Rodger L. Jackson, Melanie L. McLeod

My Name Is Barbra Barbra Streisand, 2023-11-07 The long-awaited memoir by the superstar of stage, screen, recordings, and television PLEASE NOTE The E-book edition features additional photographs that are exclusive to the E-book. Barbra Streisand is by any account a living legend, a woman who in a career spanning six decades has excelled in every area of entertainment. She is among the handful of EGOT winners (Emmy, Grammy, Oscar, and Tony) and has one of the greatest and most recognizable voices in the history of popular music. She has been nominated for a Grammy 46 times, and with Yentl she became the first woman to write, produce, direct, and star in a major motion picture. In My Name Is Barbra, she tells her own story about her life and extraordinary career, from growing up in Brooklyn to her first star-making appearances in New York nightclubs to her breakout performance in Funny Girl (musical and film) to the long string of successes in every medium in the years that followed. The book is, like Barbra herself, frank, funny, opinionated, and charming. She recounts her early struggles to become an actress, eventually turning to singing to earn a living; the recording of some of her acclaimed albums; the years of effort involved in making Yentl; her direction of The Prince of Tides; her friendships with figures ranging from Marlon Brando to Madeleine Albright; her political advocacy; and the fulfillment she's found in her marriage to James Brolin. No entertainer's memoir has been more anticipated than Barbra Streisand's, and this engrossing and delightful book will be eagerly welcomed by her millions of fans.

The Logic of Our Language Rodger L. Jackson, Melanie L. McLeod, 2014-11-04 The Logic of Our Language teaches the practical and everyday application of formal logic. Rather than overwhelming the reader with abstract theory, Jackson and McLeod show how the skills developed through the practice of logic can help us to better understand our own language and reasoning processes. The authors' goal is to draw attention to the patterns and logical structures inherent in our spoken and written language by teaching the reader how to translate English sentences into formal symbols. Other logical tools, including truth tables, truth trees, and natural deduction, are then introduced as techniques for examining the properties of symbolized sentences and assessing the validity of arguments. A substantial number of practice questions are offered both within the book itself and as interactive activities on a companion website.

Top 40 Music on Compact Disc Pat Downey, 1994-10-15 Lists all compact disc releases of top 40 hits from the nostalgic era of rock and roll (1955-1981) by performer and song title. The text includes details of song quality, chart performance and catalogue number.

Food in the Movies, 2d ed. Steve Zimmerman, 2010-07-28 Although food has been part of motion pictures since the silent era, for the most part it has been treated with about as much respect as movie extras: it's always been there on the screen but seldom noticed. For the most part filmmakers have settled on three basic ways to treat food: as a prop in which the food is usually obscured from sight or ignored by the actors; as a transition device to compress time and help advance the plot; as a symbol or metaphor, or in some other meaningful way, to make a dramatic point or to reveal an aspect of an actor's character, mood or thought process. This hugely expanded and revised edition details 400 food scenes, in addition to the 400 films reviewed for the first edition, and an introduction tracing the technical, artistic and cultural forces that contributed to the emergence of food films as a new genre--originated by such films as *Tampopo*, *Babette's Feast* and more recently by films like *Mostly Martha*, *No Reservations* and *Ratatouille*. A filmography is included as an appendix.

My Passion for Design Barbra Streisand, 2010-11-16 For nearly six decades Barbra Streisand has been one of the singular figures in American entertainment. From the cabaret to the Broadway stage, from television and film stardom to her acclaimed work as a director, from the recording studio to the concert hall, she has demonstrated that the extraordinary voice that launched her career was only one of her remarkable gifts. Now, in her first book, Barbra Streisand reveals another aspect of her talent: the taste and style that have inspired her beautiful homes and collections. *My Passion for Design* is her account of the creation and construction of her newest home—the dream refuge she has longed for since the days when she shared a small Brooklyn apartment with her mother, brother, and grandparents, and a culmination and reflection of her love of American architecture and design from the 18th to the 20th centuries. Whether she is seeking an elusive shade of blue for the paneling in a Federal lounge, tracking down a contemporary woodworker who was able to recreate the exquisite Greene & Greene style, or choosing the roses to harmonize with both the interior and exterior of a given room, Barbra's perseverance and attention to detail are remarkable—and remarkably engaging. She is a wonderfully witty storyteller as well as a knowledgeable and charming guide. *My Passion for Design* contains not only Barbra's own photographs of the rooms she has decorated, the furniture and art she has collected, and the ravishing gardens she has planted on her land on the California coast, but memories of her childhood, and insights into the development of her own sense of style. The millions of fans who have cherished her voice as a singer will find that she has an equally inimitable and compelling voice as a writer. Here is a rare and intimate private tour of the world of one of our most beloved stars, which will be welcomed by her fans and all lovers of the great achievements of American design.
