**Finding Love at Forty** Douglas Jennings,2024-04-24 Many people have a quest. Some quest for money, others for fame and glory. Mine has always been a quest for love. Growing up in the Midwest, I expected my quest for love to be fairly straightforward. Indeed, in my twenties things were going according to plan, and I was married before turning thirty. That was not the end of my quest, however; and after crashlanding from a divorce in New York City, I had to start all over from scratch. Learning how to date online in the big city was daunting, but so was dating in my midthirties. Body parts started failing, and broken bones and various ailments starting becoming regular dating companions. Embark on an inspiring adventure through Finding Love at Forty as I tackle middle-aged ailments and discover the true meaning of love against the odds in the big city.

**A NEW KIND OF LOVE** Patrick Aks ,1982

Anarchist Seeds beneath the Snow David Goodway,2011-12-12 From William Morris to Oscar Wilde to George Orwell, left-libertarian thought has long been an important but neglected part of British cultural and political history. In *Anarchist Seeds beneath the Snow*, David Goodway seeks to recover and revitalize that indigenous anarchist tradition. This book

succeeds as simultaneously a cultural history of left-libertarian thought in Britain and a demonstration of the applicability of that history to current politics. Goodway argues that a recovered anarchist tradition could—and should—be a touchstone for contemporary political radicals. Moving seamlessly from Aldous Huxley and Colin Ward to the war in Iraq, this challenging volume will energize leftist movements throughout the world.

**Live, Ranch, Love** Emma Lucy, 2025-04-29 A sweet and sexy enemies-to-lovers romance about a wellness influencer who returns to her late aunt's ranch in Colorado where she clashes with the grumpy and handsome head rancher. She's here to sell my ranch, but now I think she might steal my heart. Rory Jones prided herself on the successful life she'd built as a wellness influencer and author—until she walked in on her boyfriend with another woman after a family funeral. Forced to run away to her late great aunt's ranch in Colorado, Rory's hoping that fixing up and selling the place will help her find her confidence and inspiration to write again. But Wyatt Hensley, the grumpy head rancher, isn't willing to hand over the reins to the job he gave everything up for. Especially not to a yoga-loving, manifestation guru who doesn't even know how to ride a horse. Yet, with a past that's taught him to not bother dreaming anymore, even Wyatt knows he can't hold on forever. Until one day they strike a deal that might just save both of their careers—help Rory turn the ranch into a wellness retreat and Wyatt can stay. With Rory's shattered self-confidence and Wyatt's last drop of hope also on the line, staying professional is a must. But can they ignore the sizzling tension growing between them that could jeopardize it all? Especially when the rocky path ahead seems a lot easier with the other riding beside them.

*What Are Your Treasures?* Cindy Barry Strobel, 2015-11-04 “But store up for yourselves treasures in heaven. Where moths and vermin do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be.” (Matt. 6:20-21 KJV) Do you fear death even though you are a believer? Fear is conquered by the knowledge that you understand the question. Witness how I answered the soul-searching question that Jesus asked me when I was found blue without a heartbeat, at the age of nineteen. This faith-affirming true account of how I walked through heaven is here for your instruction and education. My tale of an angler and his catch on the bank of the river of life may make you realize that even the fish stories are true in the afterlife. The sights and sounds of the great plaza just beyond the Pearly Gates can inspire deep reflection on your expectations based on the accounts you have read before. The first encounter with Jesus reveals aspects of the Lord to modify your vision of the Shepherd as he tends his flock in His own delightful way. The indescribable sights were boundless as I entered through the massive doors to the mansion that He had prepared for me. Hear how I reacted when I saw my name written in the Book of Life. Inspired by the grace of God, these connections and recollections were revealed during my struggles as God guided me down life's untraveled roads. Follow the revelations of my multiple births, rebirths, the beauty of death, and how I found true treasures. I pray that you don't miss this miraculous story and be

the one who is forgotten and left behind! No one likes to carry their own boots and saddle during life's difficult challenges.
