

Good S Similar To Hunger Games

IM Harris

Gender and Austerity in Popular Culture Helen Davies, Claire O'Callaghan, 2016-12-18 From the gritty landscapes of The Hunger Games and The Walking Dead, to the portrayal of the twenty-first-century precariat in Girls, this book explores how transatlantic visual culture has represented and reconstructed ideas of gender in times of financial crisis. Drawing on social, cultural and feminist theory, these writers explore how men and women experience austerity differently and illuminate the problematic ways in which economic policy can shape how gender is presented in popular culture. Written from the perspective that the popular is indeed political, this book considers film, literature and television's ideological attitudes towards race, sex and disability. It also takes into account how mass culture has responded to austerity in the past and the present, whilst examining the impact that feminism will have in the future.

A/AS Level English Literature B for AQA Student Book Carol Atherton, Andrew Green, Gary Snapper, 2015-06-04 A new series of bespoke, full-coverage resources developed for the 2015 A Level English qualifications. Endorsed for the AQA A/AS Level English Literature B specifications for first teaching from 2015, this print Student Book is suitable for all abilities, providing stretch opportunities for the more able and additional scaffolding for those who need it. Helping bridge the gap between GCSE and A Level, the unique three-part structure focuses on texts within a particular time period and supports students in interpreting texts and reflecting on how writers make meaning. An enhanced digital version and free Teacher's Resource are also available.

The Rhetorical Power of Popular Culture Deanna D. Sellnow, 2017-03-07 Can television shows like Modern Family, popular music by performers like Taylor Swift, advertisements for products like Samuel Adams beer, and films such as The Hunger Games help us understand rhetorical theory and criticism? The Third Edition of The Rhetorical Power of Popular

Culture offers students a step-by-step introduction to rhetorical theory and criticism by focusing on the powerful role popular culture plays in persuading us as to what to believe and how to behave. In every chapter, students are introduced to rhetorical theories, presented with current examples from popular culture that relate to the theory, and guided through demonstrations about how to describe, interpret, and evaluate popular culture texts through rhetorical analysis. Author Deanna Sellnow also provides sample student essays in every chapter to demonstrate rhetorical criticism in practice. This edition's easy-to-understand approach and range of popular culture examples help students apply rhetorical theory and criticism to their own lives and assigned work.

Writing Youth Jonathan Alexander, 2016-12-20 *Writing Youth: Young Adult Fiction as Literacy Sponsorship* shows how many young adult novels model for young people ways to manage the various media tools that surround them. Jonathan Alexander examines not only young adult texts and their media ecologies but also young people's multiliterate media making in response to their favorite texts and stories. As such, this book will be of interest to anyone concerned about young people's literacies and the relationship between literacy development and the culture industries.

A Companion to Media Fandom and Fan Studies Paul Booth, 2018-02-26 *A Companion to Media Fandom and Fan Studies* offers scholars and fans an accessible and engaging resource for understanding the rapidly expanding field of fan studies. International in scope and written by a team that includes many major scholars, this volume features over thirty especially-commissioned essays on a variety of topics, which together provide an unparalleled overview of this fast-growing field. Separated into five sections—Histories, Genealogies, Methodologies; Fan Practices; Fandom and Cultural Studies; Digital Fandom; and The Future of Fan Studies—the book synthesizes literature surrounding important theories, debates, and issues within the field of fan studies. It also traces and explains the social, historical, political, commercial, ethical, and creative dimensions of fandom and fan studies. Exploring both the historical and the contemporary fan situation, the volume presents fandom and fan studies as models of 21st century production and consumption, and identifies the emergent trends in this unique field of study.

We Will Rise Again Malka Older, Annalee Newitz, Karen Lord, 2025-12-02 From genre luminaries, esteemed organizers, and exciting new voices in fiction, an anthology of stories, essays, and interviews that offer transformative visions of the future, fantastical alternate worlds, and inspiration for the social justice movements of tomorrow. In this collection, editors Karen Lord, Annalee Newitz, and Malka Older champion realistic, progressive social change using the speculative stories of writers across the world. Exploring topics ranging from disability justice and environmental activism to community care and collective worldbuilding, these imaginative pieces from writers such as NK Jemisin, Charlie Jane Anders, Alejandro Heredia, Sam J. Miller, Nisi Shawl, and Sabrina Vourvoulias center solidarity, empathy, hope, joy, and creativity. Each story is grounded within a broader sociopolitical framework using essays and interviews from movement leaders, including adrienne

maree brown and Walidah Imarisha, charting the future history of protest, revolutions, and resistance with the same zeal for accuracy that speculative writers normally bring to science and technology. Using the vehicle of ambitious storytelling, *We Will Rise Again* offers effective tools for organizing, an unflinching interrogation of the status quo, and a blueprint for prefiguring a different world.

Introduction to Geopolitics Colin Flint, 2021-08-30 This new updated edition presents the overarching themes of geopolitical structures and agents in an engaging and accessible manner, which requires no previous knowledge of theory or current affairs. It helps readers understand the geopolitical implications of COVID-19, China's pronounced role in the world, the relative decline of the US, and the Black Lives Matter movement. Using new pertinent case studies and guided exercises, the title explains the contemporary global power of the United States and the challenges it is facing, the changing foreign policy of China and other countries, the persistence of nationalist conflicts, migration, cyberwar and cyberactivism, terrorism, energy geopolitics, and environmental geopolitics. Expanded case studies of the South China Sea disputes and China's Belt and Road Initiative emphasize the multi-faceted nature of conflict. The book raises questions by incorporating international and long-term historical perspectives and introduces readers to different theoretical viewpoints, including feminist contributions. The new edition features fresh discussion of island geopolitics, the Anthropocene age, and geoeconomics. *Introduction to Geopolitics* will provide its readers with a set of critical analytical tools for understanding the actions of states as well as non-state actors acting in competition over resources and power. Both students and general readers will find this book an essential stepping-stone to a deeper and critical understanding of contemporary conflicts. The companion website will enable readers to apply the themes of the book to the constant shifts in current affairs to enable deeper understanding. It will provide access to weekly essays showing how the themes explain current events.

The Best American Science Fiction and Fantasy 2024 Hugh Howey, John Joseph Adams, 2024-10-22 A collection of the year's best science fiction and fantasy short fiction selected by New York Times bestselling author of the *Silo* series Hugh Howey and series editor John Joseph Adams. "These are dangerous stories. The kind that warp reality and threaten to change the world" warns guest editor Hugh Howey in his introduction. *The Best American Science Fiction and Fantasy 2024* promises a treasure trove of audacious characters, daring worldbuilding, and twisted realities. A sibling duo of supernatural hitmen. A traveling spellbreaker and his trusty alligator mount. Superheroes registering for work. Sentient spaceships with an AI-human interface grow up together with their human pilots. From a Korean folk-tale retelling about the goddess of shamans, to a car, resurrected from obsolescence via automancy, for a road trip from California to Maine, these are stories that, for Howey, "challenged my worldview, that made me exercise new mental muscles, and that brought me to tears." *The Best American Science Fiction and Fantasy 2024* includes A.R. CAPETTA • P. DJÈLÍ CLARK • JAMES S.A. COREY • AMAL EL-MOHTAR • ANDREW SEAN GREER • GRADY HENDRIX • ANN LECKIE • SAM J. MILLER REBECCA ROANHORSE • and
