Jesse Q. Sutanto

Vera Wong's Unsolicited Advice for Murderers Jesse Q. Sutanto, 2023-03-14 A USA Today bestseller Edgar Award Winner for Best Original Paperback Audie Award Winner for Mystery Libby Award Winner for Best Mystery A lonely shopkeeper takes it upon herself to solve a murder in the most peculiar way in this captivating mystery by Jesse Q. Sutanto, bestselling author of *Dial A for Aunties*. Vera Wong is a lonely little old lady—ah, lady of a certain age—who lives above her forgotten tea shop in the middle of San Francisco's Chinatown. Despite living alone, Vera is not needy, oh no. She likes nothing more than sipping on a good cup of Wulong and doing some healthy detective work on the Internet about what her Gen-Z son is up to. Then one morning, Vera trudges downstairs to find a curious thing—a dead man in the middle of her tea shop. In his outstretched hand, a flash drive. Vera doesn't know what comes over her, but after calling the cops like any good citizen would, she sort of . . . swipes the flash drive from the body and tucks it safely into the pocket of her apron. Why? Because Vera is sure she would do a better job than the police possibly could, because nobody sniffs out a wrongdoing quite like a suspicious Chinese mother with time on her hands. Vera knows the killer will be back for the flash drive; all she has to do is watch the increasing number of customers at her shop and figure out which one among them is the killer. What Vera does not expect is to form friendships with her customers and start to care for each and every one of them. As a protective mother hen, will she end up having to give one of her newfound chicks to the police?

Vera Wong's Guide to Snooping (on a Dead Man) Jesse Q. Sutanto, 2025-04-01 Vera Wong is back and as meddling as ever in this follow-up to the hit *Vera Wong's Unsolicited Advice for Murderers*.... Ever since a man was found dead in Vera's teahouse, life has been good. For Vera that is. She's surrounded by loved ones, her shop is bustling, and best of all, her son, Tilly, has a girlfriend! All thanks to Vera, because Tilly's girlfriend is none other than Officer Selena Gray. The very same Officer Gray that she had harassed while investigating the teahouse murder. Still, Vera wishes more dead bodies would pop up in her shop, but one mustn't be ungrateful, even if one is slightly...bored. Then Vera comes across a distressed young woman who is obviously in need of her kindly guidance. The young woman is looking for a missing friend. Fortunately, while cat-sitting at Tilly and Selena's, Vera finds a treasure trove: Selena's briefcase. Inside is a file about the death of an enigmatic influencer—who also happens to be the friend that the young woman was looking for. Online, Xander had it all: a parade of private jets, fabulous parties with socialites, and a burgeoning career as a social media influencer. The only problem is, after

his body is fished out of Mission Bay, the police can't seem to actually identify him. Who is Xander Lin? Nobody knows. Every contact is a dead end. Everybody claims not to know him, not even his parents. Vera is determined to solve Xander's murder. After all, doing so would surely be a big favor to Selena, and there is nothing she wouldn't do for her future daughter-in-law.

The Murder After the Night Before Katy Brent,2024-02-01 'A whip-smart whodunnit, this will keep you guessing' Red 'A fast-paced thriller with clever twists' Bella

I Bet You'd Look Good in a Coffin (Kitty Collins, Book 2) Katy Brent,2025-01-30 The hilarious new novel from the bestselling author of *How to Kill Men and Get Away With It* and *The Murder After the Night Before* 'I was rooting for Kitty even as she killed more men (oops!). Funny and twisty in the best of ways' Tasha Coryell

You Will Never Be Me Jesse Q. Sutanto,2024-08-20 When cracks start forming in an influencer's curated life, she finds out that jealousy is just as viral as a video in this riveting suspense novel by bestselling author Jesse Q. Sutanto. Influencer Meredith Lee didn't teach Aspen Palmer how to blossom on social media just to be ditched as soon as Aspen became big. So can anyone really blame Mer for doing a little stalking? Nothing serious, more like *Stalking Lite*. Then, Mer gets lucky; she finds one of Aspen's kids' iPads and swipes it. Now, she has access to everything: the family calendar and Aspen's social media accounts. Would anyone else be able to resist tweaking things a little here and there, showing up in Aspen's place for meetings with potential sponsors? Mer's only taking back what she deserves—what should have been hers. Meanwhile, Aspen doesn't understand why her perfectly filtered life is falling apart. Sponsors are dropping her, fellow influencers are ghosting her, and even her own husband seems to find her repulsive. If she doesn't find out who's behind everything, she might just lose it all. What everyone seems to forget is that Aspen didn't become one of TikTok's biggest momfluencers by being naive. When Meredith suddenly goes missing, Aspen's world is upended and mysterious threats begin to arrive—but she won't let anything get in the way of her perfect life again.

Vera Wong: Nasihat- nasihat untuk Para Pembunuh (Vera Wong's Unsolicited Advice for Murderers) Jesse Q. Sutanto,2025-08-01 Jerang air, siapkan tehnya... Vera Wong, 60 tahun, pemilik kedai teh kecil di Chinatown, San Francisco. Di bawah tatapannya yang tajam, nyaris tak ada yang terlewat dari perhatiannya, mulai dari manuver bisnis para tetangga hingga kehidupan daring anak lelaki semata wayangnya (intinya, Vera ingin menjodohkan anaknya dengan perempuan baik-baik). Pada suatu pagi, misteri sungguhan muncul di kedai tehnya dalam wujud sesosok mayat laki-laki, dengan sebuah USB tergenggam di tangannya yang terjulur. Vera Wong, sebagai warga masyarakat yang baik, tentu langsung melapor ke polisi. Namun, dia menyambar USB itu dan menyimpannya. Karena dia merasa polisi tidak punya cukup waktu maupun perhatian untuk menyelidiki kasus kematian yang menurutnya adalah pembunuhan. Vera memutuskan dia sendiri yang akan menyelidiki misteri ini karena, hei, ibu-ibu Cina paling jago mengendus segala bentuk perilaku mencurigakan dan

kebohongan. Kedai teh mungilnya yang sepi tiba-tiba banyak mendapat kunjungan. Vera, sebagai penonton CSI yang cermat, yakin betul bahwa salah satu pengunjung itu adalah si pembunuh. Yang tak diduganya, tumbuh benih-benih persahabatan di antara Vera dan anak-anak muda ini. Haruskah suatu saat kelak Vera menyerahkan salah satu dari mereka kepada polisi?

Worth Fighting For Jesse Q. Sutanto, 2025-06-03 Laugh and swoon with the next book in Disney's Meant to Be collection by bestselling and award-winning author Jesse Q. Sutanto, whose novel *Dial A For Aunties* Emily Henry called Utterly clever, deeply funny, and altogether charming. Mulan is reimagined as a contemporary romance about family expectations, mistaken identity, and high stakes mergers--of both business and the heart. As the right hand of her father's hedge fund company, Fa Mulan knows what it takes to succeed as a woman in a man's world: work twice as hard, be twice as smart, and burp twice as loud as any of the other finance bros she works with. So when her father unexpectedly falls ill in the middle of a critical acquisition, she is determined to see it through. There's just one hitch: the family company in question is known for its ultra masculine whiskey brand, and the brood of old-fashioned aunts, uncles, and cousins who run it--lead by the dedicated but overworked Shang--will only trust Mulan's father, Fa Zhou, with the future of their business. Rather than fail the deal and her father, Mulan pretends she's Fa Zhou. Since they've only corresponded over email, how hard could it be to keep things moving in his absence? But the email leads to a face-to-face meeting, which leads to an invitation to a week long retreat at Shang's family ranch. One meeting she can handle, but a whole week of cattle wrangling, axe-throwing, and learning proper butchering techniques, all while trying to convince Shang's dubious family that this young woman is the powerful hedge fund CEO they've been negotiating with? Not so much--especially as she finds it harder and harder to ignore the undeniable spark between her and Shang. Can she keep her head in the game and make her father proud, all while trying not to fall into a trough, or in love with Shang?

The Good, the Bad, and the Aunties Jesse Q. Sutanto, 2024-03-26 What should have been a family celebration of Chinese New Year descends into chaos when longtime foes crash the party in this hilariously entertaining novel by Jesse Q. Sutanto, bestselling author of *Dial A for Aunties*. After an ultra-romantic honeymoon across Europe, Meddy Chan and her husband Nathan have landed in Jakarta to spend Chinese New Year with her entire extended family. Chinese New Year, already the biggest celebration of the Lunar calendar, gets even more festive when a former beau of Second Aunt's shows up at the Chan residence bearing extravagant gifts—he's determined to rekindle his romance with Second Aunt and the gifts are his way of announcing his courtship. His grand gesture goes awry however, when it's discovered that not all the gifts were meant for Second Aunt and the Chans—one particular gift was intended for a business rival to cement their alliance and included by accident. Of course the Aunties agree that it's only right to return the gift—after all, anyone would forgive an honest mistake, right? But what should have been a simple retrieval turns disastrous and suddenly Meddy and the Aunties are helpless pawns in a decades-long war between Jakarta's most powerful business factions. The fighting turns personal, however, when Nathan

and the Aunties are endangered and it's up to Meddy to come up with a plan to save them all. Determined to rescue her loved ones, Meddy embarks on an impossible mission—but with the Aunties by her side, nothing is truly impossible...

Ms. Mebel Goes Back to the Chopping Block Jesse Q Sutanto, 2026-04-28 A nearly divorced housewife enrolls in culinary school to win back her husband, only to start questioning the strange antics of her classmates in this new novel from the USA Today bestselling author of *Vera Wong's Unsolicited Advice for Murderers*. Retirement should mean long-awaited trips to the sapphire waters of Santorini or careening down a sand dune in Dubai. For sixty-three-year-old Mebel, retirement means her husband of more than forty years announcing that he's leaving her for their private chef. Mebel isn't sure who's the bigger loss. Not to worry, Mebel has the perfect plan: she's going to win back her husband. No one knows what he needs better than her—after all, she's been anticipating his needs their whole marriage. And if he wants a wife who can cook (why else would he leave her for a chef?), she will simply go to cooking school. Luckily, class at the renowned Saint Honoré School of Culinary Arts in France starts in just four days! However, Mebel quickly realizes that her culinary school is not in illustrious Paris but rather in England—and some small village outside of Oxford no less. Despite the less-than-warm welcome from her much younger classmates, Mebel manages to befriend Gemma, the breakout star of the program, who offers to help Mebel on their first day. When Gemma stops showing up to class, Mebel knows she must figure out what—or who—caused her friend's sudden disappearance. After all, Mebel may not know the first thing about how to cut a potato, but she certainly knows how to identify a fraud, and there's definitely something fishy going on.
