

# Good Evening In Yoruba

**Kamari Maxine Clarke**

Yoruba Religion Dayò Ológundúdú,2014

Beginner's Yoruba Kayode J. Fakinlede,2005 Beginner's Yoruba is now available with two accompanying audio CDs. It provides an introduction to the Yoruba language, which is spoken by over 30 million people in south-western Nigeria, parts of the Benin Republic, and Togo, as well as in the diaspora populations of Brazil, Cuba, and Haiti. The 15 lessons are designed for both classroom use and self-study. Practice dialogues, combined with grammatical explanations, aid the student in understanding the basics of the language. Each lesson also contains a vocabulary section that highlights the important aspects of its featured topic. The audio CDs, which complement the lessons, help the student easily master the language's unique tones and vowel sounds, often considered the most difficult aspect of the language to learn. Quizzes and practice exercises are integrated into the lessons to help reinforce the material. The book also includes information on various aspects of Yoruba culture, including religion, songs, and folklore.

Èdè Yorùbá Fún Alákòbèrè Oláńrewájú Ọkẹ́,2000

*African Memoirs and Cultural Representations* Toyin Falola,2023-02-14 Traditions and cultures represent a set of persisting or prevailing beliefs, social practices, oral, linguistic, and values that define an individual's way of life. In other words, in memoir writing, the emphasis is often to propagate a unilateral need or embrace of self-identity. However, the dominant narrative and method of analysis in this study holds the notion and privileges that tradition and cultures imbibed by memoirists are sometimes subverted, refashioned, or reworked due to the strand of experiences or realities they encounter in different spaces as their narration develops. Thus, memoirists embrace indifference and open-mindedness, which is also greatly explored in the context of autobiography.

Mapping Yorùbá Networks Kamari Maxine Clarke,2004-07-12 Ethnographic study of life and ritual in an African American Yorùbá revivalist community in South Carolina and its complex relation to Nigerian Yorùbá identity.

**Data-Rich Linguistics** Oluseye Adesola,Akinbiyi Akinlabi,Olanike Ola Orie,2018-10-09 This collection was compiled by an international group of scholars in recognition of Professor Yiwola Awoyale's contributions to African language and linguistic studies. Based at University of Pennsylvania, Professor Awoyale is particularly celebrated as a great field linguist, who pays special attention to data and data documentation. This edited volume presents current research on topics

concerning the syntax, semantics, phonology, applied- and socio-linguistics of African languages, providing a state-of-the-art account of contemporary issues in African linguistics today.

**Beginning Yoruba** Lawrence Olufemi Adewole, 2000

**An African Journey Through Its Art** Fima Lifshitz, 2009 There were five. They came together for reasons that no one is even sure of anymore and cut a swath through the universe. Everyone knew their name, and the lined up to follow them. They knew their symbol, the snarling wolf. The warlords formed a following, an almost religion. And then it was over. Years later, and the followings of each of the original warriors have become clans. The clans have grown and trained new warriors over time, creating the driving force in all the universe. Here are four people now, training to follow in the ways of one particular wolf. The wolf that ended it all in the first place, the Blackwolf. This is the start of their journey, the beginning of their training. Gregor Holden, a Prince, who's sense of duty is equaled only by his lust for adventure. Candace Orthon, a legacy who's father is a Blackwolf, who's grandfather was a Blackwolf, and who will be a Blackwolf if it kills her. Ran Grastle, already an accomplished warrior in his own right. He's on the run for committing a crime to exact justice and cares very little for the clan or anyone else. Xesca, a child of the last planet that the Blackwolf attacked. She has come to learn his ways, his style, so that no one can ever attack her planet again. These four. If no one else, let these four progress.

**Africa and Its Diaspora Languages, Literature, and Culture** Oluseye Adesola, Akintunde Oyetade, Laide Sheba, 2019-11-26 The text celebrates the academic achievements of Professor Olasope Oyelaran. It brings together over 20 papers by an international group of scholars on African diaspora languages, literatures and culture, representing four generations, all of whom have been influenced by Oyelaran's work in one way or another. Edited by three African scholars in the USA, UK, and Nigeria, the volume presents current research on topics in applied- and socio-linguistics, phonology, morphology, syntax, oral and written literature, and Yoruba language and culture in African diasporas in Brazil, Cuba, and Trinidad. The constellation of topics presented here will enlarge the reader's understanding of a number of issues in the field of African and African diaspora languages, literatures, and cultures today. As such, the book makes an important contribution to the expanding work on the linguistic and cultural interface of Africa and its Brazilian, Cuban, and Trinidadian diasporas.

**A Handbook of Language Study for Corps Members (Yoruba).** National Youth Service Corps, 1985

**The Sociolinguistics of Borderlands** Tope Omoniyi, 2004 The central pursuit of this book is to demonstrate the link between language and identity using the Idiroko/Igolo community on the Nigerian/Benin border. It raises issues of identity within a sociolinguistic framework, focusing on the ways in which colonial boundaries affected community, ethnic and national affiliations and the social and political dynamics of choosing between various identities in these contexts. Consisting of seven chapters, this is a valuable tool for undergraduates, postgraduates and academics interested in African borderlands.

One Thousand Languages Peter Austin, 2008 Presents an overview of the living, endangered, and extinct languages of the

world, providing the total number of speakers of the language, its history, and maps of the geographic areas where it is presently spoken or where it was spoken in the past.

**A Brief on History, Culture, and Language of the Yorùbá People** Ruth E. Adelodun,1999

*The Yoruba Koiné* J. Gbenga Fagborun,1994

**The Good Things in Life** Roland Hallgren,1988

**Themes in Nigerian Citizenship Education** Chijioke Chris Iyamah,Emman Osakwe,F. O. Igbinomwahia,1997

*Survive Lagos* Elizabeth Cox,Erica Anderssen,1984

Multimodality and Multilingualism Steph Ainsworth,Dominic Griffiths,Gee Macrory,Kate Pahl,2023-03-01 This book explores the ways in which multimodality and multilingualism as areas of study intersect and provides empirical examples of how this looks in practice from a wide range of settings. The chapters include visual as well as linguistic descriptions of practice and provide an accessible introduction to multimodality and multilingualism for a readership from undergraduate students to researchers. The book argues that the everyday practices of multilingual communities are multimodal in nature, and that by working at the intersection of multilingualism and multimodality we may be able to make fruitful advances in multiple areas of applied linguistics, and properly appreciate the actual human complexities of communication.

**Lagos State** Gbenga Sonuga,1987

**Journal of Humanities** ,2004-07
