## Kate Elliott

Crown of Stars Kate Elliott, 2015-11-24 Set in an alternate Europe where bloody conflicts rage, the final book of the Crown of Stars epic fantasy series concludes the world-shaking conflict for the survival of humanity. In the wake of the cataclysm that has reshaped the very lands, Sanglant is struggling to legitimize his own rulership and Liath's status as his wife and consort, even as others are leaguings against him.... The Aoi are carrying out random attacks on the humans and implicating Sanglant as their leader.... While Liath, searching for forbidden magics, is unexpectedly beset by enemies she may not be able to withstand.... Stronghand is on a march of conquest that will inevitably lead into the heart of Sanglant's realm.... Adelheid has made an unholy alliance with the treacherous Antonia, who, with the deadly galla at her command, is prepared to strike at Liath, Sanglant, or anyone who threatens her plans.... Sabella and Duke Conrad have also marshaled their forces and are moving to seize the crown from Sanglant.... And Alain must take his own stand against the Lady of Battles if he is to have any hope of redeeming this war- and magic-torn world....

**The Burning Stone** Kate Elliott, 2000-08-01 Set in an alternate Europe where bloody conflicts rage, the third book of the Crown of Stars epic fantasy series continues the world-shaking conflict for the survival of humanity. It is a crucial time in the war-torn kingdoms of Wendar and Varre, a moment when even one wrong decision can tilt the balance of events into total disaster. For Sanglant—King Henry's son—and Liath—the woman he loves—the offer of both a haven from their enemies and the chance for Liath to study the ancient lore with those who claim her as their own, seems like the answer they have been seeking. But no place can truly be safe for them. Both their lives and their love will be at risk when they are forced to choose which pathway each will follow—lured by the equally strong demands of politics, forbidden knowledge, and family. Liath, born with a dangerous power beyond her control, is torn between her longing for Sanglant and the child they are about to have and the call of sorcery, which can open the way into the land of the Aoi, the Lost Ones. And even as Liath struggles with magic's seductive spell, Sanglant's Aoi mother returns to the mortal world, seeking the son she abandoned as a babe. As the fates of kingdoms shift with the changing fortunes of those caught up in the dangers of both civil war and continuing attacks by the nonhuman Eika and the Quman invaders, time is running out for Liath, Sanglant, King Henry, and the people of Wendar and Varre. For the time of cataclysm is fast approaching—and no one can foretell who will survive—or rule—when it is over....

*Prince of Dogs* Kate Elliott, 2018-07-31 Set in an alternate Europe where bloody conflicts rage, the second book of the Crown of Stars epic fantasy series chronicles a world-shaking conflict for the survival of humanity Sanglant—the Prince of Dogs, King Henry’s bastard son; though believed dead by all who could succor him, he is being held captive in the city of Gent by Bloodheart, the Eika warlord. Cursed by his mother’s blood with an inability to die, he struggles to maintain the last shreds of his sanity in the hope rescue may yet come.... Liath—now a King’s Eagle, and still grieving over Sanglant, she strives to unlock the secrets of the past while seeking to evade the traps set for her by an obsessively ambitious man. But even a post in King Henry’s court offers her little protection from those determined to claim the forbidden knowledge she has hidden.... Alain—raised in humble surroundings but now proclaimed a Count’s heir, he is increasingly troubled by visions of the enemy he befriended and the Lady of Battles who he’s sworn to serve. A man who desires nothing more than peace, he is about to be thrust into the heart of war with the Eika.... Fifth Son—least favored child of Bloodheart, he has returned to the lands of his own people to build an army to do his father’s bidding. If he survives this mission, he will become a force to be reckoned with.... And even as King Henry continues his progress through his troubled realm, defeating rebellious lords and gathering their promises of troops to use at Gent, Sanglant, Liath, Alain, and Fifth Son are fighting their own battles against almost overwhelming odds. Only time will tell who will prove triumphant as all are caught up in the dangers and turmoil of a world at war.

*In the Ruins* Kate Elliott, 2018-07-31 Set in an alternate Europe where bloody conflicts rage, the sixth book of the Crown of Stars epic fantasy series continues the world-shaking conflict for the survival of humanity The lost land of the Aoi has returned at last to the earth from which it was cast forth millennia ago. And as tsunamis, earthquakes, and firestorms reshape the very land and seas, darkness descends everywhere. With the war for empire disrupted, all sides must regroup. And though the battle for survival must be the primary focus of all concerned, there are always those eager to seize power, no matter at what cost. Though King Henry demanded with his last breath that Prince Sanglant accept his crown, many may refuse to honor the dying king’s wish. Liath, Sanglant’s wife, has been excommunicated and unless he agrees to put her aside, his own aunt, Mother Scholastica, is threatening to interdict Sanglant and all who follow him. And though he and Liath long to search for their missing daughter, Blessing, the demands of statecraft hold them hostage to Sanglant’s newly constituted court. Henry’s wife, Adelheid, is determined to regain control of their empire. But she has let Antonia proclaim herself the new skopos, the Holy Mother who rules over all of the church. And Antonia has already proved herself an extremely dangerous ally. The Aoi are divided between those who seek only to rebuild and warriors determined to claim revenge against the humans. Stronghand, too, is consolidating his gains for his combined Eika/Alban empire, bent on further conquests, drawn in part by the bond he still shares with Alain. And even as Liath seeks out the forbidden magic that could bring back the light of day, new alliances are forming and old ones being abandoned. Only time will tell who—if anyone—will

emerge triumphant as cultures, religions, and races clash in the ultimate struggle for control of this strange new world....

The Gathering Storm Kate Elliott, 2004 Liath, burdened with the knowledge that a cataclysmic event is approaching, finds her way back to Sanglant after four years, while Alain's life is in the hands of the Eika leader Stronghand, who saves him from a terrible fate. Reprint.

**Child of Flame** Kate Elliott, 2000 Alain becomes caught in the middle of an ancient conflict between humankind and the Cursed Ones, while Liath is kidnapped by strange alien creatures and forced into a difficult trial in a land of exile.

**The Gathering Storm** Kate Elliott, 2004-02-03 Set in an alternate Europe where bloody conflicts rage, the fifth book of the Crown of Stars epic fantasy series continues the world-shaking conflict for the survival of humanity The long-dreaded cataclysm is about to descend on the world as the lost land of the Aoi returns to the Earth from which it was cast forth millennia ago. And though Liath has at last found her way back to Earth, she knows disaster will soon follow her. Yet just how little time remains to avert humanity's destruction she discovers to her horror only when she learns that her brief stay in the bespelled land has actually kept her from her family and allies for nearly four years. In that time, Sanglant has mobilized an army and journeyed to the land of the griffins, intent on forging an alliance to stand against the forces which are determined to rework the spell that originally exiled the Aoi and their lands from the world. Alain, caught up by Liath as she makes her way back to her own world and time, has been returned to the present bereft of all that matters to him. And though for a while he finds refuge in a monastery, he is soon condemned to a terrible fate. His only hope of rescue lies with the Eika leader Stronghand, who has begun a campaign of conquest into the human lands. And even as these diverse forces struggle to avert total ruin, the mathematici, led by Anne and Hugh, strive to re-create the original spell which exiled the ancient Aoi, neither knowing nor caring that their magical workings could tear their world apart....

The Very Best of Kate Elliott Kate Elliott, 2015-02-10 "An absorbing read, for anyone who enjoys sci fi, fantasy, blending of the two, excellent characters, Elliot's previous work, or dang good storytelling. Or all of the above." —Nerds in Babeland "This is a great collection, a fun collection, an important collection, a highly recommended collection. The Very Best of Kate Elliott is the very best that genre fiction can offer." —Book Smugglers Kickass heroines and riveting storytelling are the calling cards of groundbreaking author Kate Elliott (Crown of Stars, Crossroads, Court of Fives). Her long-awaited first collection showcases twenty years of her finest stories. Captured here are many of Elliott's previously out-of-print tales, four previously unpublished essays, and a brand new Crossroads offering, "On the Dying Winds of the Old Year and the Birthing Winds of the New." Elliott's bold adventures, complex quests, noble sacrifices, and hard-won victories shine in classic, compact legends. In "The Memory of Peace," a girl's powerful emotions rouse the magic of a city devastated by war. Meeting in "The Queen's Garden," two princesses unite to protect their kingdom from the blind ambition of their corrupted father. While "Riding the Shore of the River of Death" a chieftain's daughter finds an unlikely ally on her path to self-determination.

King's Dragon Kate Elliott, 2018-07-31 Set in an alternate Europe where bloody conflicts rage, the first book of the Crown of Stars epic fantasy series chronicles a world-shaking conflict for the survival of humanity. It begins with civil war.... For though King Henry still holds the crown of Wendar, his reign has long been contested by his sister Sabella. There are many eager to flock to her banner, and there are ways to make even the most unwilling lord into a weapon pointed at the heart of Henry's realm. Torn by internal strife, Wendar also faces deadly raids from the north by an inhuman race, the Eika. And now terrifying portents are being seen; old ruins restored to life under the light of the full moon and peopled by the long-vanished Lost Ones; dark spirits walking the land in broad daylight. And suddenly two innocents are about to be thrust into the middle of the conflict. Liath, who has spent her early years fleeing from unknown enemies, is a young woman with the power to change the course of history if she can only learn to master her fear and seize what is rightfully hers. While Alain, a young man who may find his future in a vision granted by the Lady of Battles, must first unravel the mystery of who he is—whether the bastard son of a noble father, the half-breed child of an elfin lord, the unwanted get of a whore, or the heir to a proud and ancient lineage. For only when he discovers the truth can he accept the destiny for which he was born. Liath and Alain, each trapped in a personal struggle for survival, both helplessly being drawn into a far greater battle, a war in which sorcery not swords will determine the final outcome, and the land itself may be irrevocably reshaped by the forces unleashed....

**Crown of Stars 6** Kate Elliott, 2005-09

**Bright Thrones** Kate Elliott, 2025-04-08 From World Fantasy Award finalist Kate Elliott comes a thrilling companion novella that links *Poisoned Blade* and *Buried Heart*, the final two books in the enthralling Court of Fives series. Bettany has always been an outsider in her family: the angry one, the wild one, the daughter who refused to accept the dominance of her Patron father's people over her Commoner mother. When her family is torn apart by a vengeful lord, Bettany makes a dangerous choice to accompany their household servants being transported to the mines, hoping she can keep them from suffering a fate worse than death. Their only chance lies with a stuffy foreign doctor who may be able to help them escape, but can Bettany trust him? Her instincts tell her there is much more to this man than meets the eye. Read the untold story of what happened to Jessamy's missing twin sister in this beautifully written companion novella to the New York Times bestselling Court of Fives!

Court of Fives Kate Elliott, 2024-09-24 In this imaginative escape into enthralling new lands, World Fantasy Award finalist Kate Elliott's first bestselling young adult novel weaves an epic story of a girl struggling to do what she loves in a society suffocated by rules of class and privilege. Jessamy's life is a balance between acting like an upper-class Patron and dreaming of the freedom of the Commoners. But away from her family she can be whoever she wants when she sneaks out to train for The Fives, an intricate, multilevel athletic competition that offers a chance for glory to the kingdom's best contenders. Then Jes meets Kalliarkos, and an unlikely friendship between two Fives competitors—one of mixed race and the other a Patron

boy--causes heads to turn. When Kal's powerful, scheming uncle tears Jes's family apart, she'll have to test her new friend's loyalty and risk the vengeance of a royal clan to save her mother and sisters from certain death.

**Prince of Dogs** Kate Elliott, 1998-06

**An Earthly Crown** Kate Elliott, 2013-07-30 **DIVDIV** In the second book of Kate Elliott's *Novels of the Jaran*, Tess Soerensen is pulled between two powerful men—her brother and her husband—and their competing revolutions/**divDIV**/**divDIV** On the planet Rhui, the nomadic tribes of the jaran are uniting the settled cities of their homeland one by one. Their charismatic leader, Ilya Bakhtiian, has his loyal wife by his side, but there is something about her he doesn't know: Tess Soerensen is a human. And not just any human—back home, her brother, Charles, led an unsuccessful revolt against the all-powerful Chapalii empire. Even though Charles was later made a duke in the Chapalii system, his revolutionary bent has not faded, and he is traveling to Rhui to locate Tess and uncover precious information about a past insurgency. Charles's insistence that Tess join him is as strong as Ilya's reluctance to part with his beloved wife—and neither considers that Tess may have her own plans for the future. As three fiercely independent spirits struggle for a solution, the fates of both the human race and the jaran hang in the balance./**divDIV** /**div** **An Earthly Crown** is the second volume of the *Novels of the Jaran*, which also include *Jaran*, *His Conquering Sword*, and *The Law of Becoming*. /**div**

**Jaran** Kate Elliott, 2013-07-30 A woman seeks her destiny among a clan of nomadic warriors trapped in interstellar intrigue: "Absorbing . . . There should be more SF like this" (Jo Walton). In the past, humans were the dominant star-traveling species in the universe—until the Chapalil came, conquered, and absorbed the Earth into their intergalactic empire. One of the only humans ever granted nobility by the Chapalil, Charles Soerenson once led a failed rebellion against the alien overlords. Now his sister, Terese, has abandoned her homeworld, impelled by a broken heart to seek a new life among the worlds her brother rules. On Rhui, a planet off-limits to interstellar voyagers, Tess inadvertently stumbles upon a dangerous Chapalil conspiracy—and only the timely arrival of the Jaran saves her from near-certain death in the wilderness. A tribe of nomadic humans roaming the plains of Rhui, the Jaran have long forgotten their ancient Earth history and heritage. Intrigued by their world and their ways, Tess shares an immediate emotional connection with Ilya, the Jaran's brilliant, charismatic leader, a man of extraordinary passion and vision. But despite her growing loyalties to this proud chieftain and his people, Tess must take care. For Ilya's ambitions threaten to trigger violent planetary upheaval. And the Jaran have been chosen to play an unwitting role in a plot that could have powerful repercussions far beyond the nomads' volatile world. The first book in Kate Elliott's acclaimed *Novels of the Jaran*, this masterful science fiction classic combines rich characterization and world-building with adventure, intrigue, and romance. It is both a magnificent introduction to a compelling universe and a stellar standalone reading experience. *Jaran* is the first volume of the *Novels of the Jaran*, which continue with *An Earthly Crown*, *His Conquering Sword*, and *The Law of Becoming*.

A Passage of Stars Kate Elliott, 2013-07-30 The bestselling author of *Court of Fives* sets off the Highroad trilogy with “a fast-paced space opera with a likable, courageous female protagonist” (Library Journal). Willful as well as physically brave, Lily Ransome is dissatisfied by the options available to her on Unruli: She can either join her family’s lucrative mining business or begin procreating. When Heredes, her beloved martial arts instructor, tutor, and father figure, is kidnapped by alien bounty hunters, Lily spurns the expectations of her home planet and ventures into space to find him. Befriending a persecuted minority class of humans called the Ridani, she becomes involved in an intergalactic rebellion and finds love in an unexpected place—as well as true strength within herself. *A Passage of Stars* is the first book of the Highroad trilogy, which continues with *Revolution’s Shore* and *The Price of Ransom*.

*Kingdoms of the Cursed* Greg Keyes, 2019-06-04 Three young friends must navigate dangerous magical worlds—and their own inner selves—in this sweeping fantasy from Greg Keyes, the sequel to *The Reign of the Departed*. Errol Greyson is awake and back in his own body, thanks to his friends Aster the witch and Veronica the half-dead girl. Unfortunately, due to the attempted suicide that led to his months-long coma and temporary reincarnation in Aster’s wooden automaton in the first place, he’s also in a mental hospital. But when the last person Errol expects breaks him out and forces him back to the magical Kingdoms, he has no other option but to attempt to undo a deadly curse threatening reality itself, in hopes of returning the realm to equilibrium. It’s dangerous business, especially in Errol’s merely-human form, weakened from months in bed. Fearing for their friend’s life, Aster and Veronica follow, but are quickly separated. Aster is captured by an ancient evil—the source of the curse—while Veronica confronts a mysterious admirer, her own evolving nature, and the dark spirit that murdered her years earlier. As vast armies collide and dragons take wing, the friends must find each other—and themselves—again.

Realms of the Deathless Greg Keyes, 2022-09-27 Greg Keyes has always been . . . a skilled storyteller.”—Terry Brooks, New York Times bestselling author *The Curse* shaped Aster’s life from birth. At first, she believed her father was its only victim, and determined to save him from it. In doing so she learned that the Curse had stricken everyone in the magical realms known as the Kingdoms – and that, in an attempt to protect her, her father had himself created it. Now he is dead, a victim of his own sorcery. But the Curse has not ended with him. Her father’s actions, his dread spell, were only the shadows cast by a much deeper, older conflict, which is now unwinding the universe itself. As the sun fades and the stars wink out, Aster must follow a clue from her dead father to the highest, furthest domain – beyond the fairy-tale kingdoms, through fantastic and terrifying realms of gods and demons, to the very source of reality, the beginning and ending of everything. There she might finally set things right. Her path is narrow, and the sacrifices necessary for even a tiny chance at success are unacceptable. For the Curse has also released a rot at the very heart of the High and Faraway, an evil more ancient than time itself. It is against this unwavering malevolence that Aster, Errol, Billy, Dusk and Delia must pit themselves. They must

do so without their friend Veronica, a girl murdered decades before and brought back to life by Aster's magic. For as Veronica discovers her own vast power, she stares into the face of the enemy and sees in it her true self . . .

*The Law of Becoming* Kate Elliott, 2013-07-30 DIVDIV In this electrifying finale to Kate Elliott's Novels of the Jaran, the fight against the alien Chapalii empire comes to an exhilarating end. /divDIV Charles Soerensen is the human who dared to take on the powerful Chapalii empire. When his plot for a revolt failed, instead of being punished he received a high-ranking title and authority over a whole system of planets—but this did nothing to change his revolutionary inclinations. In this final book, the story of Tess, Ilya, and Charles comes to its stunning conclusion as new generations get involved in the intrigue, Earth's exiled jaran people resurface, and the Chapalii overlords make one last, unexpected move. /div The Law of Becoming is the final volume of the Novels of the Jaran, which begin with Jaran, An Earthly Crown, and His Conquering Sword. /div

**The Keeper's Six** Kate Elliott, 2023-01-17 You never stop worrying about your kids, even when they're adults. Kate Elliott's action-packed *The Keeper's Six* features a world-hopping, bad-ass, spell-slinging mother who sets out to rescue her kidnapped adult son from a dragon lord with everything to lose. It's been a year since Esther set foot in the Beyond, the alien landscape stretching between worlds, crossing boundaries of space and time. She and her magical traveling party—her Hex—haven't spoken since the Concilium banned them from the Beyond for a decade. But when she wakes in the middle of the night to her grown son's cry for help, the members of her Hex are the only ones she can trust to help her bring him back from wherever he has been taken. Esther will have to risk everything to find him. Undercover and hidden from the Concilium, she and her Hex will be tested by false dragon lords, a darkness so dense it can suffocate, and the bones of an old crime come back to haunt her. There are terrors that dwell in the space between worlds. Also Available by Kate Elliott: *The Crossroads Series* 1. Spirit Gate 2. Shadow Gate 3. Traitors' Gate Unconquerable Sun Servant Mage Furious Heaven At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
