Inner Meaning of the Hebrew Letters Robert M. Haralick, 1995-09-01 This book-length meditation on the Hebrew alphabet offers profound insights into many important ideas found in Jewish thought. From time immemorial, the Hebrew alphabet has been considered to be more than a collection of individual letters. Indeed, the essence of each letter of the Hebrew alphabet can be seen as a fundamental building block of the world. Jewish scholars throughout the ages have meditated on these letters, deriving spiritual inspiration in the process. In *The Inner Meaning of the Hebrew Letters*, Robert M. Haralick looks closely at each of the Hebrew characters, helping us to gain insight from this remarkable tradition. Drawing primarily upon traditional kabbalistic and chasidic thought, Haralick combines his own insights with those of great Jewish personalities such as Moshe Chayim Luzzatto and Rabbi Nachman of Bratslav, as well as drawing upon classical texts, including the Bahir, the Zohar, the Midrash, and the Talmud. One of Haralick's main sources of inspiration is the ancient Jewish art of gematria, where each letter has a numerical value as does each combination of letters. Through this traditional methodology, Haralick shows his readers the many, often dazzling, ways that the Hebrew alphabet has been examined.

Hebrew Alphabet Letters And Their Spiritual Meanings Joseph Yagel, 2020-09-22 Hebrew language utilizes an alternate letters in order when contrasted with English language. The Jewish alphabet is frequently called the alefbet, in light of its initial two letters. The Hebrew letter set comprises twenty-two letters. They are intriguing and captivating to find out about in light of the fact that each letter in the Alefbet contains various implications and imageries. Each letter is a symbol, brimming with numerous and more profound implications, from strict direct significance, to internal otherworldly importance. Understanding the letters gives basic knowledge into the more profound implications of the Torah and the Holy book. The in and out significance of the Hebrew letters goes beyond the sound for which they stand. The letters form the core of the Jewish language and that of the religion. The twenty-two (22) letters of the Hebrew letters in order each has an emblematic importance. Each letter in Hebrew likewise has a specific numerical value known as Gematria. A profound investigation on the more inciting implications of the letters can change, widen and develop our learning and can lead us to more profound degrees of otherworldly experience. This book is a small section point into a more extensive and more profound field of study, which could be followed for a lifetime.

Letters Michael Ben Zehabe, 2023-01-17 LETTERS: the meaning behind the Hebrew alphabet (e-book) Item #4 of the Jonah Project (a 7-item kit) LETTERS provides a deeper look into a very unique alphabet. Not only does every Hebrew word have its own definition, but every Hebrew letter has its own story. There are 22 Hebrew letters with unique personalities ready to teach us how to elevate our life. Selected for the Jonah Project, which is a single-minded curriculum to teach you how to read the book of Jonah in the original Hebrew. Teachers and youth pastors can start this program with no prior knowledge of Hebrew. Hebrew is the simplest of all languages, yet the most informative. We are in the position of a little child entering a huge library filled with books in many different languages. The child knows someone must have written those books. The child, however, does not know how. The child may suspect a mysterious order in the arrangement, but doesn't know what or how. That, it seems to me, describes the most intelligent human toward God. -Albert Einstein A complete 4-page curriculum (or schedule) for the Jonah Project Kit is enclosed in every box. Simple instructions, discussing how to use each item, in what order, on what day, and for how long. **REQUIRES NO PRIOR KNOWLEDGE OF THE HEBREW LANGUAGE.**

Unlocking the Ancient Hebrew Alphabet Code J. Babbit, 2009-09-21 *Unlocking the Ancient Hebrew Alphabet Code* shows how to interpret many basic Hebrew words using the ancient pictographical meanings of the individual Hebrew letters. Each letter tells a story. Each combination of letters within a Hebrew word forms a picture-story unto itself. Biblical Hebrew was meant to be a living, pictographical language based on combinations of word pictures, each of which conveyed specific meanings. Once this system of word pictures is understood, Hebrew words come alive with nuances of meaning that no other language can match. A picture may equal a thousand words, but Hebrew words are beautifully alive with full-color picture meanings!

The Mystery of the Hebrew Letters Reverend Maria Goldstein, 2017-10-23 "Who hath ascended up into heaven, or

descended? Who hath gathered the wind in his fists? Who hath bound the waters in a garment? Who hath established all the ends of the earth? What is his name, and what is his son's name, if thou canst tell?" (Proverbs 30:4). The answer to this riddle can be found in the revelation contained within this book. The Son's identity, once concealed in the divine letters of the Hebrew alphabet... is now revealed! Yeshua said, "Before Abraham was, I am." Messiah is also known as the Poretz, (the one who will break through). He was present from the beginning of time for the salvation of the world! Each Hebrew letter points to Jesus/Yeshua as the Messiah to all the nations of the world. The mystery of Messiah Yeshua was once hidden in the divine Hebrew letters and the Torah. This breakthrough information has been revealed for such a time as this. Yeshua said, "Repent for the Kingdom of God is near! "This book is a glimpse of Yeshua in the Hebrew Alpha-Bet. Yeshua said, "In the volume of the book it is written of me". You are about to get a glimpse of Yeshua revealed in the Hebrew. For those not fluent in Hebrew, it is my hope that this book will pique your interest in learning our holy language. As a Jewish Rabbi and a believer in Yeshua the Messiah, I highly recommend Mystery of the Hebrew Letters to connect you to the Jewishness of Yeshua/Jesus. The Bible is a Jewish book from cover to cover and only in studying the Bible in Hebrew, its original language, will you begin to understand the richness of the Word of Elohim. As Christians, it's time to reconnect to the Jewish Roots of our faith." - Rabbi Deborah Brandt - Deborah's Messianic Ministries-Beit Midrash Tefillah Hallel Congregation and Vice President and Instructor at The Judaic Studies Institute and University. "Dr. Maria Goldstein, THANK YOU for writing this incredible book. As a Hebrew Christian for 46 years, I have never read anything like this! It solves the mystery of the Hebrew alphabet and reveals Yeshua/Jesus as the Son of God. Many of my questions have finally been answered by this book, which I highly and enthusiastically recommend!" -Pastor Meyer Stahl- Southern New Mexico Church of God, author, founder, producer, TV and radio host of What is Truth? "The 22 sacred letters of the Hebrew language are profound and spiritual since the language spoken by God in the Bible is made up from these letters. By trying to understand God's word we can learn even more by understanding the meaning of the letters that brought forth creation. Rev. Dr. Maria Goldstein does a wonderful job of revealing some of these mysteries and their relation to Messiah Yeshua." Rabbi George Quinn Beth Israel Messianic Center, El Paso, TX Hebrew is a constructive language, and as such, even the letters must be considered when determining the meaning of the words! A Jewish story goes as follows: When God asked Adam to name the animals, Adam so filled with the knowledge of the Hebrew letters was able to look at each creature and knew which letters God used to bring that creature into existence. Those letters then became the name that Adam gave to each creature. So Adam did not so much as name the animals as much as being filled with the knowledge of the letters, he knew the name God had already given them. Dr Goldstein's Mystery of the Hebrew Letter Jesus Revealed is a wonderful little gem conveying some key elementary points of each Hebrew letter. This primer should be taken as a first step into the larger world of understanding the very Word of God, the Bible. Rabbi Gary Hartshorn Las Cruces, NM

Dr. William Smith's Dictionary of the Bible William Smith,1888

The Glorious Hebrew Letters Darren Kelley,2008-10-26 Each letter in Hebrew is a way of life in its own right. Each Hebrew letter can be considered its own religion. The Hebrew language is a colorful language with plenty of depth. For example, the Hebrew letter Lamed uses the ox-goat for its symbol and it means to learn and prod. The Hebrew letter lamed is translated into the English letter 'L'. However, what does 'L' mean in English? That answer will be very difficult to answer without the Hebrew definition. The English letters loses height, depth and width without its Hebrew origins. The Hebrew letters contain so much wisdom that each one of us would gain enlightenment just by living by the precept and meaning of each letter. These Holy letters will help you become obedient to the voice and hand of God.

Apocalypse Prophesied Herbert Stollorz,2005-12-19 Apocalypse Prophesied, describes God's 7,000-year plan for this earth, as supported by 1,000 Bible references. This plan includes 6,000 years of human history and 1,000 years of prophetic events yet to take place. With its many verses it has become like a miniature Bible that explains the Creator's plan for humanity and the reasons why we exist. The 10th chapter of this book focuses on the cuckoo clock analogy. It is a summary explanation of special historic events that correspond to parallel events that will take place during the 7 years of the Great Tribulation. We have a saying that history repeats itself, and this book demonstrates where it does so prophetically.
