Cancer Wasn'T on My Bucket List! a Personal Journal Bree Kayson, 2016-09-20 Have you ever had a defining moment that changed the course of your life? Within these pages, Bree Kayson recounts the tragedy of losing her mother at a young age. She talks about the challenge to find her way and discover self-worth. Bree shares what it was like to work on cruise ships, and divulges reckless adventures. This revealing, moving memoir is a voyeuristic glimpse into a breast cancer diagnosis. The raw excerpts of Brees personal journal will take you there. Although sprinkled with tear-jerking moments, her story is ultimately one of hope and inspiration. Its about stepping into your own power and overcoming unexpected obstacles. The message speaks not only to someone facing cancer; it resonates with anyone going through a difficult experience.

*Falling into Joy* Conni Ponturo, 2017-05-04 This is a book about joy and how to get it and keep it in our lives. It is all simpler than we are making it out to be, meaning living in our bodies. Its the small steps we take, day in and day out, that make a huge difference. Thats what creates lasting change and transformation at any age. We just need to take them.

Presented here are real-life stories of people who use motivational techniques, such as focused breathing and stretching on the foam roller, that help them move more easily and allow them to feel better in their bodies and ultimately connect to the joy in their lives.

**The Burning Bush** Adriana Moreira, 2017-01-23 The Burning Bush by Adriana Moreira There are many struggles and challenges that must be navigated when moving through life. It can seem overwhelming at first, as if being on a difficult journey without a guide. It can even seem like the entire path has to be taken entirely alone. However, this is not the case. The Burning Bush: To God's Suffering Children provides valuable lessons that can be applied to readers' lives to tackle daily and also complex struggles. The author uses personal accounts and conversations with the Lord in order to connect with readers. Scriptures and stories are combined to highlight the importance of living a spiritual life in order to develop a greater understanding of the Lord's plan. Modeled as an educational tool, The Burning Bush: To God's Suffering Children inspires readers to discover or strengthen their relationship with the living God. Each claim made about God's mercy is thoroughly explored and explained, working to provide comfort, knowledge, and peace to all readers.

**The Puppet** Swathi Rose, 2020-05-25 The Puppet is a project about our inner world. The ones that we often refuse to admit and the personal struggles and the fears that fool us into believing that the rest of the world is moving at a faster pace, and we aren't. This is not your anti-stress-scientific journal; neither is it some self-help manual. We aren't telling you how to fix an issue. It is for people who crave open discussions on coping with complexes, shame, anxiety, anger, fear or even post-trauma and all the other wildcards that alter the direction of our work lives. We come to project the openness of our "yakka" baggage. Occasionally, we can appreciate it or even joke about it. But aren't we just tired of pretending that it doesn't matter? We are committed to ripping the stigmas of our challenging emotions. WE ARE CHANGING THAT!
