Atomic Habits James Clear, 2018-10-16 The #1 New York Times bestseller. Over 25 million copies sold! Translated into 60+ languages! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Summary of Atomic Habit RapidReads, 2025-07-21 Why do some people seem to improve effortlessly while others stay stuck? How to Walk into a Room Emily P. Freeman, 2024-03-12 New York Times Bestseller 2025 Nautilus Book Awards Silver Winner If life were a house, then every room holds a story. What do we do when a room we're in is no longer a room where we belong? What do you do when you start to feel a shift and must decide if it's time to make a change? When it comes to navigating big decisions about when to stay and go, how can we know for sure when the time is right? Though we enter and exit many rooms over the course of our life—jobs, relationships, communities, life stages—knowing how and when it's time to leave is a decision that rarely has a clear answer. Podcast host, spiritual director, and bestselling author of *The Next Right Thing*, Emily P. Freeman offers guidance to help us recognize when it's time to move on from situations that no longer fit, allowing us to find new spaces where we can flourish and grow. *How to Walk Into a Room* helps us begin to uncover the silent, nuanced, and hidden arrows for anyone asking questions like: How do I know if it's time to move on? What if I stay and nothing changes? What if I leave and everything falls apart? Through thought-provoking questions, spiritual practices, and personal stories, *How to Walk into a Room* will help you to know and name the caution flags in your current spaces, discern the difference between true peace and discomfort avoidance, navigate endings even when there is no closure, find peace for when you feel ready but it isn't time, and courage for when it's time but you don't feel ready. For anyone standing in a threshold, here's a book to help discern the how, when, and what now of walking out of rooms and into new ones with peace, confidence, and a whole heart.
