Nuwaubian Pan-Africanism Emeka C. Anaedozie,2019-12-03 This book examines the contemporary operational and theoretical parameters of Pan-Africanism and black nationalism in the post-civil rights era. It uses the Nuwaubian movement as a case study to explore this essential strand in African Diasporan history, culture, and tradition. The author argues that the Nuwaubian Nation, like their contemporaries such as the Nation of Islam, represents contemporary efforts of African descendants to dialectically and culturally fight oppression. He argues that unlike the classical Back to Africa movements, the contemporary ones do not seek to primarily relocate to Africa, but to go to Africa culturally and bring back Africa to the diaspora. This effort can be seen in the Nuwaubian attempts at unearthing and importing classical African traditions, mores, and values in their various communities across the United States, especially in Eatonton, Georgia. Their aim was to chart an identity for their adherents and inspire racial pride for people of African descent.

The Final Call Prince Nyazika,2011-04-02 The Biblical Sabbath and its true Calendar... Jews, Seventh-day Adventists and many other Sabbatarians observe the Sabbath on Saturday, basing this practice on the fact that Saturday is the 7th-day of the Gregorian calendar week. But is this truly the Sabbath of the Creator mentioned in the Scriptures? Can a divine institution sanctioned by the Creator of the Heavens and Earth be observed on a calendar that has its roots in paganism, or is there more to the Sabbath question than many honest truth-seeking Christians have dared to ask? This book will reveal why neither Saturday nor Sunday are NOT the 7th-day Sabbath of the Lord. This is the message of the hour!
