

Abraham Lincoln Vampire Hunter

Mark S. Reinhart

Abraham Lincoln: Vampire Hunter Seth Grahame-Smith, 2010-03-02 Indiana. Moonlight falls through the dense woods that surround a one-room cabin, where a nine-year-old Abraham Lincoln kneels at his suffering mother's bedside. She's been stricken with something the old-timers call Milk Sickness. My baby boy... she whispers before dying. Only later will the grieving Abe learn that his mother's fatal affliction was actually the work of a vampire. When the truth becomes known to young Lincoln, he writes in his journal, henceforth my life shall be one of rigorous study and devotion. I shall become a master of mind and body. And this mastery shall have but one purpose... Gifted with his legendary height, strength, and skill with an ax, Abe sets out on a path of vengeance that will lead him all the way to the White House. While Abraham Lincoln is widely lauded for saving and freeing millions of slaves, his valiant fight against the forces of the undead has remained in the shadows for hundreds of years. That is, until Seth Grahame-Smith stumbled upon *The Secret Journal of Abraham Lincoln*, and became the first living person to lay eyes on it in more than 140 years. Using the journal as his guide and writing in the grand biographical style of Doris Kearns Goodwin and David McCullough, Seth has reconstructed the true life story of our greatest president for the first time—all while revealing the hidden history behind the Civil War and uncovering the role vampires played in the birth, growth, and near-death of our nation.

Abraham Lincoln Seth Grahame-Smith, 2011-02-01 Grahame-Smith's revision of a Jane Austen classic blew readers' minds and became an instant national bestseller. Now, the author of *Pride and Prejudice* and *Zombies* tackles one of America's greatest presidents.

Abraham Lincoln: Vampire Hunter, 2004

Abraham Lincoln Seth Grahame-Smith, 2010

The Art of Abraham Lincoln Na, An, 2012-07-10 He's one of the most famous and revered men in all of American History. The 16th President of the United States. Abraham Lincoln. And he's a vampire hunter In anticipation of the release of the summer blockbuster from Timur Bekmambetov (*Wanted*), Bazelevs and Aspen Comics proudly present *The Art of Abraham Lincoln: Vampire Hunter*. This deluxe edition contains never-before-seen storyboards, concept art, production illustrations,

and costume designs, as well as drawings from visionary director Timur Bekmambetov. This behind-the-scenes glimpse into the creation of the hit film also features commentary by Bekmambetov, along with several others who helped bring this extraordinary film to life. Don't miss out on this rare, behind-the-scenes look into the creation of one of the most talked about new movies of the year, *Abraham Lincoln: Vampire Hunter*

BM Enthusiasts Misremembered Movies Casey Babb, 2019 Review of the movie *Abraham Lincoln, vampire hunter*, conflating details, confusing actors, and weaving other movies into the narrative.

The Last American Vampire - FREE PREVIEW (THE FIRST 3 CHAPTERS) Seth Grahame-Smith, 2014-11-04 Vampire Henry Sturges returns in the highly anticipated sequel to *Abraham Lincoln: Vampire Hunter*-a sweeping, alternate history of twentieth-century America by New York Times bestselling author Seth Grahame-Smith. *THE LAST AMERICAN VAMPIRE* In Reconstruction-era America, vampire Henry Sturges is searching for renewed purpose in the wake of his friend Abraham Lincoln's shocking death. Henry's will be an expansive journey that first sends him to England for an unexpected encounter with Jack the Ripper, then to New York City for the birth of a new American century, the dawn of the electric era of Tesla and Edison, and the blazing disaster of the 1937 Hindenburg crash. Along the way, Henry goes on the road in a Kerouac-influenced trip as Seth Grahame-Smith ingeniously weaves vampire history through Russia's October Revolution, the First and Second World Wars, and the JFK assassination. Expansive in scope and serious in execution, *THE LAST AMERICAN VAMPIRE* is sure to appeal to the passionate readers who made *Abraham Lincoln: Vampire Hunter* a runaway success.

The Last American Vampire Seth Grahame-Smith, 2015-01-13 Vampire Henry Sturges returns in the highly anticipated sequel to *Abraham Lincoln: Vampire Hunter*-a sweeping, alternate history of twentieth-century America by New York Times bestselling author Seth Grahame-Smith. *The Last American Vampire* In Reconstruction-era America, vampire Henry Sturges is searching for renewed purpose in the wake of his friend Abraham Lincoln's shocking death. Abraham Lincoln on Screen Mark S. Reinhart, 2024-09-17 President Abraham Lincoln is the most frequently portrayed American historical figure in the history of the film and television arts, appearing onscreen as a character in more than 250 productions since the birth of the motion picture medium. This work covers each film and television portrayal of Lincoln, providing essential cast, production and release information, and discussion of each work's historical accuracy and artistic

merits. This updated edition provides commentary on all new screen works produced in recent years, including Steven Spielberg's award-winning 2012 film Lincoln starring Daniel Day-Lewis in the title role.

Abraham Lincoln - Vampirjäger Seth Grahame-Smith, 2011 Amerikas grösster Held hatte ein blutiges Geheimnis Abraham Lincoln war der 16. Präsident der Vereinigten Staaten, Befreier der Sklaven, Wiedervereiniger der Union und Amerikas grösster Held. Doch Lincolns dunkelstes Geheimnis blieb seit über einhundert Jahren verborgen, hätte es doch die Geschichte der USA in ihren Fundamenten erschüttert. Denn seinen wichtigsten und tödlichsten Kampf führte Lincoln im Dunkel der Nacht - gegen blutrünstige Vampire... Seth Grahame-Smith wurde 1976 in New York geboren und wuchs in Connecticut auf. Er studierte Filmwissenschaften in Boston und arbeitet als Drehbuchautor und Filmproduzent. Nebenbei schreibt er Bücher und stürmt regelmässig die amerikanischen Bestsellerlisten. Der Autor lebt mit seiner Familie in Los Angeles.

Unholy Night Seth Grahame-Smith, 2025-05-01 From the author of the New York Times bestselling Abraham Lincoln: Vampire Hunter , comes Unholy Night, the next evolution in dark historical revisionism. They're an iconic part of history's most celebrated birth. But what do we really know about the Three Kings of the Nativity, besides the fact that they followed a star to Bethlehem bearing strange gifts? The Bible has little to say about this enigmatic trio. But leave it to Seth Grahame-Smith, the brilliant and twisted mind behind Abraham Lincoln: Vampire Hunter and Pride and Prejudice and Zombies to take a little mystery, bend a little history, and weave an epic tale. In Grahame-Smith's telling, the so-called Three Wise Men are infamous thieves, led by the dark, murderous Balthazar. After a daring escape from Herod's prison, they stumble upon the famous manger and its newborn king. The last thing Balthazar needs is to be slowed down by young Joseph, Mary and their infant. But when Herod's men begin to slaughter the first born in Judea, he has no choice but to help them escape to Egypt. It's the beginning of an adventure that will see them fight the last magical creatures of the Old Testament; cross paths with biblical figures like Pontius Pilate and John the Baptist; and finally deliver them to Egypt. It may just be the greatest story never told.

The Tim Burton Encyclopedia Samuel J. Umland, 2015-09-28 Tim Burton is one of the most inventive filmmakers in the world. From his early work as an animator for Disney studios to his distinctive takes on iconic characters like Batman and Alice in Wonderland, Burton's skewed vision of the world has informed all of his films. Imbuing his films with a comically dark tone, Burton provides a twisted slant on conventional storytelling. In The Tim Burton Encyclopedia, Samuel J. Umland looks at all aspects of this idiosyncratic storyteller's films, which frequently display childlike wonder and a macabre humor. Entries in this volume focus on Burton's artistic inspirations as well as creative personnel behind the camera, including writers, cinematographers, costume designers, art directors, and other collaborators, notably his frequent composer Danny Elfman. Recurring actors are also represented, such as Michael Keaton, Helena Bonham-Carter, Jack Nicholson, and, of

course, Johnny Depp. Film entries include all of his features such as Pee-Wee's Big Adventure, Beetlejuice, Edward Scissorhands, Ed Wood, Big Fish, and Dark Shadows. Each entry is followed by a bibliography of published sources, both in print and online. Featuring entries focused on every stage of Burton's career—including early animated shorts like Frankenweenie and his work as a producer—this volume provides indispensable information about one of the most distinctive filmmakers of the past three decades. Comprehensive and entertaining, The Tim Burton Encyclopedia will appeal to scholars, researchers, and fans of this singular director's work.

Horrors of War Cynthia J. Miller, A. Bowdoin Van Riper, 2015-05-14 Battlefields have traditionally been considered places where the spirits of the dead linger, and popular culture brings those thoughts to life. Supernatural tales of war told in print, on screen, and in other media depict angels, demons, and legions of the undead fighting against—or alongside—human soldiers. Ghostly war ships and phantom aircraft carry on their never-to-be-completed missions, and the spirits—sometimes corpses—of dead soldiers return to confront the enemies who killed them, comrades who betrayed them, or leaders who sacrificed them. In *Horrors of War: The Undead on the Battlefield*, Cynthia J. Miller and A. Bowdoin Van Riper have assembled essays that explore the meaning and significance of these tales. Among the questions that the volume seeks to answer are: How do supernatural stories engage with cultural attitudes toward war? In what ways do these stories reflect or challenge the popular memories of particular wars? How do they ask us to think again about battlefield heroism, military ethics, and the politics of sacrifice? Divided into four sections, chapters examine undead war stories in film (Carol for Another Christmas, The Devil's Backbone), television (The Twilight Zone), literature (The Bloody Red Baron, Devils of D-Day), comics (Weird War Tales, The Haunted Tank), graphic novels (The War of the Trenches), and gaming (Call of Duty: World at War). Featuring contributions from a diverse group of international scholars, these essays address such themes as monstrous enemies and enemies made monstrous, legacies and memories of war, and the war dead who refuse to rest. Drawing together stories from across wars, branches of service, and generations of soldiers—and featuring more than fifty illustrations—*Horrors of War* will be of interest to scholars of film, popular culture, military history, and cultural history.

The Publishers Weekly, 1911

Time, 2010

The Midwest Survival Guide Charlie Berens, 2021-11-16 New York Times Bestseller A hilarious full-color guide to Midwestern culture, from comedian and journalist Charlie Berens, creator of the viral comedic series *The Manitowoc Minute* Have you ever had a goodbye lasting more than four hours? Do you lack the emotional capacity to say "I love you" so you just tell your loved ones to "watch out for deer"? Have you apologized to a stranger because she stepped on your foot? If you answered yes to any of these questions, there's a good chance you're a Midwesterner—or a Midwesterner at heart. Even if you answered no, you probably know someone who held the door for you from two football fields away. He likely waved at

you and said, “Hey there,” like you organized the church bar crawl together. That was a Midwesterner in the wild. We understand that your interaction was strange—but it’s likely to get stranger. Don’t wait until they stick their head in your second-floor window to invite you over for a perch fry because they climbed on your roof to clean your gutters. There’s no need to pull the pepper spray; this species is helpful by nature. And the relationship could be very symbiotic—but only if you let it happen. And that’s where this book comes into play. Inspired by my comedy tours across the Midwest and life growing up in Wisconsin, this book is an exploration into my favorite region on Earth. Some may think the Midwest is just a bunch of bland flyover states filled with less diversity than a Monsanto monoculture. But scratch that surface with your buck knife and you’ll find rich cultures and traditions proving we’re more than just fifty shades of milk. So whether you’re a born-and-bred Midwesterner looking to sharpen your skill at apologies or a costal elite visiting the in-laws for the holidays, this book will help you navigate the Midwest, with everything from the best flannel looks to dating and mating rituals (yes, casserole is involved) to climbing the corporate corn silo to how to handle a four-way stop—and every backyard brat fry in between. And for those of you who don’t like reading, don’t worry—we’ve got pictures! Toss in illustrations, sidebars, quizzes, and jokes worthy of a supper club stall and *The Midwest Survival Guide* is just the walleye-deep look into this distinctive, beautiful, and bizarre American culture you’ve been looking for.

Chase's Calendar of Events 2013 with CD-ROM Editors of Chase's Calendar of Events, Editors of Chases Calendar of Events, 2012-09-18 12,500 entries. 196 countries. 365 days. Search Chase's Any Way You Want! Whether you want to target a specific date, location or subject, our fully searchable CD-ROM (PC-compatible only) makes your research quick and easy. Also included is a free installer, so you can load Chase's directly to your hard drive.

The Rise of the Vampire Erik Butler, 2013-06-01 Before Bella and Edward; Stefan and Damon Salvatore; and Abraham Lincoln, Vampire Hunter, there was Lestat and Louis, The Lost Boys, and Buffy Summers. Before True Blood and Let the Right One In, there was Dark Shadows and Anne Rice's Vampire Chronicles. And then there is the most prominent of them all: Dracula, immortalized by Bram Stoker in 1897. Whether they're evil, bloodsucking monsters or sparkling like diamonds in the sunlight, vampires have been capturing our imagination since their modest beginnings in the rustic fantasies of southeastern Europe in the early eighteenth century. Today, they're everywhere, appearing even in movies in Japan and Korea and in reggae music in Jamaica and South Africa. Why have vampires gone viral in recent years? In *The Rise of the Vampire*, Erik Butler seeks to explain our enduring fascination with the creatures of the night. Exploring why a being of humble origins has achieved success of such monstrous proportions, Butler considers the vampire in myth, literature, film, journalism, political cartoons, music, television, and video games. He describes how and why they have come to give expression to the darker side of human life—though vampires evoke age-old mystery, they also embody many of the uncertainties of the modern world. Butler also ponders the role global markets and digital technology have played in making vampires a worldwide phenomenon. Whether you're a fan of classic vampire tales or new additions to the mythology, *The Rise of the Vampire* is a fascinating look at our collective obsession with the undead.

Chase's Calendar of Events 2014 with CD-ROM Editors of Chase's Calendar of Events, 2013-10-10 4,000 notable birthdays, 1,400 historical anniversaries, 650 national and international holidays, 160 religious holidays, and thousands of additional days of note from all over the globe -- Cover.
