purposes of public education. Bracketing the defining features of Jefferson's theory throughout each of the chapters, the author illuminates the deficiencies of the dominant educational paradigm, and charts a new path forward for its progressive renewal.

The Martyr and the Traitor Virginia DeJohn Anderson,2017-05-01 In September 1776, two men from Connecticut each embarked on a dangerous mission. One of the men, a soldier disguised as a schoolmaster, made his way to British-controlled Manhattan and began furtively making notes and sketches to bring back to the beleaguered Continental Army general, George Washington. The other man traveled to New York to accept a captain's commission in a loyalist regiment before returning home to recruit others to join British forces. Neither man completed his mission. Both met their deaths at the end of a hangman's rope, one executed as a spy for the American cause and the other as a traitor to it. Neither Nathan Hale nor Moses Dunbar deliberately set out to be a revolutionary or a loyalist, yet both suffered the same fate. They died when there was every indication that Britain would win the American Revolution. Had that been the outcome, Dunbar, convicted of treason and since forgotten, might well be celebrated as a martyr. And Hale, caught spying on the British, would likely be remembered as a traitor, rather than a Revolutionary hero. In The Martyr and the Traitor, Virginia DeJohn Anderson offers an intertwined narrative of men from very similar backgrounds and reveals how their relationships within their families and communities became politicized as the imperial crisis with Britain erupted. She explores how these men forged their loyalties in perilous times and believed the causes for which they died to be honorable. Through their experiences, The Martyr and the Traitor illuminates the impact of the Revolution on ordinary lives and how the stories of patriots and loyalists were remembered and forgotten after independence.

A Short Guide to Writing about History Richard Marius,Melvin Eugene Page,2007 An ideal complement for any

history course,A Short Guide to Writing About Historystresses thinking and writing like an historian. This engaging and practical text helps students get beyond merely compiling dates and facts; it teaches them how to incorporate their own ideas into their papers and to tell a story about history that interests them and their peers. Covering brief essays and the documented resource paper, the text explores the writing and researching processes, different modes of historical writing (including argument), and offers guidelines for improving style as well as documenting sources.

The Internal Revenue Service's Processing of 501(c)(3) and 501(c)(4) Applications for Tax-exempt Status Submitted by "political Advocacy" Organizations from 2010-2013 United States. Congress. Senate. Committee on Finance,2015

Masquerade Alfred F. Young,2004 Masquerade is the remarkable story of a woman who fought in the American revolution as a man--and got away with it.

Jefferson's America, 1760–1815 Norman K. Risjord,2002-03-20 This text gives a narrative of America's revolutionary generation, taking the reader from the earliest rumblings of colonial dissent, through the crises of revolution and nation-making, to the heroic drama of the war of 1812.

Current Contents. Arts & Humanities Institute for Scientific Information,

America and Its Peoples James Kirby Martin,James H. Jones,Linda O. McMurry,Steven Mintz,2004 Now in its Fifth Edition, America and Its Peoples presents American history filled with the drama and conflict that holds the attention of all students. Social history-with an emphasis on sports, leisure, and popular culture-is effectively integrated with more traditional coverage of military history, politics, and diplomacy. This edition highlights the rich ethnic diversity of the American people with vivid character sketches, colorful anecdotes, primary sources, new pedagogy, and a spirited narrative.

Communication and Change in American Religious History Leonard I. Sweet,1993 Well-known historians explore a fascinating array of topics concerning religious and social change in America from colonial times to the present, looking especially at how the emergence of new communications forms contributed to those choices. Contributors include Martin E. Marty, Glenn T. Miller, Mark A. Noll, David G. Buttrick, and others.
