The Complete Works of John Ruskin John Ruskin,1891

Modern Painters John Ruskin,1885 Ruskin, a Victorian-era British writer whose work had a profound influence on artists, art historians, and writers both during his life and after, wrote *Modern Painters* in five separate volumes originally published in London between 1843 and 1860, substantially revising the volumes over the years. It is, among other things, an evaluation of individual painters, a religious statement, a discourse on nature, and a splendid example of Victorian prose style.
