Identical Ellen Hopkins, 2008-08-26 Beneath their perfect family façade, twin sisters struggle alone with impossible circumstances and their own demons until they finally learn to fight for each other in this poignant tour de force from #1 New York Times bestselling author Ellen Hopkins. Sixteen-year-old Kaeleigh and Raeanne are identical down to the dimple. As daughters of a district court judge father and a politician mother, they are an all-American family...on the surface. Underneath run very deep and damaging secrets. What really happened in the car accident that Daddy caused? And why is Mom never home, always running far away to pursue some new dream? The girls themselves have become hopelessly divided over the years. Sick of losing Daddy's game of favorites, Raeanne turns to painkillers, alcohol, and sex to dull her pain her anger. Kaeleigh tries to be her father's perfect little flower, but being the misplaced focus of his sexual attention has her seeking control anywhere she can—even if it means cutting herself and unhealthy binge and purge eating. Secrets like the ones the twins are harboring are not meant to be kept—from each other or anyone else. Before long, it's obvious that neither sister can handle their problems alone, and one must step up to save the other, but the question is...who?

**America** E. R. Frank, 2002 Teenage America, a not-black, not-white, not-anything boy who has spent many years in institutions for disturbed, antisocial behavior, tries to piece his life together.

**Smashed** Lisa Luedeke, 2012-08-21 A field hockey star grapples with addiction in this riveting read perfect for fans of Laurie Halse Anderson's *Speak*. Katie Martin wants to leave her small-town loneliness behind forever. She is a field hockey star on the fast track to a college scholarship, but her relationship with alcohol has always been a little questionable. Then trouble finds her. Alec is the most popular guy in school, and also the biggest bully—with his sights set firmly on Katie. When Alec turns on the charm, Katie thinks she must have been wrong about him. Except that she wasn't. On a rain-soaked, alcohol-drenched night, one impulsive decision leaves Katie indebted to Alec in the worst possible way. This fast-paced and compelling story is a "thoughtful and complex portrait of addiction, accountability, and the debilitating impact of low self-esteem" (Publishers Weekly).

Wrecked E. R. Frank, 2015-05-26 After a car accident seriously injures her best friend and kills her brother's girlfriend, sixteen-year-old Anna tries to cope with her guilt and grief, while learning some truths about her family and herself.

Burnout Adrienne Maria Vrettos, 2011-09-13 A teen wakes up to find her nightmare is real in a novel Kirkus Reviews calls

“stark, compelling, perceptive: a winner” (starred review). On the day after Halloween, Nan wakes up in a subway car. She is not dreaming. She doesn’t know where she’s been or what she’s done. She’s missing a whole day from her life. And she’s wearing skeleton makeup and a too-small Halloween costume that she doesn’t remember putting on. Nan is not supposed to wake up in places like this anymore. She’s different now, so far from that dangerously drunk girl who hit bottom in the Nanapocalypse. She needs to find out what happened to her, and fast. As she tries to put together the pieces of the last twenty-four hours, she flashes back to memories of her previous life. But she would never go back to her old friends and her old ways. Would she? The deeper Nan digs, the more disturbing things get. This time, she may have gone one step too far. This time, she may be a walking ghost.

**Tunnel Vision** Susan Shaw, 2011-08-16 Pushed into the witness protection program for a crime she didn’t know she saw, Liza is racing for survival. On her way home one evening, Liza has to force her way through a group of men in a train underpass. She doesn’t think anything of it, but when her mom is shot dead moments later, Liza’s world turns upside down. Even worse, Liza was really the target. Only hours after her mother’s death, Liza is nearly killed again and she and her dad are placed in the witness protection program. Leaving everything she’s ever known behind, Liza and her dad pick up and move, never staying in one place for long. It’s too big of a risk—and Liza’s worst fear is realized when she gets recognized. The would-be killer is still on their trail, so all Liza and her dad can do is keep running. Unsure whom to trust and where to go, they’re just trying to stay alive....

*Tilt* Ellen Hopkins, 2014-02-11 Three teens, connected by their parents' bad choices, tell in their own voices of their lives and loves as Shane finds his first boyfriend, Mikayla discovers that love can be pushed too far, and Harley loses herself in her quest for new experiences.

*The You I've Never Known* Ellen Hopkins, 2018-01-30 How do you live your life if your past is based on a lie? Find out in this “satisfied and moving story” (Publishers Weekly, starred review) in both verse and prose from #1 New York Times bestselling author Ellen Hopkins. For as long as she can remember, it’s been just Ariel and Dad. Ariel’s mom disappeared when she was a baby. Dad says home is wherever the two of them are, but Ariel is now seventeen and after years of new apartments, new schools, and new faces, all she wants is to put down some roots. Complicating things are Monica and Gabe, both of whom have stirred a different kind of desire. Maya’s a teenager who’s run from an abusive mother right into the arms of an older man she thinks she can trust. But now she’s isolated with a baby on the way, and life’s getting more complicated than Maya ever could have imagined. Ariel and Maya’s lives collide unexpectedly when Ariel’s mother shows up out of the blue with wild accusations: Ariel wasn’t abandoned. Her father kidnapped her fourteen years ago. In bestselling author Ellen

Hopkins's deft hands, Ariel's emotionally charged journey to find out the truth of who she really is balances beautifully with Maya's story of loss and redemption. This is a memorable portrait of two young women trying to make sense of their lives and coming face to face with themselves—for both the last and the very first time.

**The Publishers Weekly**, 2009

Closer to Nowhere Ellen Hopkins, 2021-08-10 #1 New York Times bestselling author Ellen Hopkins's poignant middle grade novel in verse about coming to terms with indelible truths of family and belonging--now in paperback! For the most part, Hannah's life is just how she wants it. She has two supportive parents, she's popular at school, and she's been killing it at gymnastics. But when her cousin Cal moves in with her family, everything changes. Cal tells half-truths and tall tales, pranks Hannah constantly, and seems to be the reason her parents are fighting more and more. Nothing is how it used to be. She knows that Cal went through a lot after his mom died and she is trying to be patient, but most days Hannah just wishes Cal never moved in. For his part, Cal is trying his hardest to fit in, but not everyone is as appreciative of his unique sense of humor and storytelling gifts as he is. Humor and stories might be his defense mechanism, but if Cal doesn't let his walls down soon, he might push away the very people who are trying their best to love him. Told in verse from the alternating perspectives of Hannah and Cal, this is a story of two cousins who are more alike than they realize and the family they both want to save.

**Tricks** Ellen Hopkins, 2009-08-25 Five troubled teenagers fall into prostitution as they search for freedom, safety, community, family, and love in this #1 New York Times bestselling novel from Ellen Hopkins. When all choice is taken from you, life becomes a game of survival. Five teenagers from different parts of the country. Three girls. Two guys. Four straight. One gay. Some rich. Some poor. Some from great families. Some with no one at all. All living their lives as best they can, but all searching...for freedom, safety, community, family, love. What they don't expect, though, is all that can happen when those powerful little words "I love you" are said for all the wrong reasons. Five moving stories remain separate at first, then interweave to tell a larger, powerful story—a story about making choices, taking leaps of faith, falling down, and growing up. A story about kids figuring out what sex and love are all about, at all costs, while asking themselves, "Can I ever feel okay about myself?" A brilliant achievement from New York Times bestselling author Ellen Hopkins—who has been called "the

bestselling living poet in the country” by Mediabistro.com—Tricks is a book that turns you on and repels you at the same time. Just like so much of life.

Kristina thinks she can control it. Now with a baby to care for, she is determined to be the one deciding when and how much, the one calling the shots. But the monster is strong, and before she knows it, Kristina is back in its grip . . . and it won't let go. Fallout Nineteen years after Kristina met the monster-crank-her three children are reeling from the consequences of her decisions. But when the thread that ties them together brings them face-to-face, they'll discover something powerful in each other and in themselves-the trust, the hope, the courage to begin to break the cycle.

*What About Will* Ellen Hopkins,2021-09-14 From #1 New York Times bestselling author Ellen Hopkins comes a new heartbreakingly tender middle grade novel in verse about the bonds between two brothers and the love they share. Twelve-year-old Trace Reynolds has always looked up to his brother, mostly because Will, who's five years older, has never looked down on him. It was Will who taught Trace to ride a bike, would watch sports on TV with him, and cheer him on at Little League. But when Will was knocked out cold during a football game, resulting in a brain injury--everything changed. Now, seventeen months later, their family is still living under the weight of the incident, that left Will with a facial tic, depression, and an anger he cannot always control, culminating in their parents' divorce. Afraid of further fracturing his family, Trace begins to cover for Will who, struggling with addiction to pain medication, becomes someone Trace doesn't recognize. But when the brother he loves so much becomes more and more withdrawn, and escalates to stealing money and ditching school, Trace realizes some secrets cannot be kept if we ever hope to heal.

Sync Ellen Hopkins,2024-08-27 From #1 NYT bestselling author Ellen Hopkins comes a new heartbreaking young adult novel in verse about twins separated in the foster care system and the different paths their lives take. Seventeen-year-old twins Storm and Lake have always been in perfect sync. They faced the worst a parent could do and survived it together. In the wake of their mother's rejection, they've spent the last five years moving from foster home to foster home—sometimes placed together, sometimes apart. After being separated from his sister once again, Storm is devastated. He's the older

brother and promised to always take care of Lake. But after a stint in juvie, his newest placement has him feeling almost hopeful. His foster dad is kind, and his girlfriend, Jaidyn, is the first person other than Lake he feels he can trust. But when Jaidyn is sexually assaulted by a violent ex, it pushes Storm over the edge. He retaliates and lands back in lockup—and he fears this time it will be for good. He wishes he could talk to Lake, but he doesn't know where she is, and he's now feeling more alone and out of sync than ever before. Lake, like Storm, has found her own happiness in a relationship with someone new—her fellow foster, Parker. Life with Parker is never boring, but Parker has her own scars. She can be withdrawn and unpredictable, and that can be dangerous, especially after Parker convinces Lake to run away from their Bible-thumping fosters after they are caught in a compromising position. With no money, shelter, or ID, they're living on the streets. Lake thinks of Storm and his promise to take care of her, and wonders where he could be now. Told in dual perspectives through unsent letters, at turns heartbreaking and always honest, this latest novel in verse from #1 New York Times bestselling author Ellen Hopkins is a searing and unforgettable account of two teens caught in the teeth of the foster care system, fighting their way out and back to each other.
