The Essential Mystery Lists Roger M Sobin,2011-09-30 For the first time in one place, Roger M. Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented. He has also included many of the “best of” lists by more than fifty of the most important contributors to the genre.; Mr. Sobin spent more than two decades gathering the data and lists in this volume, much of that time he used to recheck the accuracy of the material he had collected. Several of the “best of” lists appear here for the first time in book form. Several others have been unavailable for a number of years.; Of special note, are Anthony Boucher’s “Best Picks for the Year.” Boucher, one of the major mystery reviewers of all time, reviewed for The San Francisco Chronicle, Ellery Queen Mystery Magazine, and The New York Times. From these resources Mr. Sobin created “Boucher’s Best” and “Important Lists to Consider,” lists that provide insight into important writing in the field from 1942 through Boucher’s death in 1968.? This is a great resource for all mystery readers and collectors.; ; Winner of the 2008 Macavity Awards for Best Mystery Nonfiction.

Bestseller Robert McParland,2018-12-15 Whether curled up on a sofa with a good mystery, lounging by the pool with a steamy romance, or brooding over a classic novel, Americans love to read. Despite the distractions of modern living, nothing quite satisfies many individuals more than a really good book. And regardless of how one accesses that book—through a tablet, a smart phone, or a good, old-fashioned hardcover—those choices have been tallied for decades. In Bestseller: A Century of America’s Favorite Books, Robert McParland looks at the reading tastes of a nation—from the beginning of the twentieth century to the present day. Through extensive research, McParland provides context for the literature that appealed to the masses, from low-brow potboilers like Forever Amber to Pulitzer-Prize winners such as To Kill a Mockingbird. Decade by decade, McParland discusses the books that resonated with the American public and shows how current events and popular culture shaped the reading habits of millions. Profiles of authors with frequent appearances—from Ernest Hemingway to Danielle Steel—are included, along with standout titles that readers return to year after year. A snapshot of America and its love of reading through the decades, this volume informs and entertains while also providing a handy reference of the country’s most popular books. For those wanting to learn more about the history of American culture through its reading habits, Bestseller: A Century of America’s Favorite Books is a must-read.
