G3 Tim Cork, 2013-04-01 Give, Give, and Give again -- that is Tim Cork's formula for personal and professional success. The first gift is to you -- when you get really good at you, everyone around you benefits. The second is leadership -- the gift of raising other people's game. And the third is netgiving -- connecting with others to help them succeed. As the author puts it, Netgiving takes the work out of networking. Full of quick-hit pearls of wisdom, G3 is as practical as it is entertaining and inspirational.

Greater Fortune Marie Cosgrove, 2021-03-02 When she refused to take a pay cut, Marie Cosgrove was cut loose. So she started her own business . . . and a few years later, she bought the company that had fired her. She didn't give up—she became greater. And you can, too. Whether it's everyday problems or seemingly insurmountable challenges, we all face hardships in our personal and professional lives. In Greater Fortune, business mastermind and motivational speaker Marie Cosgrove guides you in discovering how to use these hardships to propel you forward. Born into poverty, Cosgrove persevered through a tumultuous upbringing and an abusive marriage; throughout it all, she raised four children on her own while struggling to make her way in the business world. Not only did she survive, she turned the lessons of adversity into advantage, becoming a multi-millionaire entrepreneur and innovator in the competitive field of medical devices. Now, she

shares what she has learned—from both her successes and failures—with you. Key lessons include valuable insights, tools, and techniques for: Walking away without guilt from whatever might be holding you back and focusing on the future
 Overcoming fears and responding to disappointment in a constructive way
 Preparing for success and building upon it
 Preparing for failure and learning from it
 Stepping up your game by being bold and taking calculated risks after setbacks
 Jumping on opportunities whenever they arise (especially in challenging times)
 Dealing with toxic people, cutthroat competition, and bias in the business world
 Embracing the future and giving back to others to cultivate continuous growth
 Just as we all have disadvantages, we all have talents and resources we can tap. In this book, you will uncover your unique opportunities for greater accomplishment and fulfilment, as well as learn how to wield your perceived weaknesses as strengths and use them to achieve success. Greater Fortune is both an inspirational story and a road map to a better life of your own, filled with hard-won wisdom and practical strategies that will help you make the most of the greatness that is within you already.
