Beneath the rancher's honorable exterior is something that just might keep her safe...or unwittingly put her in danger's path. With his dreams of leaving this small Texas town swallowed up by hard, dusty reality, all Wilkes has to show for his life is the Devil's Fork Ranch. Though not one to let false hope seduce him, he can't deny the quiet and cautious beauty who slips into his world and changes everything. Lauren Brigman finally has freedom at her fingertips. All she needs is Lucas Reyes's attention—a look, a touch, some sign that she's more to him than a girl he rescued one dangerous night. Lone Heart Pass Jodi Thomas, 2016-04-26 Where family bonds are made and broken, and where young love sparks as old flames grow dim, Ransom Canyon is ready to welcome--and shelter--those who need it With a career and a relationship in ruins, Jubilee Hamilton is left reeling from a fast fall to the bottom. The run-down Texas farm she's inherited is a far cry from the second chance she hoped for, but it and the abrasive foreman she's forced to hire are all she's got. Every time Charley Collins has let a woman get close, he's been burned. So Lone Heart ranch and the contrary woman who owns it are merely a means to an end, until Jubilee tempts him to take another risk--to stop resisting the attraction drawing them together despite all his hard-learned logic. Desperation is all young Thatcher Jones knows. And when he finds himself mixed up in a murder investigation, his only protection is the shelter of a man and woman who--just like him--need someone to trust.

Ransom Canyon J. Thomas, 2015-09-01 From New York Times bestselling author Jodi Thomas comes the first book in a compelling, emotionally resonant series set in a remote west Texas town — where family can be made by blood or by choice. Rancher Staten Kirkland, the last descendant of Ransom Canyon's founding father, is rugged and practical to the last. No one knows that when his troubling memories threaten to overwhelm him, he runs to lovely, reclusive Quinn O'Grady...or that she has her own secret that no one living knows. Young Lucas Reyes has his eye on the prize — college, and the chance to become something more than a ranch hand's son. But one night, one wrong decision, will set his life on a course even he hadn't imagined. Yancy Grey is running hard from his troubled past. He doesn't plan to stick around Ransom Canyon, just long enough to learn the town's weaknesses and how to use them for personal gain. Only Yancy, a common criminal since he was old enough to reach a car's pedals, isn't prepared for what he encounters. In this dramatic new series, the lives, loves and ambitions of four families will converge, set against a landscape that can be as unforgiving as it is beautiful, where passion, property and pride are worth fighting — and even dying — for.

A small-town Texas Christmas story, where hearts are lost, love is found, and family always brings you back home. Griffin Holloway is desperate: the Maverick Ranch has been in his family for generations, but lately, it's a money pit. He'd sooner marry one of his horses than sell the ranch. Marriage, though, could be a solution. If he can woo a wealthy bride, he might save the ranch—just in time for Christmas. Jaxon O'Grady likes his solitude just fine, thank you very much. But

when a car accident brings the unexpected to his door, he realizes just how much one person can need another. Silverleaf Rapids Jodi Thomas, 2025-05-27 The captivating prequel to Ransom Canyon, now a Netflix series starring Minka Kelly and Josh Duhamel! Virgin River meets Yellowstone against the breathtaking, rugged backdrop of West Texas in this compelling, emotional origin story behind New York Times bestselling author Jodi Thomas's Ransom Canyon saga—filled with love, challenges, and a timeless passion for the land and its people. Deep in the heart of Texas, five generations of Kirklands built the sprawling Double K Ranch, battling fire and frost, outlaws and disease. It's said the dirt flows through their veins as sure as Silverleaf Rapids flows through Ransom Canyon. But the canyon also had a way of becoming part of just about anyone who landed there . . . 19-year-old Staten Kirkland was studying at Texas Tech when he got the news that the grandfather who raised him, J.R. Kirkland, was fighting for his life. Now Staten would have to leave college behind, not to mention the girl he loved. And he'd have to grow up overnight. More than that, he'd have to become a boss—the boss—running thousands of acres of ranch. He'd always hated change. But change was barreling toward him . . . Rootless and stuck in the dull routine that was her life, college professor Charlotte Lane escaped into fiction. But now she was restless for a change—in the form of being the new high school teacher at the small town bordering Ransom Canyon. Still, at this point in her life, what if she couldn't change—or even remember how? Maybe she'd find others to show her the way . . . The youngest of six, Peggy Warner came last in every way, not even worth sending to college. Now 27, she's never left home and lives in service to her aging parents and her married siblings' growing families. But she still has dreams—and under the big sky overlooking Ransom Canyon they may come true . . .
