

Louis De Wohl S

F Rizvi

The Spear Louis De Wohl,1998 This panoramic novel of the last days of Christ ranges from the palaces of imperial Rome to the strife-torn hills of Judea-where the conflict of love and betrayal, revenge and redemption, reaches a mighty climax in the drama of the Crucifixion. For this is the full story of the world's most dramatic execution, as it affected one of its least-known participants-the man who hurled his spear into Christ on the Cross. Among his many successful historical novels, Louis de Wohl considered The Spear the magnum opus of his literary career.

How British Intelligence Plotted to Read Hitler's Mind James Parris,2021-06-01 In the darkest days of the Second World War, as Europe fell under Nazi domination and Britain faced invasion, Louis de Wohl, a 36-year-old refugee from Germany, made a curious offer to British Intelligence. Based on the widely held belief that Hitler's every action was guided by his horoscope, de Wohl claimed he could reveal precisely what advice the Führer's astrologers were giving him. Rather than dismissing de Wohl out of hand as a crank, senior intelligence officers and chiefs of staff of the three armed services took him at his word. De Wohl was made an army captain and quartered in the Grosvenor House Hotel, from where his one-man 'Psychological Research Bureau' passed astrological readings and assessments to the War Office, before his deployment to the United States by the highly secret Special Operations Executive on a propaganda mission. Was it possible that Military and Naval intelligence officers could take the ancient and arcane practice of astrology seriously? Was de Wohl genuine or merely a charlatan? Did his astrological readings contribute to the downfall of Hitler and Nazi Germany? In How British Intelligence Plotted to Read Hitler's Mind, the first fulllength study of Louis de Wohl, James Parris examines the evidence - including material from MI5, Military and Naval Intelligence files at the National Archives - and reaches remarkable conclusions about this bizarre aspect of the Second World War.

The Quiet Light Louis de Wohl,2018-12-01 The famous novelist Louis de Wohl presents a stimulating historical novel about the great St. Thomas Aquinas, set against the violent background of the Italy of the Crusades. He tells the intriguing story of St. Thomas who—by taking a vow of poverty and joining the Dominicans—defied his illustrious, prominent family's ambition for him to have great power in the Church. The battles and Crusades of the 13th century and the ruthlessness of the excommunicated Emperor Frederick II play a big part in the story, but it is Thomas of Aquino who dominates this book. De Wohl succeeds notably in portraying the exceptional quality of this man, a fusion of mighty intellect and childlike simplicity. A

pupil of St. Albert the Great, the humble Thomas—through an intense life of study, writing, prayer, preaching and contemplation—ironically rose to become the influential figure of his age, and he later was proclaimed by the Church as the Angelic Doctor. As in all of his novels about great saints of the church, Louis de Wohl weaves an intricate colorful tapestry of love, violence and piety to bring to life a tremendous historical figure and the fascinating period in which he lived. Louis de Wohl was a distinguished and internationally respected Catholic writer whose books on saints have been best-sellers worldwide. Other available titles include Lay Siege to Heaven, Set All Afire and Citadel of God. Sixteen of his books were made into films.

The Last Crusader Louis De Wohl, 2010-01-15 Don Juan of Austria, one of history's most triumphant and inspiring heroes, is reborn in this opulent novel by Louis de Wohl. Because of the circumstances of his birth, this last son of Emperor Charles the Fifth spent his childhood in a Spanish peasant's hut. Acknowledged by King Philip as his half-brother, the attractive youth quickly became a central figure in a Court where intrigues and romances abounded. Don Juan's intelligence, kindness and devout attachment to the Church enabled him to live unscathed in an environment of luxury, violence and treachery. De Wohl paints in brilliant color the vivid scenes and characters at the Court of King Philip, Juan's campaign against rebel Moriscos in Andalusia, and the amazing climactic victory at Lepanto where he saved the Christian world from Islamic dominance. Here is a novel of high adventure which brings to life the turbulence of the sixteenth century with its conflicts of wickedness and piety, its sins of pride and conquest, its seething heresies and its great faith.

The Quiet Light Louis De Wohl, 2010-11-17 The famous novelist de Wohl presents a stimulating historical novel about the great St. Thomas Aquinas, set against the violent background of the Italy of the Crusades. He tells the intriguing story of St. Thomas who defied his illustrious, prominent family's ambition for him to have great power in the Church by taking a vow of poverty and joining the Dominicans. The battles and Crusades of the 13th century and the ruthlessness of the excommunicated Emperor Frederick II play a big part of the story, but it is Thomas of Aquino who dominates this book. De Wohl succeeds notably in portraying the exceptional quality of this man, a fusion of mighty intellect and childlike simplicity. A pupil of St. Albert the Great, the humble Thomas, through an intense life of study, writing, prayer, preaching and contemplation, ironically rose to become the influential figure of his age, and later was proclaimed by the Church as the Angelic Doctor.

Historical Dictionary of Ian Fleming's World of Intelligence Nigel West, 2009-11-09 Twelve novels and nine short stories define one of the most extraordinary fictional characters of all time, creating the basis for the most successful movie series in cinematographic history, watched by more than half the world's population. The single person probably more responsible than any other for glamorizing the murky world of espionage is Ian Fleming, the creator of James Bond, who himself lived a remarkable double life of spy and writer. Everyone has an opinion on why 007 became so successful, but one possible

explanation is the ingenious formula of fact, fiction, and sheer fantasy. Certainly the author drew on friends and places he knew well to provide the backdrop for his drama, but what proportion of his output is authentic, and what comes directly from the author's imagination? These questions and more are examined in the Historical Dictionary of Ian Fleming's World of Intelligence: Fact and Fiction. This is done through a chronology, an introduction, a bibliography, and hundreds of cross-referenced dictionary entries on actual cases of espionage, real-life spies, MI5, SIS, CIA, KGB, and others. It also contains entries on Ian Fleming's novels and short stories, family and friends, his employers and colleagues, and other notable characters.

Aleister Crowley Tobias Churton, 2014-05-20 At last, the unexpurgated, true story of the amazing Aleister Crowley—philosopher, poet, artists, writer, magus, explorer, parapsychology—and spy. Packed with fresh research and previously unpublished 'Crowleyana.' For 100 years, Aleister Crowley's true achievements have been suppressed and his true character defaced in a campaign of vilification unparalleled in British history. Until now, Crowley's life has not been written—it has been written over. Tobias Churton is a world authority on Freemasonry, Rosicrucianism, and Gnosticism. In writing Aleister Crowley, he enjoyed complete access to all Crowley's restricted papers, unpublished letters and personal diaries kept in a trust at London's Warburg Institute and in the Ordo Templi Orientis archives. Ninety percent of the authentic material here has never before been published.

Saint Joan Louis de Wohl, 2016-10-21 This book combines a world-famous Catholic novelist, Louis de Wohl, with one of the most thrilling and dramatic saints' lives in history, St. Joan of Arc. De Wohl uses his famed narrative skill to tell young people about the brave teenage French girl who had visions and led armies in battle, but also about how her entire life testifies to the amazing power of God's grace. It's all here: how Joan, a humble maiden in an insignificant town, was told by St. Michael the Archangel, St. Catherine, and St. Margaret to lead the French in battle against the English; how she finally succeeded in convincing the French of the truth of her mission; how she met with fantastic success but was betrayed, captured, and imprisoned; and finally, how she suffered through a politically motivated trial for heresy and was burned at the stake. De Wohl is interested not solely in the external details of Joan's life, but in Joan's all-encompassing love for God, which informed all her courageous actions from beginning to end. You'll not only thrill to Joan's heroism; your heart will delight in her example of loving surrender to God's will. Every detail of her life will ring out to you as a joyful witness to the grace of God.

Citadel of God Louis de Wohl, 2016-10-21 The streets of Rome are crowded as Theoderich, the barbarian Gothic king, makes his triumphal entry into the conquered city. Suddenly a boy rushes into the street and attempts to stab the king with his stylus. Kicked aside by the king's guard, he is rescued and carried to safety by a young man. The boy is Peter, adopted son of the noble Roman philosopher, Boethius. His rescuer is Benedictus, a student, who becomes Peter's tutor, and tries to

curb the boy's reckless determination to succeed at all costs. So begins this vivid story which follows Benedictus through a disillusioning experience with a beautiful woman of Rome, his years as a hermit and his work in establishing religious communities that were truly citadels of God in the decadence of sixth-century Rome. Peter, meanwhile, has dedicated himself to overthrowing the Goths—partly to further his own ambition and partly to win the beautiful Rusticiana, who has promised to marry him if he succeeds. Sweeping from Rome to Ravenna, Byzantium and Monte Cassino, the story reaches its climax in a dramatic fulfillment of Benedictus's long-ago promise to Peter: We shall meet again when you need me. Here, as in all his novels about great saints of the Church, Louis de Wohl weaves an intricate colorful tapestry of violence, love and piety to tell with historical accuracy the story of St. Benedict and the tempestuous era in which he lived.

The Spear: A Novel Louis de Wohl, 2016-10-27 This panoramic novel of the last days of Christ ranges from the palaces of imperial Rome to the strife-torn hills of Judea—where the conflict of love and betrayal, revenge and redemption, reaches a mighty climax in the drama of the Crucifixion. For this is the full story of the world's most dramatic execution, as it affected one of its least-known participants—the man who hurled his spear into Christ on the Cross. Among his many successful historical novels, Louis de Wohl considered *The Spear* the magnum opus of his literary career. Exceptionally powerful...an excellent piece of work!—Chicago Sun-Times A brilliant and panoramic picture of the events and personalities surrounding the Crucifixion.—Catholic Messenger This novel tells from a new and fascinating angle the age-old story of the men and women who were sublimely affected by knowing the Messiah, Jesus Christ...It is a magnificent novel.—Boston Herald Told with the clarity and vitality one has come to expect from Louis de Wohl, and holds the reader's interest all the way through...Richly drawn, against a background of mighty drama.—Cincinnati Enquirer

Citadel of God Louis De Wohl, 1994-03 Another of the popular historical novels by the distinguished de Wohl, telling the dramatic story of St. Benedict, the father of Western monasticism, who played such a major role in the Christianization and civilization of post-Roman Europe in the sixth century. De Wohl weaves an intricate tapestry of love, violence and piety to recount with historical accuracy the story of St. Benedict and the tempestuous era in which he lived. Since there are no contemporary biographies of this major saint of history and the Church, de Wohl's inspired account is of significant importance on the subject of saint's lives for today's spiritual seekers. Having lived in an era of great immorality and vice, not unlike our world today, Benedict's story has a strong message for modern Christians who seek, as he did, to turn away from the wickedness of the world to find Christ in prayer, study and solitude.

Throne of the World Louis De Wohl, 1949 This is the passionate story of a great conqueror and a great lover, who was defeated, in the end, at the head of the greatest army the world had ever seen. Defeated by a single old man, unarmed. It is the story of the first great threat of the East against the West. *Throne of the World* is a dramatic novel of the triumph of religion over force, a thoroughly modern treatment of the high intrigue, romance, and ruthless adventure in the time of Attila

and his hordes as they swept down into Italy from the roof of the world. It is a full-color picture of fifth-century Europe, with its barbarians, its incredibly courageous Christians, its world-weary Roman aristocrats, its political and amorous plots and counter-plots.

The Restless Flame Louis De Wohl,1997-08-01 Here is a novel that glistens with the imaginative and vivid drama that epitomized St. Augustine's tumultuous life, presented with a master story-teller's characteristic flair for graphic description, sensitive portraiture, and fascinating historical lore.

The New York Times Book Review ,1970

The Restless Flame Louis De Wohl,2010-08-11 This is a stirring novel which deals reverently but realistically with the fascinating life and era of St. Augustine, one of the most remarkable men of all time. In his vigorous and inimitable style, Louis de Wohl tells the story of St. Augustine's transformation from a vain, sensual youth to the brilliant, devout writer and theologian - the man who conquered himself as completely as he did the adversaries of the Church - whose literary and philosophical masterpieces were to dominate Western thought for a thousand years. He has carefully re-created the exciting historical background of the time - the turbulent atmosphere of the Roman Empire in the last days of decadence - skillfully weaving together the personalities whose lives closely affected Augustine: Monica, his saintly and heroic mother; majestic Ambrose, Bishop of Milan; and many others whom lend richness and depth to the life story of this great Doctor of the Church. Here is a novel that glistens with the imaginative and vivid drama that epitomized St. Augustine's tumultuous life, presented with a master story-teller's characteristic flair for graphic description, sensitive portraiture and fascinating historical lore.
