The Lost Art of the Great Speech Richard Dowis, 1999-10-05 Learn how to give powerful, on-target speeches that capture an audience's attention and drive home a message. Splashy slides, confident body language, and a lot of eye contact are fine and well. However, if a speech is rambling, illogical, or just plain boring, the impact will be lost. The key is not just in the delivery techniques, but in tapping into the power of language. Prepared by award-winning writer and journalist Richard Dowis, *The Lost Art of the Great Speech* covers every essential element of a great speech, including: outlining and organizing, beginning with a bang, making use of action verbs and vivid nouns, and handling questions from the audience. Plus, this authoritative speech-writing guide includes excerpts from some of history's most memorable speeches--eloquent words to contemplate and emulate. Discover how to not only write a great speech, but also how to deliver it even better.

Path of the Golden Heart Cindy Jarrett, 2015-11-05 *Path Of The Golden Heart: Conscious Dating In An Unconscious World*: the first book in Cindy Jarrett's *Conscious Relationships Series* is based on Cindy's pioneering work into the necessity for emotional maturity as the key for healthy and sustaining love relationships to succeed. It is an in-depth training that brings truth back into the dating process where single men and women can fully be their authentic selves while getting to know each other. It brings an end to the suffering that has long been associated with dating. It is a modern approach to dating that dispels the myths about the games in dating many authorities try to promote. This training brings single people the necessary education as to why love has become so difficult to attain and what stands in the way of effortlessly entering into love relationships. Readers are provided easy and accessible actions to take that makes *Conscious Dating* a welcomed relief. Love...what we all desire. It matters most to us and drives us to do the most courageous to craziest of things. Love is what gives us our supreme experiences and challenges. It is our most powerful expression. Love heals all things. And, love is our greatest teacher. Yet, love eludes us. It is everywhere and missing in so many hearts. We fear it. We run from it. We long for it. We deserve it. It is our birthright. And it is this desire for love that brings us to the dating ritual again and again. And, love is not enough. We need more than just love to build and sustain a healthy relationship. We also need commitment, clarity, honesty, character, an inner life, consistency, maturity, an open heart, forgiveness, training, guidance, consciousness, more maturity, healthy communications, sensitivity, have I said maturity yet, and much, much more. We don't usually relate to love or love relationships with maturity in mind. We don't necessarily declare that these elements are also what loving

another requires.

Hard to See, the Dark Side Is Claudia Jahn, 2010-01-28 Seminar paper from the year 2007 in the subject English Language and Literature Studies - Linguistics, grade: 1,7, University of Leipzig (Institut für Anglistik), course: Psycholinguistics, language: English, abstract: "Clear your mind must be, if you are to discover the real villains behind this plot." If Star Wars is an important step in the history of film, Master Yoda's way of speaking is one in the establishment of linguistic awareness beyond linguistic circles. His way of speaking has become a cult over the years and his quotations are widely known, not only among Star Wars fans. Even somebody who has not seen any of the six episodes (so did the author of this paper) is very likely to know to whom sentences like the above-mentioned quotation refer. This is due to the fact that Master Yoda, to whom the sentence can be attributed, has a very unique way of speaking; the syntactic structure underlying his utterances is of a high recognition value.

The Theology of Paul in Three Dimensions Richard H. Bell, 2022-09-29 Paul of Tarsus, the Pharisee who tried to destroy the church of God, experienced a conversion to faith in Jesus Christ that was to turn his life upside down and lead to his becoming one of the greatest missionaries and theologians of all time. His theology is highly controversial and has both inspired and appalled his listeners. Richard Bell presents the major themes in Paul's theology and also asks what he got right, what he got wrong, and what in his theology needs reinterpreting for the twenty-first century. The book thereby shows the ongoing relevance of Paul's thought for today. To accompany this volume, a website of music designed to add an experiential dimension in discovering Paul's message for the world can be found at richardhbell.co.uk.

LIVING FROM THE SOUL Marcella R. Womack, 2009-12-15 This book is a guidebook for the readers who wish to deepen their spiritual connection to God by taking seriously the admonition given by Jesus the Christ to "Go inward" and "Seek the Kingdom of God." It is a third in a series based on the Spiritual Teachings of the Ageless Wisdom brought forth in recent times by The Teachers From the Realms of Light. The first two books from this Source contained Discourses by two sets of Teachers and their messages concentrated on Spiritual Growth through going inward to align and anchor in the Soul. The Teachers affirmed that the Soul is that part of us that is, in fact, the Divine Spark of God within each one of us. It is also a guidebook for those who feel compelled at this time on the Earth to make a difference, to join with others to add their will-power, creativity, resources and their actions to make the whole world a better place for all humanity. The book is divided into four sections. The first section is entitled "The Essentials to Understand" and contains five essays on the basic Spiritual

Truths that under gird most of the world's religious teachings. The second section is entitled: "Tasks to Accomplish" which stresses the reader's intent and self-directed actions to help them move away from ego and embrace the reality of their own Soul's mission in the world. The third section is entitled: "Environments to Create" that gives practical help in creating environments that are conducive to creating higher vibrations of holiness/wholeness. As this is done the seeker is assisted in practicing the disciplines of going inward and raising spiritual Consciousness through meditation, seeking the Silence, and releasing the learned habits of the lesser self. Section four contains four Discourses brought forth by The Aquarius Teachers (speaking from the Realms of Light) and a lengthy final chapter that provides additional spiritual resources from both ancient and modern writers and spiritual Teachers. These excerpts are taken from eastern and western spiritual traditions and contain such well-known teachers as Alice A. Bailey, Paramahansa Yogananda, Eckert Tolle, Joan Borysenko and Gordon Dveirin, and Eileen Caddy. The Aquarius Materials: A Trilogy Living from the Soul: Awakening to Christ-Consciousness The Resurrection Fire: Universal Teachers from the Realms of Light The Brotherhood Discourses: Children of Light Awaken

Record of the Transmission of Illumination T. Griffith Foulk,2021-11-30 The first book of this two-volume set consists largely of an annotated translation of the Record of the Transmission of Illumination (Denkōroku 伝灯録) by Zen Master Keizan Jōkin 遍禪 (1264-1325), presented together with the original Japanese text on which the English translation is based. That text is the recension of the Denkōroku published in Shūten Hensan Iinkai 修伝編纂会, ed., Taisho Keizan Zenji senjutsu Denkōroku 遍禪禪師言行録 (Tokyo: Sōtōshū Shūmuchō 曹洞宗, 2005). The Shūmuchō edition of the Denkōroku includes some items of Front Matter from earlier published editions, which are included in the English translations. Volume 1 also contains an Introduction that addresses such matters as the life of Keizan, the contents of the Denkōroku, the provenance of that work, and the textual history of its various recensions. In addition, Volume 1 includes a Bibliography that lists many works of modern Japanese- and English-language scholarship that are relevant to the academic study of the Denkōroku. The second volume contains a Glossary in two parts. Part One explains all of the Buddhist technical terms and Zen sayings that appear in the annotated translation of the Shūmuchō edition of the Denkōroku, found in Volume 1. Part Two treats all of the people, places, and texts that are named in that annotated translation. The Glossary also contains a wealth of material pertaining to the study of Chinese Chan, Japanese Zen, and East Asian Buddhist traditions at large, providing a broader historical context for understanding Keizan's Denkōroku. Published in association with Sōtōshū Shūmuchō, Tokyo.

Origins of New Testament Christology Stanley E. Porter,Bryan R. Dyer,2023-03-21 The early followers of Jesus drew from Jewish and Greco-Roman traditions and titles to help them understand and articulate who Jesus was. This book opens a window into the Christology of the first century by helping readers understand the eleven most significant titles for Jesus in the New Testament: Lord, Son of Man, Messiah, Prophet, Suffering Servant, Son of God, Last Adam, Passover Lamb, Savior,

Word, and High Priest. The authors trace the history of each title in the Old Testament, Second Temple literature, and Greco-Roman literature and look at the context in which the New Testament writers retrieved these traditions to communicate their understanding of Christ. The result is a robust portrait that is closely tied to the sacred traditions of Israel and beyond that took on new significance in light of Jesus Christ. This accessible and up-to-date exegetical study defends an early high Christology and argues that the titles of Jesus invariably point to an understanding of Jesus as God. In the process, it will help readers appreciate the biblical witness to the person of Jesus.
