**Elizabeth C. Axford**

**Early Broadway Sheet Music** Donald J. Stubblebine, 2015-06-08 This work, a companion to the author's Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993 (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

**The Sheet Music Exchange**, 1988

**Song Sheets to Software** Elizabeth C. Axford, 2004-06-24 The second edition continues to be a valuable source to printed music, music software, and Web sites useful to musicians, and includes interesting essays on the history of printed music, copyright laws, music theory fundamentals, and other topics. Many questions posed by musicians and others concerned with music production and instruction are answered with short, effective explanations (e. g., the duration of copyright, the concept of fair use, writing lead sheets, publishing music). Axford's volume will be especially useful to young musicians or others beginning a career in some aspect of music. A useful section, Web Sites for Musicians, reveals the book's currency: very few dead links were detected, attesting to careful updating from the first edition. The section Tech Talk: Terms A - Z provides brief definitions for many new terms used by musicians or technology specialists. A valuable desk reference for everyone involved in the music industry.

**Literary Digest**, 1907

[A Shot in the Dark](#) Martin Hawkins, 2006 With a Soundtrack CD! Before Elvis hit town, back before country music was synonymous with Nashville, a small group of intrepid entrepreneurs--local businessmen looking to make a buck and have some fun--were recording and selling all the local music they could find. From dance bands to gospel, from rhythm & blues to, yes, country music, these men inadvertently documented a wealth of local music as they struggled to run successful recording studios. Hawkins goes beyond the music to tell the stories of the behind-the-scenes folks responsible for turning Nashville into Music City U.S.A. From Jim Bulleit, who was there at the very beginnings of the music industry, to Bill Beasley, who took on the emerging Music Row 'establishment' and lost, Hawkins guides us through the careers of the folks who defined Nashville's music scene for an exciting, unpredictable decade and traces the rise and fall of local music labels like

Bullet, World, Tennessee, Republic and Speed. Though the focus of the book is on the recording companies, studios, DJs and other music promoters, it also underlines the importance of some of the giants of Nashville music--like Francis Craig, who recorded an international hit by accident, Owen Bradley, who had a hand in many early labels, Del Wood, the surprise star of honky tonk piano, the fabulous blues singer Christine Kittrell, the underrated R&B bandleader Louis Brooks, the ubiquitous gospel promoter, Wally Fowler, the long-established Fairfield Four, and the king of the rude country song, Randy Hughes. This book builds off of and develops more fully the research Hawkins did for the critically acclaimed Bear Family Records box collections of Nashville recordings during this same time. Full of lush photographs, many being published here for the first time, and accompanied by a twenty-song CD highlighting the wide range of music being made in Nashville at the time, the book immerses readers in the sights, sounds, and stories of this vibrant and influential decade in Nashville music making. Co-published with the Country Music Foundation Press
