

Anne Perry Daniel Pitt Series In Order

Anne Perry

Triple Jeopardy Anne Perry, 2019-04-09 Young lawyer Daniel Pitt must defend a British diplomat accused of a theft that may cover up a deadly crime in this riveting novel from the New York Times bestselling author of *Twenty-one Days*. Daniel Pitt, along with his parents, Charlotte and Thomas, is delighted that his sister, Jemima, and her family have returned to London from the States for a visit. But the Pitts soon learn of a harrowing incident: In Washington, D.C., one of Jemima's good friends has been assaulted and her treasured necklace stolen. The perpetrator appears to be a man named Philip Sidney, a British diplomat stationed in America's capital who, in a cowardly move, has fled to London, claiming diplomatic immunity. But that claim doesn't cover his other crimes. . . . When Sidney winds up in court on a separate charge of embezzlement, it falls to Daniel to defend him. Daniel plans to provide only a competent enough defense to avoid a mistrial, allowing the prosecution to put his client away. But when word travels across the pond that an employee of the British embassy in Washington has been found dead, Daniel grows suspicious about Sidney's alleged crimes and puts on his detective hat to search for evidence in what has blown up into an international affair. As the embezzlement scandal heats up, Daniel takes his questions to intrepid scientist Miriam fford Croft, who brilliantly uses the most up-to-date technologies to follow an entirely new path of investigation. Daniel and Miriam travel to the Channel Islands to chase a fresh lead, and what began with a stolen necklace turns out to have implications in three far greater crimes—a triple jeopardy, including possible murder. Praise for *Triple Jeopardy* "Another deftly crafted and original mystery by a true master of the genre . . . is ideal reading for all dedicated mystery buffs."—Midwest Book Review

One Fatal Flaw Anne Perry, 2020-04-07 Two fiery deaths have young lawyer Daniel Pitt and his scientist friend Miriam fford Croft racing to solve a forensic crisis in this explosive new novel from New York Times bestselling author Anne Perry. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WALL STREET JOURNAL When a desperate woman comes to Daniel Pitt seeking a lawyer for her boyfriend, Rob Adwell, Daniel is convinced of the young man's innocence. Adwell has been accused of murder and of setting a fire to conceal the body, but Daniel is sure that science can absolve him—and Miriam fford Croft is the best scientist he knows. Miriam connects Daniel with her former teacher Sir Barnabas Saltram, an expert in arson, and together, they reveal Adwell's innocence by proving that an accidental fire caused the victim's death. But it's not long before Adwell is killed in the same fiery fashion. If these deaths are, in fact, murders, what essential clue

could Daniel and Miriam have missed? As their investigation deepens, one of Saltram's former cases comes into question, and Miriam finds herself on the defensive. If the reasoning Saltram used in that case is proved false, several other cases will have to be re-tried, and Saltram's expert status—not to mention Miriam's reputation—will be ruined. Haunted by Saltram's shady tactics in and outside of the classroom, Miriam is desperate to figure out truths both past and present and protect herself in the face of Saltram's lies. What started as an accidental fire in Adwell's case seems to be linked to a larger plot for revenge, with victims accumulating in its wake, and Miriam and Daniel must uncover who or what is stoking these recurring flames—before they, too, find themselves burned.

Death Times Seven Anne Perry, Victoria Zackheim, 2026-04-14 Two violent crimes challenge the investigative skills of young Daniel Pitt and his wife, Miriam, in the final novel of iconic mystery writer Anne Perry's beloved Daniel Pitt series. 1912: Junior attorney Daniel Pitt must step in for his friend, fellow attorney Toby Kitteridge, whose parents have been brutally attacked. Toby's mother is dead and his father, the local vicar, is barely alive. With Toby home in rural Ipswich, struggling with grief and disbelief, Daniel remains in London to defend Peter Ward, on trial for the sexual assault and murder of a young woman. Daniel is convinced that Ward is innocent, yet the evidence proves otherwise. Eager to assist, his pathologist wife Miriam fford Croft offers her forensics expertise, exposing a community of fellow pathologists who have disguised their autopsy reports. Despite Miriam's involvement in the case, Daniel finds himself distracted by his desire to help Toby, still in Ipswich and too distraught to investigate the attack on his parents. When all evidence points to Toby's father as the killer, Daniel faces two of the greatest challenges of his young career: to prove the innocence of both Peter Ward and Reverend Kitteridge. One mistake in London and a blameless man will hang. One mistake in Ipswich and Toby's father will go to prison for life. *Death Times Seven*, the seventh and final novel in Anne Perry's Daniel Pitt series, has been completed with the assistance of Victoria Zackheim, an author and editor, as well as Perry's close friend. Rich in intriguing investigation and courtroom drama, this engrossing novel marks a fitting finale to the career of an author widely praised as the queen of historical crime fiction.

Death with a Double Edge Anne Perry, 2021-04-13 Daniel Pitt's investigation into his colleague's murder leads him through London's teeming underbelly to the suspicious dealings of one of England's most influential shipbuilding magnates in a thrilling novel from New York Times bestselling author Anne Perry. "Timely . . . and engaging . . . another terrific mystery."—Bookreporter When junior barrister Daniel Pitt is summoned to the scene of a murder in the London district known as Mile End, he knows only that the victim is a senior barrister from the same firm. To Daniel's relief, it is not his close friend Toby Kitteridge, but the question remains: What was this respected colleague doing in such a rough part of the city? The firm's head, Marcus fford Croft, may know more than he admits, but fford Croft's memory is not what it used to be, and his daughter, Miriam—Daniel's sometime sidekick—isn't in the country to offer her usual help. And so Daniel and Toby

must investigate on their own, lest the police uncover something that may cast a suspicious light on the firm. Their inquiries in Mile End lead them to a local brothel and to an opium den, but also—unexpectedly—to a wealthy shipbuilder crucial to Britain’s effort to build up its fleet, which may soon face the fearsome naval might of Germany. Daniel finds his path blocked by officials at every turn, his investigation so unwelcome that even his father, Special Branch head Thomas Pitt, receives a chilling warning from a powerful source. Suddenly, not just Daniel but his whole family—including his beloved mother, Charlotte—is in danger. Will Daniel’s devotion to justice be the undoing of his entire life, and endanger Britain’s defense at sea? As ever, the fates of family and history are inextricably intertwined in this spellbinder from Anne Perry.

The Fourth Enemy Anne Perry, 2023-04-11 Daniel Pitt prosecutes a beloved philanthropist whose good deeds may hide dark—and dangerous—secrets in this gripping mystery from New York Times bestselling author Anne Perry. Working his way up at London law firm fford Croft and Gibson, Daniel Pitt is named junior counsel on a fraud case with the potential to make or break his—and the firm’s—reputation. The trouble is, Malcolm Vayne, the man on trial, has deep pockets, and even deeper connections. Vayne’s philanthropic efforts paint him a hero in the eyes of the public, but Daniel’s friend Ian, a police officer, has evidence to suggest otherwise. Nervously working alongside Gideon Hunter, the new head of his firm, Daniel is under pressure to prove that Vayne is guilty. Meanwhile, Daniel’s new bride, forensic scientist Miriam fford Croft, befriends Rose, Hunter’s wife, and the two become engrossed in the women’s suffrage movement. Miriam finds herself among women who are brave and determined enough to undergo hunger strikes and prison sentences. And though Malcolm Vayne’s image is improved by his support of their cause, Miriam is not deceived. The trial of Vayne reveals his outsize political ambitions, and heats up further when a crucial witness is found dead. During the medical examination, Miriam discovers evidence that will influence the case against Vayne but is kidnapped by one of his crazed supporters before she can reveal it. Daniel leaves the trial and, in a desperate midnight drive, attempts to rescue her from a dangerous, sea-swept dungeon, putting their lives—and the case against Vayne—in peril.

Three Debts Paid Anne Perry, 2022-04-12 A killer is on the loose, targeting victims with a mysterious connection that young barrister Daniel Pitt must deduce before more bodies pile up, in this intricately woven mystery from New York Times bestselling author Anne Perry. A serial killer is roaming the streets of London, and Daniel Pitt’s university chum Ian, now a member of the police, is leading the search. The murders happen on rainy nights, but Ian knows the victims must have something in common beyond the weather. He turns to Miriam fford Croft, Daniel’s good friend and now officially one of the first female pathologists in London, to tap her scientific know-how to find details he and Daniel have missed. With Miriam involved in the murder investigation, Ian passes Daniel the case of Nicholas Welford, their former university professor. Charged with assault after reacting violently to an accusation of plagiarism, Welford, a proud, boastful man, is loath to admit he was in the wrong. But Daniel must defend him—whether he likes him or not. As the murders continue with no clue as to

who is committing them, Miriam, Daniel, and Ian find themselves questioning everything. Is the “Rainy-day Slasher,” as the newspapers have dubbed the killer, really just one person? Or have the investigators stumbled into a more complicated web of deceit? The answer may lie closer than anyone could have expected.

The Fourth Enemy Anne Perry, 2024-04-16 Daniel Pitt prosecutes a beloved philanthropist whose good deeds may hide dark—and dangerous—secrets in this gripping mystery from New York Times bestselling author Anne Perry. Working his way up at London law firm fford Croft and Gibson, Daniel Pitt is named junior counsel on a fraud case with the potential to make or break his—and the firm’s—reputation. The trouble is, Malcolm Vayne, the man on trial, has deep pockets, and even deeper connections. Vayne’s philanthropic efforts paint him a hero in the eyes of the public, but Daniel’s friend Ian, a police officer, has evidence to suggest otherwise. Nervously working alongside Gideon Hunter, the new head of his firm, Daniel is under pressure to prove that Vayne is guilty. Meanwhile, Daniel’s new bride, forensic scientist Miriam fford Croft, befriends Rose, Hunter’s wife, and the two become engrossed in the women’s suffrage movement. Miriam finds herself among women who are brave and determined enough to undergo hunger strikes and prison sentences. And though Malcolm Vayne’s image is improved by his support of their cause, Miriam is not deceived. The trial of Vayne reveals his outsize political ambitions, and heats up further when a crucial witness is found dead. During the medical examination, Miriam discovers evidence that will influence the case against Vayne but is kidnapped by one of his crazed supporters before she can reveal it. Daniel leaves the trial and, in a desperate midnight drive, attempts to rescue her from a dangerous, sea-swept dungeon, putting their lives—and the case against Vayne—in peril.

Twenty-One Days (Signed Edition) Anne Perry, 2018-04-10 In the first book of an all-new series, a young lawyer races to save his client from execution, putting him at odds with his own father: Thomas Pitt, head of London's Special Police Branch. 1910: Twenty-five-year-old Daniel Pitt is a junior barrister in London and eager to prove himself, independent of his renowned parents' influence. And the new case before him will be the test. When his client, arrogant biographer Russell Graves, is found guilty of murdering his wife, Daniel is dispatched to find the real killer before Graves faces the hangman's noose--in only twenty-one days. Could Mrs. Graves's violent death have anything to do with her husband's profession? Someone in power may be framing the biographer to keep damaging secrets from coming to light. It is a theory that leads Daniel's investigation unexpectedly to London's Special Branch--and, disturbingly, to one of his father's closest colleagues. Caught between duty to the law and a fierce desire to protect his family, Daniel must call on his keen intellect--and trust his natural instincts--to find the truth in a tangle of dark deception, lest an innocent man hang for another's heinous crime. Praise for *Twenty-One Days* Set ten years after *Murder on the Serpentine*, [Anne] Perry's excellent new series launch expertly takes the Pitts into a new century and makes use of the scientific advancements of the time, fingerprints and X-rays,

to add fresh drama to the courtroom scenes. . . . Fans of Perry's long-running [Charlotte and] Thomas Pitt series will delight in following the adventures of a new generation.--Library Journal (starred review) Readers will quickly fall in love with [Daniel] Pitt, following along as he investigates a gruesome murder and chuckling as he throws those involved off kilter. Perry is a master at bringing setting to life, and readers will be taken in by the time and place as they get to know Daniel Pitt and those close to him in this engaging novel.--RT Book Reviews The maven of well-crafted Victorian mysteries and author of both the William Monk series and the Charlotte and Thomas Pitt mysteries introduces the Pitts' son, Daniel, junior barrister, in this first of what proves to be an intriguing, entertaining, and character-centric new series. . . . Perry introduces Daniel and his cohort, the brilliant Miriam Fforde Croft, and raises the knotty question of whether some clients are truly undefendable.--Booklist

Death in Focus Anne Perry, 2019-09-17 In the start of an all-new mystery series set in pre-World War II Europe, an intrepid young photographer carries her dead lover's final, world-shattering message into the heart of Berlin as Hitler ascends to power. "Thrilling . . . reminiscent of works by Eric Ambler and Graham Greene."—The Wall Street Journal On vacation from London on the beautiful Italian coast, twenty-eight-year-old Elena Standish and her older sister, Margot, have finally been able to move on from the lasting trauma of the Great War, in which the newly married Margot lost her husband and the sisters their beloved brother. Touring with her camera in hand, Elena has found new inspiration in the striking Italian landscape, and she's met an equally striking man named Ian. When Ian has to leave unexpectedly, Elena—usually the more practical of the sisters—finds she's not ready to part from him, and the two share a spontaneous train trip home to England. But a shocking sequence of events disrupts their itinerary, forcing Elena to personally deliver a message to Berlin on Ian's behalf, one that could change the fate of Europe. Back home, Elena's diplomat father and her secretive grandfather—once head of MI6, unbeknownst to his family—are involved in their own international machinations. Worried when Elena still hasn't returned from Italy, her grandfather starts to connect the dots between her change in plans and an incident in Berlin, where Adolf Hitler and the Third Reich are on the rise. It seems the message Elena delivered has forced her into a dangerous predicament, and her grandfather's old contacts from MI6 may be the only people who can get her out alive—if Elena can tell the difference between her allies and her enemies. New York Times bestselling author Anne Perry merges family secrets with suspense on the world stage, as darkness bubbles under the surface of a Europe on the brink of change. In these complicated times, Elena emerges as a strong new heroine who learns quickly that when nothing is certain, she can rely only on herself. Praise for *Death in Focus* "Masterful! It's exceedingly rare for an author to have the talent to blend classic elements of a thriller with compelling family dynamics and geopolitical intrigue, but Anne Perry pulls it off like the consummate pro that she is. And, on top of all that, *Death in Focus* is written in her unique literary voice. I guarantee you'll love Elena Standish. Brava!" —Jeffery Deaver, author of *The Never Game*

A Christmas Deliverance Anne Perry, 2022-11-08 A courageous doctor and his apprentice fight to save London's poor—and discover that the hearts of men can be colder than a winter chill—in this gripping holiday mystery from New York Times bestselling author Anne Perry. “Perry’s Victorian-era holiday mysteries [are] an annual treat.”—The Wall Street Journal Scuff has come a long way from his time as a penniless orphan scraping together a living on the banks of the Thames. Now he’s studying medicine at a free clinic run by Dr. Crowe, a thoughtful if stoic mentor. But lately Crowe has been distracted, having witnessed an altercation between a wealthy former patient of his named Ellie—a woman that he not only treated but developed unacknowledged feelings for—and her controlling fiancé. It seems someone is forcing Ellie to marry the man. When Crowe’s emotions come flooding back, he sets out to uncover the troubling connection between Ellie, her father, and her betrothed. With Crowe engrossed in his investigation just weeks before the holidays, Scuff is left to run the clinic on his own, treating London’s poor and vulnerable. In the holiday spirit, he offers Mattie, a young girl in need, a warm place to stay as the winter chill sweeps through the city. Together, Scuff and Mattie must also fend off the police, who are growing suspicious of Crowe’s amateur sleuthing. Will Crowe be able to help Ellie, and will Scuff be able to ensure that he and Mattie—and all of their patients—have a safe and peaceful Christmas?

A Christmas Revelation Anne Perry, 2018-11-06 “Perry’s Victorian-era holiday mysteries [are] an annual treat.”—The Wall Street Journal In this intriguing, uplifting holiday mystery from bestselling author Anne Perry, an orphan boy investigates a woman’s kidnapping—and discovers there’s more at stake than a disappearance. It wouldn’t quite be Christmas without a holiday mystery decorated with all the Victorian trimmings, as only New York Times bestselling author Anne Perry can render it. Now the tradition continues as mayhem is once again found under the mistletoe, and intrigue stalks the cobblestone streets and gaslit parlors of old London Town. Formerly a river urchin living on the banks of the Thames, nine-year-old Worm has never experienced a family Christmas. But thanks to a job at Hester Monk’s clinic in Portpool Lane, he’s found a makeshift family in kindly volunteer Miss Claudine Burroughs and curmudgeonly old bookkeeper Squeaky Robinson. When Worm witnesses the abduction of a beautiful woman by a pair of ruffians just days before Christmas, he frantically turns to Squeaky for help. A one-time brothel owner, Squeaky knows the perils of interfering in nasty business, but he can’t bear to disappoint Worm—or leave the boy to attempt a rescue on his own. What neither of the would-be saviors expects, however, is that the damsel in distress already has her dilemma well in hand . . . and is taking steps to bring her captors to justice for crimes far worse than kidnapping. But the rogues, as cunning as they are deadly, are not to be underestimated. The aid of cynical old Squeaky and hopeful young Worm just might make the difference between a merry triumph over evil and a terrible yuletide tragedy.

A Christmas Resolution Anne Perry, 2020 When Celia Hooper discovers that her dear friend Clementine is to marry widower Seth Marlowe—a man with a sinister past—she calls upon her husband, Detective John Hooper of the Thames River

Police, to help her find out what really happened to Seth's first wife several years ago. Rumour has it that she killed herself and Seth's daughter ran away to live on the streets but no one seems to know the truth--

A Christmas Gathering Anne Perry, 2019-11-05 A cold case adds an extra chill to the holiday season as bestselling author Anne Perry whisks readers to an elegant home in the English countryside for a Christmas of secrets, soul-searching, and forgiveness. As beautiful as it may be, their friends' country house is not where Lady Vespasia wishes to spend Christmas with her new husband, Victor Narraway. She'd have preferred a relaxing holiday at home with him—especially as Victor, former head of the London Special Branch, seems to be hiding undercover dealings with the other guests who have gathered at the spacious estate. As tensions grow, the young and beautiful Iris Watson-Watt becomes the center of several men's focus. Unbeknownst to Vespasia, Iris carries a sensitive package that she must pass to Victor in the hope of unmasking a British traitor. While Victor plots his moves, he is reminded of a similar case from twenty years before, when a young Frenchwoman also carried a clandestine message—one that resulted in her murder, unsolved to this day. Victor has always been tormented by his failure to protect her, and now, with all eyes on Iris, Victor must act fast before history repeats itself. With the joy of Christmas at risk of being forgotten and Vespasia feeling alone with a distracted husband, Victor must ultimately learn to forgive himself in order to save both his country and the spirit of the holiday.

The Hyde Park Headsman Anne Perry, 1994 Thomas Pitt uses Charlotte's help to work on a murder in Hyde Park that is followed by three more murders.

Callander Square Anne Perry, 1980 When the bodies of two infants are discovered in the gardens of a quiet, elegant square in London, Charlotte Ellison, a Victorian policeman's wife, and her sister Emily conduct an unorthodox inquiry into the secret scandals of Callander Square

The Shifting Tide Anne Perry, 2004 The New York Times bestselling author sends her venerable Victorian sleuth William Monk into new territory--the shadowy wharfs along the Thames--to investigate a theft and some suspicious activity.

Pentecost Alley Anne Perry, 2010-09-22 The murder of a prostitute named Ada McKinley in a bedroom on decrepit Pentecost Alley should occasion no stir in Victoria's great metropolis, but under the victim's body, the police find a Hellfire Club badge inscribed with the name "Finlay Fitzjames"—a name that instantly draws Superintendent Thomas Pitt into the case. Finlay's father—immensely wealthy, powerful, and dangerous—refuses to consider the possibility that his son has been in Ada McKinley's bed. The implication is clear: Pitt is to arrest someone other than Finlay Fitzjames for Ada's demise. But Thomas Pitt is not a man to be intimidated, and with the help of his quick-witted wife, Charlotte, he stubbornly pursues his investigation—one that twists and turns like London's own ancient streets.

The Crossroads of Crime Writing Meghan P. Nolan, Rebecca Martin, 2024-03-05 This volume argues that we must examine the boundaries in fiction and non-fiction crime writing with an awareness of and turn toward the unseen structures

and spatial uncertainties that so often lead to and reflect collective fears and anxieties. Drawing upon the insights and expertise of an international array of scholars, the chapters within explore the interplay of the literary, historical, social, and cultural in various modes of crime writing from the 1890s to as recent as 2017. They examine unseen structures and uncertain spaces, and simultaneously provide new insights into the works of iconic authors, such as Christie, and iconic fictional figures, like Holmes, as well as underexplored subjects, including Ukrainian detective fiction of the Soviet period and crime writing by a Bengali police detective at the turn of the twentieth century. The breadth of coverage—of both time and place—is an indicator of a text in which seasoned readers, advanced students, and academics will find new perspectives on crime writing employing theories of cultural memory and deep mapping.

Long Spoon Lane Anne Perry, 2005 Thomas Pitt must discover whether the son of Lord Landsborough was shot to death as a hostage of anarchists, or if he was an anarchist himself.
