

Que Dieu Te Recompense En Arabe

Edouard Gasselin

Grammaire arabe (idiome d'Algérie) à l'usage de l'armée et des employés civils de l'Algérie Alexandre Bellemare, 1850

Le Cercle des lettres de l'alphabet Dā'irat al-aḥruf al-abjadiyya Cécile Bonmariage, Sébastien Moureau, 2016-11-01

Le Kitāb dā'irat al-aḥruf al-abjadiyya est un traité de magie pratique attribué à Hermès. Ce texte composite, qui ne peut être daté avec précision, est un ouvrage de magie basée sur la doctrine de la science des lettres ('ilm al-ḥurūf). Le présent livre offre la première édition critique du texte, accompagnée d'une traduction annotée et d'une étude historique et philologique exposant les principes théoriques à la base des procédés décrits dans les recettes ainsi que des entités, objets et ingrédients utilisés (noms des anges invoqués, types de fumigations et d'encre, dessins et figures, etc.). Il s'agit d'une des premières éditions critiques d'un traité de magie pratique des lettres, genre encore fort méconnu bien qu'abondamment représenté dans les manuscrits arabes. The Kitāb dā'irat al-aḥruf al-abjadiyya is a composite treatise of letter magic attributed to Hermes. The edition and annotated translation of the Arabic text are accompanied by an explanation of the theoretical principles underlying the procedures described in the recipes, and a discussion of the entities, objects and ingredients used. These include names of the angels to be summoned, types of incenses and inks to be used, sketches and images to be drawn, etc. This is one of the first critical editions and translations of a full-length text of practical magic containing recipes pertaining to 'ilm al-ḥurūf (the science of letters). The book is addressed to Arabists and to any non-Arabist interested in the tradition of magic.
