The Palgrave Handbook of Popular Culture as Philosophy Dean A. Kowalski,Chris Lay,Kimberly S.

Engels,2024-04-30 Much philosophical work on pop culture apologises for its use; using popular culture is a necessary evil, something merely useful for reaching the masses with important philosophical arguments. But works of pop culture are important in their own right--they shape worldviews, inspire ideas, change minds. We wouldn't baulk at a book dedicated to examining the philosophy of The Great Gatsby or 1984--why aren't Star Trek and Superman fair game as well? After all, when produced, the former were considered pop culture just as much as the latter. This will be the first major reference work to right that wrong, gathering together entries on film, television, games, graphic novels and comedy, and officially recognizing the importance of the field. It will be the go-to resource for students and researchers in philosophy, culture, media and communications, English and history and will act as a springboard to introduce the reader to the other key literature in the field.

Wildlife Review ,1991

Seinfeld FAQ Nicholas Nigro,2015-06-01 (FAQ). Is it a show about nothing or one of the greatest TV series of all time?

It's both, of course! Seinfeld 's impact on popular culture was so profound that it continues to this day-years after it left prime time-thanks to its inimitable characters (Newman! Bubble Boy!), its wacky, memorable plots (who can forget The Contest or The Puffy Shirt?), and the many catchphrases we use regularly (not that there's anything wrong with that). Seinfeld FAQ is the first-ever comprehensive guide to the sitcom, tracing its path from modest beginnings to water-cooler-show status and to its infamous, love-it-or-hate-it finale. This humor-filled reference tells all about Jerry, Elaine, George, and Kramer, as well as the other unforgettable characters in their world. It features season-by-season episode reviews and a wealth of fun facts about everything from the characters' inevitably doomed relationships to their food obsessions and fashion sense (or lack thereof) as well as profiles of actors and other notables. Broad in scope and yet obsessed with detail (like the show itself), this FAQ is essential reading for anyone who wants to be master of the Seinfeld domain.

The Power of Testimony Larry David,2025-08-08 The Power of Testimony: A Journey of Faith and God's Unfailing Love invites readers to witness real life stories of redemption, mercy, and grace. Each chapter brings hope and encouragement through heartfelt testimonies that showcase God's incredible work in everyday life.

Jeopardy! and Philosophy Shaun P. Young,2012 Since its debut in 1964, Jeopardy has been one of America's favorite and longest-running daytime quiz shows. It turns the question-answer format of traditional quiz shows on its head and requires contestants to pose correct questions to answers in selected categories. While mining information and facts from Alchemy to Zoology, Jeopardy , is a uniquely intellectual, erudite, and challenging daytime television program. Far beyond entertaining its fans with nail-biting contests of knowledge, memory, and speed, it all but requires them to participate. Few people watch Jeopardy without pressing an invisible button and blurting out questions to their TV screen. Because of this personal and intellectual investment, most Jeopardy fans are devout. Watching the show is valued as a daily ritual in which genuine intellectual skill and encyclopedic knowledge (as opposed to thin Hollywood depictions such as those in Big Bang Theory or Rain Man) are not only respected and placed in the spotlight, but also rewarded with national prestige and prize winnings. Champion Ken Jennings (who contributes to this volume) has won over three million dollars and remained champion seventy-four times. For those who embrace Jeopardy as an intellectual oasis in the arid desert of popular culture, it is the geeks who shall inherit the earth. Jeopardy 's celebration of intellect and forward-thinking is well recognized throughout popular culture and among all age groups. Ken Jennings, Chuck Forrest, and other all-time champions are near celebrities, while the show itself regularly reaches out through special tournaments to different segments of American culture, such as actors and musicians (Celebrity Jeopardy), high-school and college students (Teen Tournament and College Championship Jeopardy) and senior citizens (Senior Tournament Jeopardy). Still, despite its widespread respect and, some might complain, smug self-respect, neither the show nor its fans take themselves too seriously. Jokes about host Alex Trebek's hair and famous parodies of Jeopardy on Saturday Night Live are as familiar as Weird Al Yankovic's MTV-mainstay I Lost on Jeopardy (to the tune of Our Love's in Jeopardy): Don't know what I was thinkin' of, I guess I just wasn't too bright. Well, I sure hope I do better Next weekend on The Price Is Right.
