Money Drunk/Money Sober Mark Bryan, Julia Cameron, 1999-02-09 In a society where it is often easier to discuss sex than money, many of us have hidden issues about personal finances. But when fending off bill collectors, begging for salary advances, or borrowing from relatives becomes a way of life, unresolved money problems can lead to enormous stress and destroy relationships, careers, and lives. Do you recognize yourself or someone you love in any of these descriptions? THE COMPULSIVE SPENDER Do you buy things and hide them? THE BIG DEAL CHASER Do you refuse to watch your money because one big deal is going to make everything all right? THE MAINTENANCE MONEY DRUNK Is the pay the only thing you like about your job? THE POVERTY ADDICT Do you feel morally superior to people with money? THE CASH CODEPENDENT Are you afraid to say no to your partner about money? Through their highly effective seminars, Mark Bryan and Julia Cameron have helped many people get out of debt and free themselves from the painful cycle of acting out with money. The Money Drunk offers new perspectives on the real roots of money problems, showing how to dismantle negative family and societal programming about money and how to undo the destructive patterns that sabotage your financial success. The program teaches new, more constructive habits to anyone who has ever had a problem with money.

The Money Drunk Mark A. Bryan, Julia Cameron, 1993 Explores the problem of addiction to money, describes the types of money drunk, and outlines a program to overcome the problem.

Financialization Of Daily Life Randy Martin, 2002-10-18 While trillions of dollars came and went in the stock market boom of the 1990s, the image of every man and woman a CEO may turn out to be the era's lasting legacy. Business news, once reserved to specialized papers or sections of the larger news of the day, came to the forefront in cable television and in cultural images of how ordinary people, through the internet and other avenues could not only master their financial life, but move money and equity around with the ease of a financial titan. Financialization of Daily Life looks at how this transformation occurred, and how it is just now becoming a significant, and troubling, aspect of our political and cultural life. Randy Martin takes us through all of the aspects of our financialization. He examines how the shift in economic life arose not only from changes in culture, but also from new policy priorities that emphasize controlling inflation over promoting growth. He offers a close reading of self-help literature that teaches parents how to rear financially literate children and to instruct adults in the fundamentals of fiscal management. He examines just what a society that treats financial investment as a national past time really looks like, and how that society is transforming the world. In a country rocked by scandals in accounting and banking, the identification ordinary citizens make with, and the risk with which they engage in, the stock

market calls into question the very basis of our economic system. Randy Martin spells out in clear terms the implications our financial doings—and undoing—have for the way we organize our lives, and, especially, our money.

Peace and Plenty Sarah Ban Breathnach, 2010-12-29 As featured on Oprah's podcast, SuperSoul Conversations When money is plentiful, this is a man's world. When money is scarce, it is a woman's world. Unearthed in a 1932 Ladies Home Journal, this quote is the call to arms that begins Peace and Plenty, Sarah Ban Breathnach's answer to the world's-- and her own personal-- financial crisis. As only Ban Breathnach can, she culls together this compendium of advice, deeply personal anecdotes, and excerpts from magazines, books, and newspapers-- particularly those of the Great Depression-- to inspire readers who are mired in today's financial difficulties. Focusing on her own personal path, Sarah Ban Breathnach will relate never-before revealed details about how she fell from the financial top to the bottom. Readers will immediately see how deeply she understands the plight of those trying to maintain a happy and comfortable home, while at the same time not even knowing if they will be able to make the mortgage to keep that home. Sarah has proved to be the voice of comfort for years to women who are spiritually bankrupt, and now she will reach to those who are financially strapped, showing them how to pull themselves out of their psychic and fiscal crises while providing deep comfort and reassurance throughout.
