This well researched and concise book is a must for anybody studying the history of drama. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Mask Improvisation for Actor Training & Performance Sears A. Plautus: Curculio T. H. M. Gellar-Goad, 2021-01-14 This is the first book-length study of Plautus' shortest surviving comedy, *Curculio*, a play in which the tricky brown-nosed title character ("The Weevil") bamboozles a shady banker and a pious pimp to secure the freedom of the enslaved girl his patron has fallen for while keeping her out of the clutches of a megalomaniacal soldier. It all takes place in the Greek city Epidaurus, the most important site for the worship of the healing god Aesculapius, an unusual setting for an ancient comedy. But a mid-play monologue by the stage manager shows us where the action really is: in the real-life Roman Forum, in the lives and low-lives of the audience. This study explores the world of *Curculio* and the world of Plautus, with special attention to how the play was originally performed (including the first-ever comprehensive musical analysis of the play), the play's plots and themes, and its connections to ancient Roman cultural practices of love, sex, religion, food, and class. *Plautus: Curculio* also offers the first performance and reception history of the play: how it has survived through more than two millennia and its appearances in the modern world.
