*The 40 Day Prayer Challenge* SQuire Rushnell, Louise DuArt, 2017-01-10 SQuire Rushnell and Louise DuArt have practiced daily prayer together for sixteen years. Now they offer readers step-by-step advice on why and how to pray with another person. The 40 Day Prayer Challenge answers the question they hear from readers daily: How do you pray with someone else? The authors also explain how Partnered Prayer—which sounds like a new idea, but comes from ancient biblical promises—restores relationships and revitalizes families. Supported by the testimony of dozens of praying partners who themselves became empowered by taking The Challenge, the authors explain how a couple, a mother and son, or two close friends can pray together for five minutes a day for forty days and experience phenomenal outcomes. SQuire and Louise show how churches, small groups, and individual partners can participate in a groundbreaking national initiative called historic—a first-ever empirical study by Baylor University—while personally measuring their own Partnered Prayer progress.

*Troubling (Public) Theologies* Jione Havea, 2023-02-06 Theologies, no matter their designations, are public measures—they disclose as well as gauge the publics (near and far) on which they stand, sit, lie, or fall. Because publics shift and mingle, theologies require reimagining, relocating, and embracing fresh insights and energies. The insights and energies embraced in this work are in three clusters: spaces, bodies, and technologies. The spotlighted spaces are in Africa, Asia, Black America, the Caribbean, and Pasifika—beyond the eyes of mainline theologies; the privileged bodies have survived,

with scars from empire and missionary positionings; and the welcomed technologies include Dalit, indigenous, art, poetry, cyborg, and the novel. This collection is troubling in several ways: first, reimagining and relocating are troubling acts upon their subject matter—here, public theologies. On that note, what theology is not public? Second, this work takes theologies in general, and not just the theologies that carry the “public” designation, to be public theologies. Third, this work takes theologies in general to be inherently troubling. In other words, theologies that are not troubling are not public enough.
