Travel with Purpose Jeff Blumenfeld, 2019-04-05 Imagine yourself in a schoolroom in one of the most remote regions of one of the most hard-to-reach countries on earth. Nepal. The Lower Mustang region to be exact. To reach it takes a 14-hour flight from New York to Doha, Qatar. Then four hours by air to Kathmandu. Transfer at one of the world's most dangerous airports to a 90-minute flight to Pokhara, followed by a jarring, eight-hour Jeep ride over a vertiginous dirt road - one side is a mountain wall, the other side a two-hundred foot cliff. Finally you arrive, but it's not just any schoolroom. It has been converted into an operating room so that doctors from New York Eye & Ear Infirmary can provide the gift of sight to 24 Nepalis who were blind due to advanced cataracts. Jeff Blumenfeld witnessed this first hand. He was there as a traveler, but also as a volunteer. A voluntourist. People often wonder how they can explore the world and help the less fortunate even if they don't possess specialized skills. These are people who make lousy vacationers. They're bored sitting on a beach or touring umpteen churches on a cruise ship excursion. They want a meaningful role when they travel. That's where

voluntourism comes in – a mix of both travel and volunteering. Is it hard work building wells and schoolhouses or excavating dinosaur bones? Yes, it is. But voluntourism doesn't take a particular outdoor skill, just plenty of sweat and the desire to see the world and leave it a better place. Travel With Purpose deals not with celebrities, nor the rich and famous. Instead, it relays examples from Blumenfeld's travels and many others from Las Vegas to Nepal. From health care facilities to impoverished schools. These are stories of inspiration from everyday people, all of whom have definite opinions about the best way to approach that first volunteer vacation. You don't need to be wealthy to travel to foreign lands to volunteer; you may not even have to go to foreign lands, as opportunities may exist within your own state. Blumenfeld shows readers how to identify the right location and volunteer situation, how to go about planning trips and preparing for activities, how to reach out, how to help. Through vivid examples and first hand stories from both recipients of volunteer work and the volunteers themselves, Travel with Purpose may make you rethink your next vacation.

No one, definitely no woman, is going to hurt us again. That is a promise.

Goodreads review [★★★★] 'MacLeod weaves a tale of unexpected love, second chances, and the magic of warm summer days.' Goodreads review [★★★★] 'Phoebe Macleod writes easy to read, sweet but not shallow books. She has a lovely writing style and she's the sort of author that I feel safe with, that I know I'm probably going

to love pretty much anything she writes - one of the finish-a-book-and-buy-one-straight-after-on-kindle kinda vibes!' Goodreads review [REDACTED] 'I love when a book can make me LOL in real life the whole time. This was such a fun rom-com and a safe one for people who like books without all the spice.' Goodreads review [REDACTED] 'This is a delightfully sweet and charming romantic comedy with a grumpy/sunshine trope (one of my favorites!)' Goodreads review [REDACTED] 'It's a very light, feelgood read and certainly put a smile on my face.' Goodreads review [REDACTED] 'A cute rom-com that focuses on friendship and different types of relationships, not just romance. I loved it, the characters are messy and complex as in real life.' Goodreads review [REDACTED]

Easy Love Piper Lawson, 2019-04-10 How to Find Love in New York: 1. Meet for tapas. 2. Pretend you care more about his day than your career circling the drain. 3. Stumble to your place. Kick him out before he trips on dirty laundry. (Literal or figurative.) It's easy. That's how I like it. Before you crown me the least romantic twenty-something in Manhattan, meet my competition. Dr. Wesley Robinson. Keen blue eyes and fell-out-of-bed hair. Unhealthy obsession with 80s movies. Drier than a gin martini. Drive that makes Tony Robbins look like a slacker. Yep. The hot genius I'm helping sell his DNA dating app has a plan: Scale the highest peak of Mount Nerd. Then ride off with his genetic Cinderella. I shouldn't fall for him. Even if Wes kisses like there's something dirty under that perfect tie. Even if he opens me up like no man has. Even if guarding my heart's getting harder each day. Because New York isn't Wes's mountain. I'm not his princess. And nothing this easy can last. From USA Today bestselling author Piper Lawson comes a slow-burn, opposites-attract romance about a hot nerd falling for the girl he could never have - with a little help from science. *Easy Love* is a stand-alone contemporary romance. He Found Me Whitney Barbetti, 2014-05-22 **Please note: this novel contains mature subject matter and is not suitable for those under eighteen years of age.** When I was seventeen, I disappeared. I walked out the door of my apartment with a backpack and never looked back. I left the life of Cora Mitchell behind, seeking freedom from my real-life nightmare. But my freedom came with a cost. I lived a fictitious life for the next six years, never letting anyone close enough to see underneath the façade that was Andra Walker. I was content with my simple little life. Until I met Julian. And the moment I started allowing myself to open up, allowing someone to see through the superficial, was the very same moment the Monster from my past would return to find me.
