**Bad Faith** Tom Drake-Brockman, 2019-01-18 Jesus was murdered by the Jewish religious leaders whose power base was the temple of Jerusalem. Saul of Tarsus—later the Paul of Christianity—was one of these, and his brand of faith theology mirrored their theology of covenantal entitlement. Thus, Christianity's basic theological principles derive from those who killed Jesus. This is just one of many challenging propositions backed with strong evidence that appear in this book. Jesus, like most Jews, was attuned to faithfulness rather than pure faith, to ethical behavior based on human empathy rather than metaphysical beliefs and rituals. The central focus of Jesus was hesed, the heart of the Jewish covenant with God which linked God's mercy to human compassion and forgiveness, making both mutually interactive. This hesed forgiveness was anathema to the temple's faux forgiveness and threatened its very existence. Therefore, Jesus came not to save us, but to show us how to save ourselves. Reinterpreting a key parable of Jesus in this light, the Parable of the Tares, Jesus can be most plausibly understood as an incarnation of Adam, the original prototype human who God, in Genesis, appointed to oversee his creation and guide our spiritual evolution. His mission was not about any sacrificial death, but about establishing the spiritual humanism of Judaic hesed as the central purpose of human existence.

*Fakes, Forgeries, and Fictions* Tony Burke, 2017-05-31 *Fakes, Forgeries, and Fictions* examines the possible motivations behind the production of apocryphal Christian texts. Did the authors of Christian apocrypha intend to deceive others about the true origins of their writings? Did they do so in a way that is distinctly different from New Testament scriptural writings? What would phrases like intended to deceive or true origins even mean in various historical and cultural contexts? The papers in this volume, presented in September 2015 at York University in Toronto, discuss texts from as early as second-century papyrus fragments to modern apocrypha such as tales of Jesus in India in the nineteenth-century *Life of Saint Issa*. The highlights of the collection include a keynote address by Bart Ehrman (*Apocryphal Forgeries: The Logic of Literary Deceit*) and a panel discussion on the Gospel of Jesus' Wife, reflecting on what reactions to this particular text—primarily on biblioblogs—can tell us about the creation, transmission, and reception of apocryphal Christian literature. The eye-opening papers presented at the panel caution and enlighten readers about the ethics of studying unprovenanced texts, the challenges facing female scholars both in the academy and online, and the shifting dynamics between online and traditional

print scholarship.

*Breathe Easy* Brynn Sauer,2020-10-07 The New Testament portrays the Christian life as one of resilient joy, overwhelming grace, and abundant love. Yet, if we look around, many Christians are riddled with constant fear, heavy burdens, and excessive self-criticism. What happened? Breathe Easy intertwines personal stories, scientific research, and biblical evidence behind resting in who God is and what He has done. Supported by Brynn Sauer's own journey, this book will show you that God desires for you to let go of the worry, stress, and pressure and start breathing easy.

*The Gospel of the Holy Twelve* Rev G J Ouseley,2024-12-31 The Gospel of the Holy Twelve is an esoteric and alternative gospel, attributed to Rev. G. J. Ouseley, which claims to present the teachings of Jesus Christ as aligned with a
