## Anthony De Mello

Awareness Anthony De Mello, 2011-08-31 “Wisdom from one of the greatest spiritual masters of our time.”—James Martin, SJ, author of *Jesus: A Pilgrimage* The heart of Anthony de Mello's bestselling spiritual message is awareness. Mixing Christian spirituality, Buddhist parables, Hindu breathing exercises, and psychological insight, de Mello's words of hope come together in *Awareness* in a grand synthesis. In short chapters for reading in quiet moments at home or at the office, he cajoles and challenges: We must leave this go-go-go world of illusion and become aware. And this only happens, he insists, by becoming alive to the needs and potential of others, whether at home or in the workplace. Here, then, is a masterful book of the spirit, challenging us to wake up in every aspect of our lives.

**A Year with Anthony De Mello** Anthony De Mello, 2022-12-06 Release your true inner self, shed society's expectations and programming, and regain your equilibrium with *A Year with Anthony De Mello*. This week-by-week workbook is filled with fifty-two passages and stories of De Mello's echoing wisdom, inspiring quotes from a variety of influential world-famous people, and thought-provoking journal prompts. We have all been programmed to seek happiness outside of ourselves—seized through great effort from an unpredictable world—and then to become upset and self-condemning when our effort fails to realize its promise of fulfillment, which it always fails to do. This is not to say that success isn't a reasonable pursuit, but it cannot give us happiness. Nothing of the world can. Why? Because we have it already. The happiness, peace, and love that defines fulfillment are already yours, encoded in your spiritual DNA. They are not earned or acquired. They live in you as you to be expressed through you. The only effort needed is really no effort at all; it's a matter of coming home to yourself. *A Year with Anthony De Mello* is a week-by-week workshop of fifty-two passages from De Mello, each followed by a

favorite parable or koan Anthony admired to illuminate the passage, and two simple but engaging exercises to actualize the week's teaching. There are also blank pages for journaling about your insights during the week.`

**The Way to Love** Anthony De Mello,1995-06-01 From the international bestselling author of Awareness, a pocket-sized guide that will bring you to new levels of spiritual awareness. The Way To Love contains the final flowering of Anthony de Mello's thought, and in it he grapples with the ultimate question of love. In thirty-one meditations, he implores his readers with his usual pithiness to break through illusion, the great obstacle to love. Love springs from awareness, de Mello insists, saying that it is only when we see others as they are that we can begin to really love. But not only must we seek to see others with clarity, we must examine ourselves without misconception. The task, however, is not easy. The most painful act, de Mello says, is the act of seeing. But in that act of seeing that love is born. Anthony De Mello was the director of the Sadhana Institute of Pastoral Counseling in Poona, India, and authored several books. The Way To Love is his last.

The metaphor has multiple liberation process: invisible glass box, visible glass box, breaking the glass box, and sticky rice. This liberation process includes conscientization, consciousness-raising, and a heightened cultural awareness in discerning the reasons of interpersonal conflicts in Korean socio-cultural contexts. By exploring the multi-faceted han-jeong dynamics with Feminist theology and Asian Feminism, the important aspects of re-imagining the self and God as spiritual formation have been examined with contemplative practices of Internal Family System (IFS) and self-compassion to create the healthy jeong-filled solidarity group. The sticky rice is a new cultural paradigm for Korean women's jeong-filled

hospitality. The broken pieces of the glass box will be transformed into the grains of rice by the positive jeong-filled hospitality of cooking sticky rice. In the solidarity group of jeong-filled hospitality, represented by rice ready to cook a serving of delicious sticky rice, people can enjoy the fellowship of healing, forgiving, and reconciling of the sticky rice. These images are intended to promote a healthy community of ministry and spirituality for Korean women.

*What Are You Waiting For?* Stephen J. Kauffman, 2019-04-04 *What Are You Waiting For?* By: Stephen J. Kauffman Struggling with self-worth, self-doubt, and loneliness is only a small part of the human condition. The beliefs, the programming, and the ideas passed on by caregivers, as well as the preconceived notions we have been exposed to early on is the real cause of the struggle. *What Are You Waiting For?* is a wake-up call to anyone who feels their life has been stuck on pause. "To Know Thyself is the beginning of wisdom." (Socrates) By putting in the time and effort, Stephen continues on his path toward self-discovery and the ultimate freedom that comes with doing the "inside job." While this journey has been anything but easy, the rewards and people along the way have made it all worthwhile. Guidance toward "self-discovery" does not have to be done in a vacuum. It's something that must be achieved with others, as well as yourself. So, what are you waiting for?

**Remembering Who I Am** Mabel Campbell, 2020-08-30 We are more than our bodies, our careers, and the identities we have taken from birth. We are souls having a human experience. We live in a world where our focus is outward- towards wealth, status, and relying on others for our happiness. We strive to have it all. Yet often we remain unfulfilled and unhappy. Fulfilment requires an answer to three questions. Who am I?, Why am I here? and What is my purpose?. We are on this planet for a reason. We invest time and money into our health, our livelihood and our relationships and in doing so we may neglect the part of ourselves that may have the answers and understanding of ourselves: our soul. The soul is our most untapped resource, our connection to this part of our being is the gateway to discovering who we are and why we are here

and what we're meant to do in this life. Going inward gives us the space we need to connect to our soul. This book gives a personal journey of the authors experience of how and what she used to connect deeply and heal herself bringing in clarity, joy, inner peace and freedom. Remembering who she is has given her the space to co-create a life she loves and to embrace her creativity in writing and publishing this book. The author provides you with an invitation to embark on your own personal journey and to remembering who you are. And if you choose to do so, it will provide the author a humbling experience of being of service to others and the universe.
