Harry Thurston Peck, Frank R. Stockton, Julian Hawthorne

*The Origin of Sin, and Dotted Words in the Hebrew Bible* Emily Oliver Gibbes, 1893

**A Treatise on the Origin of Sin, in the form of question and answer**, 1840

*The Origin of Sin* David Konstan, 2022-02-10 Where did the idea of sin arise from? In this meticulously argued book, David Konstan takes a close look at classical Greek and Roman texts, as well as the Bible and early Judaic and Christian writings, and argues that the fundamental idea of sin arose in the Hebrew Bible and the New Testament, although this original meaning was obscured in later Jewish and Christian interpretations. Through close philological examination of the words for sin, in particular the Hebrew hata' and the Greek hamartia, he traces their uses over the centuries in four chapters, and concludes that the common modern definition of sin as a violation of divine law indeed has antecedents in classical Greco-Roman conceptions, but acquired a wholly different sense in the Hebrew Bible and New Testament.

**The Origin of Sin** Cheyenne Thomas, 2019-04-17 Blurb Many people blame God for sin because they believe that he created sin. Others do not believe in God or that he exists because of all the bad things that go on in the world. They say if God exists then why does he let or allow these things to happen in the world. As you read *The Origin of Sin*, you will learn that God did not create sin, and you will learn how sin came about. I decided to write *The Origin of Sin* to shed some light on the truth about sin and how sin got started. It is important to know how sin came to be, and where sin came from so you can lay the blame where it belongs and not on God. After talking to many people and sharing my knowledge on sin alone with some scriptures to reference what I say about how sin got started, I decided to write *The Origin of Sin*. Because there are so many people who don't know the truth about the origin of sin, and many more blaming God for sin being in the world, I became motivated and inspired to write this book and share my own understanding and knowledge of sin from the Word of God.

**Suffering, Obedience And The Origin Of Sin** Man Kei Ho, 2010-04 This book explores the meaning of obedience based on the biblical teaching from the book of Hebrews that Jesus Christ as the Son has to learn obedience from his suffering. The author delves into the various issues surrounding the nature of obedience, and weaves them into a discourse on the efficient cause of the sin of the first parents. He draws them together into an assertion; that the fall of the first parents in the Garden of Eden is not a possible outcome, it is an inevitable outcome. Dr. Man Kei Ho holds a Ph.D. from University of Wales in

theology and has served as visiting lecturer at seminaries and universities in Hong Kong, Philippines, and China. Currently, he is teaching theology at the Chinese School of Theology at Tyndale Seminary in Toronto. Prior to his theological training, he spent over 20 years working as an engineer in high tech industries. He is a registered professional engineer in the Province of Ontario, Canada.
