## American Cancer Society

**Surviving Cancer** Joseph E. Bosiljevac Jr.,2010-10-01 This is the story of a patient with Stage III breast cancer who chose treatment using complementary and alternative methods over conventional medical therapy. She is currently seventeen years post diagnosis with no evidence of tumor. Her personal story in her own words is presented as well as a scientific analysis by the author as a medical case study. A commentary about use of conventional and alternative methods in cancer and overall health is included.
