**The Final Curtain** Ray Comfort, 2018-08-01 How could any successful, famous person who is rolling in money and who is surrounded by adoring fans be depressed? Happiness comes from what happens to us, and if good things are happening, we should be happy. So why the depression? That is the question that they and we ask ourselves. Why? The World Health Organization says that 350,000,000 people suffer from depression. God provides answers as to why and how to stop this horrid trend We have been created to be social creatures, and knowing this can help us reach out to those suffering If you are suffering from depression or know someone who is, this book can help you find hope \*Bonus Book included in the back From the Ledge From his bird's eye view, he peered into the foggy bay, as if his solution might be out there just beyond his sight. Why was he hesitating to take his life? All he had to do was lean forward from the railing and simply free fall into the treacherous depths below, yet he felt as compelled to stay as he did to jump. Will the bystander approaching him be able to

address the man's true needs and talk him down? Would you be able to offer a ray of hope and some comfort to someone without any? Let this fictional encounter provide a way to reach those who walk on that ledge, needing the hope of God.

*It Just Occurred to Me* Humphrey Lyttelton, 2006 The legendary band leader and jazz trumpeter, broadcaster and humorist looks back at his extraordinarily rich and varied life and the many colorful characters he has known and played with--from Duke Ellington to Louis Armstrong.
