*The Sabbath Way* Travis West, 2025-06-03 Experience the transformational power of the sacred, ancient, radical rhythm of Sabbath rest. In the fast-paced, chaotic, overly scheduled cadence of our culture, it can be difficult to imagine how to squeeze the Sabbath into our already over-stuffed lives—like trying to fit an eleventh passenger into an eight-passenger van. What if Sabbath isn't designed to "fit" into our lives, but rather to take over our lives—in the best way imaginable? Hebrew scholar and Old Testament professor Travis West believes that we've misunderstood what it means to truly Sabbath. In his book, *The Sabbath Way*, Travis takes readers on a spiritual journey to discovering radical rest is more than a weekly practice of taking a day off—it's also a posture, a way of living every day. It means much more than sleeping in, taking naps, or chilling poolside for an afternoon; instead, the radical rest of Sabbath means putting rest—and delight, gratitude, and flourishing—first rather than last. Using personal story and expert knowledge, Travis shows Christians how to make Sabbath rest the metronome that establishes and maintains our life's rhythms, apprenticing us to abundance our whole life long.

Readers of this book will discover how the Sabbath: slows us down and helps us discover the things that make us feel most alive, freeing us from rigidity and legalism disrupts our cultural obsession with productivity and achievement and cultivates a more life-giving connection between our work and our worth inspires an unhurried, sacramental worldview that sees all of life as a gift safeguards neighborliness, creation care, awareness of God's presence, justice, belonging and inclusiveness—enabling us to grow into the people God is calling us to be in our lives, our homes, our workplaces, our communities, and our world The Spirit of God longs for you to be fully alive, and the world needs your unique vitality. The Sabbath is calling. Will you come?

**East Meets West** Kim Parker MSW LCSW, 2016-09-07 Parenting can be the toughest journey a person ever makes. The author transparently addresses the difficult parts of this role while pointing us to some practical ways of thinking and relating with children to lighten the responsibility. This book is as fascinating as Amy Chua's Battle Hymn of the Tiger Mother memoir, as relatable as Jen Hatmakers' Christian foibles, as uplifting as Iyanla Vanzant's inspirational messages, and backed by solid research of the likes of Brene Brown. By deftly combining four of America's favorite genres into one enjoyable read, the author does not force us to compare and choose one world view over another, but honors all. Kim understands the unique challenges and opportunities that arise when you're parenting in a culture different than the one in which you were raised. Her words are wise and just what you need to figure out what is best for your family! Jill Savage, author of Better Together: Because You're Not Meant to Mom Alone This is an insightful book, full of sound and practical advice. I highly recommend it. Dr. Helen Mendes Love, MSW, author of Reflections on the Upsides of Aging Kim gives invaluable insight on the intricacies of parenting in a more globalized and culturally-relevant world, while respecting tradition and heritage. Sam Louie, M.A., LMHC, author of Asian Shame and Addiction: Suffering in Silence Humorous, yet educational, this book is a must read for any parent.
