Lisa Barretta

Navigating Tattooed Women's Bodies Charlotte Dann, 2021-10-01 This book explores how we understand tattooed women's bodies in the UK - through the lens of gender and class. Conscious Ink: The Hidden Meaning of Tattoos Lisa Barretta, 2017-10-23 There is hidden, powerful wisdom in tattoos. Did you ever think of your tattoo as a charged body talisman or a portal into your spiritual self? Ancient cultures practicing shamanic tattooing laid the groundwork for our modern exploration of consciousness. Tattoos are both a revelation and a proclamation of your embodied archetypes, dreams, emotions, even a hint of past-life memories. *Conscious Ink* shows how this edgy skin art interfaces with our body's subtle energy field and reveals how tattoo imagery ties into the potent energy of inner alchemy that expands our self-awareness. Are you prepared to: Find out how/why intention is the moving force behind your tattoo's vibration? Do you bring on good luck or bad juju? Understand why the piercing of your skin and drawing of blood forms a symbolic link into the energy field of your tattooist? Explore how tattoos reveal past-life/current-life emotional memory? Discover how tattoos can shift the emotional energy stored in certain body areas? Mindful inking can be an amazing modality that awakens your spiritual self. Looking at tattoos beyond the lens of body art, *Conscious Ink* gives you a new perspective on tattoos and their undeniable roots in pure, magic and mysticism.

The Brides of March Beren DeMotier, 2007 The bride was covered in cracker crumbs, but didn't care. The Brides of March drove mini-vans, paid taxes, bought braces, and joined the PTA, never expecting the phone call in March, 2004, that would send them leaping through the suddenly opened window of same-sex marriage, with their kids along for the raucous ride. *The Brides of March* is a bride's eye view of same-sex marriage at a moment's notice, with a bevy of brides, their coterie of children, donuts, newspaper reporters, screaming protesters, mothers of the brides who never thought they'd see the day, white wedding cake, and a houseful of happy heterosexuals toasting the marriage. But that was only the beginning as these private declarations of love became public fodder, fueling social commentary, letters to the editor, and the fires of political debate, when all the brides wanted was the opportunity to say I do in this candid, poignant, and frequently funny tale of lesbian moms getting to the church on time in Multnomah County. DeMotier opens your eyes to the heart and soul of this

generation's civil rights battle. - Diane M. Linn, former Multnomah County Chair . a beautifully-written, quirky look at the pros and cons of same-sex marriage from the inside out, smart without being preachy, funny without being bitter, emotional without being maudlin. -Anne Mini, Ph.D.

She colors her hair pink, practices the tarot, and runs her bakery in town without any help from her family's financial fortune. She's content in her life, and she knows who she is...until she receives a cryptic text from a mysterious stranger. Bar-owner Brendan Murphy inadvertently became entwined with the Steel family when he dug up timeworn documents under his floorboards. When he and Ava—who, despite their age difference, he's been crushing on for a while—receive identical enigmatic messages, they're thrown together for more than just fun between the sheets. Ava revels in her new and unexpected relationship with Brendan, but deep down, she fears her family is keeping secrets—secrets that could make her question everything she thought she knew about them...and herself.

Making a Killing Cara Hunter,2025-05-20 From the New York Times bestselling author of the TikTok sensation *Murder in the Family* and the popular DI Adam Fawley series comes a brand-new gripping thriller in which a true-crime TV show turns up the heat on a controversial case from Fawley's past... When Nick Vincent, producer of true-crime show *Infamous*, hears about an explosive new angle on a high-profile case—the 2016 murder of an eight-year-old girl in Oxford—he leaps at the chance to send a researcher to verify the claims. Two months later, a dog walker discovers a woman's body, bound and buried in a shallow grave in the woods. Forensic evidence links the corpse to the disappearance of that same child. DCI Adam Fawley, the original investigating officer, is called in to run the enquiry. And he remembers the case well—he arrested the child's mother for murder. A murder he now knows she didn't commit. The investigation raises more questions than answers. What connects the two crimes? Where has the dead girl been all these years? How did she manage to disappear? For Adam Fawley, this is personal...
