English Verse: Lyrics of the XIXth century William James Linton,Richard Henry Stoddard,1883

The Complete Book of 1990s Broadway Musicals Dan Dietz,2016-09-29 Musicals of the 1990s felt the impact of key developments that forever changed the landscape of Broadway. While the onslaught of British imports slowed down, the so-called Disneyfication of Broadway began, a trend that continues today. Beauty and the Beast and The Lion King became long-running hits, followed by more family-friendly musicals. The decade was also distinguished by a new look at revivals—instead of slavishly reproducing old shows or updating them with campy values, Broadway saw a stream of fresh and sometimes provocative reinventions, including major productions of My Fair Lady, Damn Yankees, Carousel, Show Boat, and Chicago. In The Complete Book of 1990s Broadway Musicals, Dan Dietz examines in detail every musical that opened on Broadway during the 1990s. This book discusses the era's major hits (Miss Saigon, Crazy for You, Rent), notorious flops (Shogun, Nick & Nora, The Red Shoes), controversial shows (Passion, The Capeman), and musicals that closed during their pre-Broadway tryouts (Annie 2: Miss Hannigan's Revenge, Whistle Down the Wind). In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues with such performers as Sandra Bernhard, Michael Feinstein, Patti LuPone, Liza Minnelli, and Mandy Patinkin. Each entry contains the following information: Plot summaryCast membersNames of all important personnel, including writers, composers, directors, choreographers, producers, and musical directorsOpening and closing datesNumber of performancesCritical commentary Musical numbers

and the performers who introduced the songsProduction data, including information about tryoutsSource materialTony awards and nominations Details about London and other foreign productionsBesides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and published scripts, as well as lists of Gilbert and Sullivan operettas, black-themed shows, and Jewish-themed productions. A treasure trove of information, *The Complete Book of 1990s Broadway Musicals* provides a comprehensive view of each show. This significant resource will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.
