I Miss You When I Blink Mary Laura Philpott, 2020-04-07 NATIONAL BESTSELLER A charmingly relatable and wise memoir-in-essays by acclaimed writer and bookseller Mary Laura Philpott, “the modern day reincarnation of...Nora Ephron, Erma Bombeck, Jean Kerr, and Laurie Colwin—all rolled into one” (The Washington Post), about what happened after she checked off all the boxes on a successful life’s to-do list and realized she might need to reinvent the list—and herself. Mary Laura Philpott thought she’d cracked the code: Always be right, and you’ll always be happy. But once she’d completed her life’s to-do list (job, spouse, house, babies—check!), she found that instead of feeling content and successful, she felt anxious. Lost. Stuck in a daily grind of overflowing calendars, grueling small talk, and sprawling traffic. She’d done everything “right” but still felt all wrong. What’s the worse failure, she wondered: smiling and staying the course, or blowing it all up and running away? And are those the only options? Taking on the conflicting pressures of modern adulthood, Philpott provides a “frank and funny look at what happens when, in the midst of a tidy life, there occur impossible-to-ignore tugs toward creativity, meaning, and the possibility of something more” (Southern Living). She offers up her own stories to show that identity crises don’t happen just once or only at midlife and reassures us that small, recurring personal re-inventions are both normal and necessary. Most of all, in this “warm embrace of a life lived imperfectly” (Esquire), Philpott shows that when you stop feeling satisfied with your life, you don’t have to burn it all down. You can call upon your many selves to figure out who you are, who you’re not, and where you belong. Who among us isn’t trying to do that? “Be forewarned that you’ll laugh out loud and cry, probably in the same essay. Philpott has a wonderful way of finding humor, even in darker moments. This is a book you’ll want to buy for yourself and every other woman you know” (Real Simple).

Summary of Mary Laura Philpott's I Miss You When I Blink Everest Media, 2022-04-25T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 We all have certain phrases handy in our minds that help us navigate life’s chaos. They provide structure to the chaos and help life make a little more sense. #2 The I miss you when I blink identity crisis is something that many people experience in midlife, when they meet an impasse and need to change course. They may need to change the way they are, or just change course. #3 The kind of crucial points in life that I’m talking about are the ones that go unseen, and most of us would feel embarrassed to call them crises. They’re the ones a friend might talk about while sitting on your front steps in the dark after a dinner party, stalling because she doesn’t want to

go home.

I Miss You When I Blink Mary Laura Philpott, 2020-02-20 In this memoir-in-essays full of spot-on observations about home, work, and creative life, Philpott takes on the conflicting pressures of modern womanhood with wit and heart. She offers up her own stories to show that identity crises don't happen just once or only at midlife; reassures us that small, recurring personal re-inventions are both normal and necessary; and advises that if you're going to faint, you should get low to the ground first. Most of all, Philpott shows that when you stop feeling satisfied with your life, you don't have to burn it all down and set off on a transcontinental hike (unless you want to, of course). You can call upon your many selves to figure out who you are, who you're not, and where you belong. Who among us isn't trying to do that?

LoveSpeaks MARVETTE CAMILLE, 2014-10-17 Love's voice comes through very eloquently via well-written pieces that speak to the deepest part of you-the heart of you-that is unable to do anything but listen. Love's voice will sometimes whisper and will sometimes scream, but at all times, it will be recognizable, because love does have its own distinct, unmistakable language-a language that captivates and keeps us transfixed. As mere mortals, no matter how hard we try, we can never, ever be happy without love in our lives. This book will speak to all that loves encompasses, leaving the reader happy to be in love if they are in a relationship and wanting to be in one if they are not. LoveSpeaks will make the in-love reader even more in love with love, and make those who are a little mad at love remember that love is pure and therefore incapable of causing hurt, and that, in truth, love never hurts anyone; people do.

Moms Don't Have Time To Zibby Owens, 2021-02-16 JOIN AWARD-WINNING PODCASTER ZIBBY OWENS OF MOMS DON'T HAVE TIME TO READ BOOKS ON A JOURNEY FILLED WITH FOOD, EXERCISE, SEX, BOOKS, AND MORE. It's impossible to ignore how life has changed since COVID-19 spread across the world. People from all over quarantined and did their best to keep on going during the pandemic. Zibby Owens, host of the award-winning podcast MomsDon't Have Time to Read Books and a mother of four herself, wanted to do something to help people carry on and to give them something to focus on other than the horrors of their news feeds. So she launched an online magazine called We Found Time. Authors who had been on her podcast wrote original, brilliant essays for busy readers. Zibby organized these profound pieces into themes inspired by five things moms don't have time to do: eat, read, work out, breathe, and have sex. Now compiled as an anthology named *Moms Don't Have Time To*, these beautiful, original essays by dozens of bestselling and acclaimed authors speak to the ever-increasing demands on our time, especially during the quarantine, in a unique, literary way. Actress Evangeline Lilly writes about the importance and impact of film. Bestselling author Rene Denfeld focuses on her relationship with food after growing up homeless. Screenwriter and author Lea Carpenter and Suzanne Falter, author, speaker, and podcast host, focus on loss. New York Times bestselling authors Chris Bohjalian and Gretchen Rubin write about the importance of reading. Others write about working out, love and sex, eating and cooking, and more. Join Zibby on her journey through the winding

road of quarantine and perhaps you, too, will find time.

Everything is Perfect Maxine Fawcett,2024-02-06 A captivating, honest and wry novel about a forty-something woman on the brink. Is it Peri? A midlife crisis? Or simply a cry for help? Cassie Prince lives in a beautiful beach suburb with her successful husband Jon and their children Ellie and Danny. Life is perfect, right? Except now she's reached her mid-forties, she can't help wondering what happened to the fun-loving, sexy and accomplished woman she used to be. This isn't what was promised. She's panicking about ageing, bored in her marriage, exhausted by her demanding kids, and increasingly torn by news of her sick mother back in England. So Cassie does what she's always done - buries her feelings and ignores her problems (and does some more online shopping). Then at school drop-off she meets Chris Lancaster, a charismatic widowed father-of-five. Soon she can't stop imagining romantic scenarios between them, even daydreaming of a future together. She may have been spiralling these last few months, but now Cassie is convinced that the unsuspecting and still vulnerable widower is the answer to everything . . . 'An honest and hilarious story of the changes that come with middle age . . . I laughed, cried and cringed with Cass. This is an absolutely cracking debut novel. I devoured it.' Ali Lowe 'A humorous but also a raw, honest, eye-opening account of a woman staring down the barrel of middle age. It is not only an accomplished piece of writing, but also an absorbing, gripping novel about a woman teetering on the edge.' Dianne Blacklock 'Smart, fresh and nuanced, Everything is Perfect is a captivating story about ageing, self-worth and unprocessed trauma as seen through the eyes of a woman unravelling. Perfect for anyone who has ever lost sight of the shore in middle age.' Anna Downes

The File on Angelyn Stark Catherine Atkins,2011-11-08 Angelyn Stark has a secret. One day, her neighbor and friend, Nathan, saw something happen. Something between Angelyn and her stepfather. Then he told his grandmother, who was always looking out for Angelyn, and it turned into a mess. But Nathan didn't know what he was talking about then, and he doesn't know now. Three years later, Angelyn is in high school and she thinks she's getting along fine--but there's a young teacher who wants to help her. He says she has potential she isn't living up to. Nobody has ever cared this way about Angelyn, not since Nathan's grandmother, anyway. But what does Mr. Rossi really want from her? And once Angelyn starts falling for him, does she really care?

Always Sarah Jio,2017-02-07 A gripping novel about the kind of love that never lets go, and the heart's capacity to remember, from the New York Times bestselling author of Blackberry Winter and The Violets of March Enjoying a romantic candlelit dinner with her fiancé, Ryan, at one of Seattle's chicest restaurants, Kailey Crain can't believe her good fortune: She has a great job as a journalist and is now engaged to a guy who is perfect in nearly every way. As she and Ryan leave the restaurant, Kailey spies a thin, bearded homeless man on the sidewalk. She approaches him to offer up her bag of leftovers,

and is stunned when their eyes meet, then stricken to her very core: The man is the love of her life, Cade McAllister. When Kailey met Cade ten years ago, their attraction was immediate and intense—everything connected and felt right. But it all ended suddenly, leaving Kailey devastated. Now the poor soul on the street is a faded version of her former beloved: His weathered and weary face is as handsome as Kailey remembers, but his mind has suffered in the intervening years. Over the next few weeks, Kailey helps Cade begin to piece his life together, something she initially keeps from Ryan. As she revisits her long-ago relationship, Kailey realizes that she must decide exactly what—and whom—she wants. Alternating between the past and the present, *Always* is a beautifully unfolding exploration of a woman faced with an impossible choice, a woman who discovers what she's willing to save and what she will sacrifice for true love. Praise for *Always* "[Sarah] Jio's novel is a fantastic read that explores the world of lost love in a poignant and beautiful way, while still being light and easy to digest. The protagonist is one whom readers can relate to. . . . Jio's tale also beautifully blends stories from both the past and the present. . . . It's a great read and comes with high recommendations."—RT Book Reviews "Jio's newest novel explores intersections of past and present and the complexities of love. . . . [Kailey] must confront her own past as she tries to figure out what she really wants. . . . Fans of Jio's work will still find her signature emotional depth."—Publishers Weekly "A heartwarming story of personal growth and the power of nostalgia . . . Fans of Elin Hilderbrand and Emily Giffin should enjoy this warm and compassionate novel."—Booklist "Perfect for fireside reading."—PopSugar

The Secret Vineyard Loretta Hill, 2018-01-02 Single mum Grace has no plans - and no spare time - to fall in love again. Until she moves to her ex-husband's secret vineyard . . . Grace Middleton knew that her ex-husband Jake was a lying, cheating, wife-abandoningbastard. What she didn't know - until his untimely death - was that he was also the owner of a secret vineyard in the heart of the Margaret River wine region. And, much to the chagrin of his new wife, he's left the property to Grace's three young sons. With the intention of putting it up for sale, Grace takes the boys to view Gum Leaf Grove. And immediately finds herself embroiled in mysteries from Jake's past and the accidental target of the resident 'ghost'. Nowadays Grace believes in love even less than she believes in ghosts. So no one is more surprised than her when she finds herself caught between two very different men - with secrets of their own . . .
