Webster's Easy Crossword Key Webster's, Webster's New World Staff, 1999-02 Webster's Crossword Answer Book is a complete, user-friendly reference containing all the information you need to solve the most difficult puzzles fast. With over 150,000 clues and answer words, this is a resource that covers the widest range of contemporary and historical information, such as place names, literary characters, geographical terms, and much more. Developed from actual puzzles, Webster's Crossword Book gives you real answers to real clues from some of the toughest puzzles you'll find. And finding the answers is quick and easy -- look up the clue, not just the keyword and there it is -- listed alphabetically. The treasure-trove of information also helps with clues that begin with numerals and answer blanks, or that contain quotations.

Webster's New World Easy Crossword Key James H. Capps, 1997-06-03 An exact map of thousands of actual crossword puzzle clues, this book gives answers, not lists of synonyms. It's the perfect help for newcomers to crossword puzzles, for people building word skills, or for anyone stumped by that one obscure clue in a puzzle. Over 179,000 clues and answer words are arranged in a simplified format that makes answers easy to find. Included are many off the beaten path entries and full clue phrases that can't be found in conventional crossword puzzle dictionaries. The author is a lifelong crossword puzzle fan, who has compiled the entries for this book over years of puzzle solving.

The 21st Century Crossword Puzzle Dictionary Kevin McCann, Mark Diehl, 2009 Finally, a crossword dictionary with all the words solvers need--and none of the ones they don't! When it comes to puzzle dictionaries, it's the quality of what's inside that counts. To make the dictionary even easier to use, the most popular answers stand out in easy-to-see red, while charts highlight frequently sought-after information such as Oscar winners and Popes' names. Crossword fans will keep this right next to their favorite puzzles!
