Within Reason Sandro Galea,2023-12 The COVID-19 response was a collision of politics and public health-a volatile combination that produced predictably bad results. As public-health expertise became a tool for serving political ends, it did more than just prolong a crisis; it left the public-health establishment, like the country, mired in polarization. Though *The Merchant of Venice* offers some of the traditional pleasures of romantic comedy, it also exposes the operations of prejudice. Thus Shakespeare remains our contemporary
