**El demonio de la soledad en la novela "El general en su laberinto" de Gabriel García Márquez** Markus

Mross,2012-03-02 Seminar paper del año 1999 en el tema Romanística - Estudios españoles, Nota: 0, Universität Hamburg, Idioma: Español, Resumen: La denominación „demonio“ es derivada del griego antiguo. La palabra griega antigua „daimon“/„daimonion“ describe un ser divino subordinado que ocupa los grados medios y bajos en contraposición a dioses de alto rango en la jerarquía divina. Según la religión griega antigua los „daimones“ fueron malos fantasmas que tomaban posesión del hombre y que provocaban enfermedades mentales y otras enfermedades. Un tal hombre estaba obsesionado con el „daimon“ y sólo era curado si un exorcista lograba expulsar al demonio que había tomado posesión de él. La palabra griega antigua „exorkismus“ describe la expulsión por la cual el demonio era forzado jurar reconocer un poder más alto. Una variedad de estados patológicos era considerada la obra de malos fantasmas. Según la religión griega antigua era posible por el exorcismo de un demonio curar enfermedades como la epilepsia, el histerismo, la perturbación mental, el sonambulismo (caminar en sueños) y el delirio acompañado por la fiebre alta. La asociación del fatalismo, la fe en el destino, con la fe en demonios sirve para explicar un crimen grave e inconcebible. Mucho antes de que un hombre tome la decisión de cometer un crimen los demonios ya saben lo que va a pasar por anticipación porque este acontecimiento fatal ya ha sido determinado por el destino. Por eso el filósofo griego Plutarch estableció una relación entre demonios y oráculos. Se creía también que un crimen provocaba a demonios de venganza. Existía también la creencia que no podían encontrar la paz eterna las almas de los hombres que morían demasiado temprano, de los que morían a la fuerza y de los muertos que no fueran sepultados de una manera tradicional. Tales fantasmas o demonios descontentos estaban condenados a permanecer en la región terrestre. No podían entrar en los infiernos y eran sensibles a encantos de daño de toda clase. Según la religión griega antigua los

fantasmas o los demonios podían ser forzados por magos a adivinar el futuro en ritos necrománticos. La palabra „necromancia“ describe la adivinación del futuro mediante la examinación de cadáveres. El filósofo griego Sokrates consideró el „daimonion“ como una voz interna. [...]

Visión ,1970

**El país de las maravillas** Mempo Giardinelli,1998 Como somos los argentinos y por que somos como somos? El caracter de los argentinos es un inagotable enigma a develar. Siempre dispuestos a autoanalizarnos o a redefinirnos, dedicamos gran parte de nuestras conversaciones comentar el modo de ser de los argentinos como si se trata de una tipologia ajena, muy diferente de la nuestra. Sin embargo, pareciera que nada de esa preocupacion modifica las conductas que tanto nos aflijen. Por un lado la autocritica permanente y la intolerancia, y por otro, la autocomplacencia y la arrogancia. Cinismo?, contradiccion?

*Hacia d—nde nos lleva el alma* Clara Maria Torres Cruz,2016-08-29 Luna, después de sumergirse en un vacío existencial que aniquila su autoestima decide hurgar en su árbol genealógico para encontrarse así misma. Profundizando en el comportamiento humano, le da un giro a su existencia. Un padre comunista, una abuela religiosa, politicos aferrados al poder, policías corruptos, chulos, prostitutas y una serie de individuos que aunque con diferentes perfiles encajan en una sociedad carente de identidad. Donde solo aquellos que tienen el control sobre si mismo triunfan ante la masa critica que obedece.

**Contrapunto de la Realidad** Stephen John O'Connor,2015-11-02 Mi viaje personal explorando el camino paralelo que toma nuestro espíritu/alma, escondido detrás del caos de nuestras vidas. La Energía de la Luz nos susurra y nos empuja suavemente en las nuevas direcciones que realizan nuestro camino de vida, dándonos significado y concentración, y permitiéndonos seguir la ruta que hemos elegido antes de nuestros nacimientos. Relato historias personales sobre iniciaciones en órdenes esotéricas, el encuentro con mi guardián, la exploración de vidas pasadas y su influencia y dones, Ayahuasca y la iglesia del Santo Daime de Brasil, y mucho más.
