There is a literal Q&A in this book about the law of attraction, joy, and other topics related to it. Another topic in this book, is vibrations. Raising our vibrations, therefore, would be crucial to accomplish our dreams. Here, you will learn how to do that, because it is definitely possible. The Spiritual Evolution of a Mystic Renee M. Krushel, 2010-12 A mystic's account of her paranormal experiences, her guidance by ascended masters, and her years of research in an attempt to accept the non-rational. The Spiritual Evolution of a Mystic, written in order to raise awareness, arose from directions given to author Renee Krushel by her masters. The ascended masters warn of cataclysmic times ahead if humanity does not change its consciousness from ego-driven to spiritually centered. In this text, Ms. Krushel takes a spiritual and intellectual journey covering more than forty years of her mystical experiences and demonstrating how that change was brought about in her life. She includes references from her studies in psychology, philosophy, science, metaphysics, and mythology. Her experiences include messages and instructions from Ramana Maharshi, Koot Hoomi, Jesus, and other unidentified masters. She has also undergone out-of-body experiences, communication with the deceased, Samadhi, mystical marriage, initiations, and spontaneous memories of past lives. Like Robert Adams, the American self-realized master, she is a disciple of Ramana Maharshi. She shares all of the guidance and information given her by the great Hindu sage and other ascended masters with the hope that others too can make the journey from ego-driven to spiritual consciousness. Become one of a growing number of enlightened evolutionaries by studying the words of the ascended masters in The Spiritual Evolution of a Mystic a mystical journey through Renee Krushel's paranormal experiences.

Quotes to Feel Good, Ponder and Raise Your Vibration Ken Patterson, 2024-11-18 In the journey of life, words have the power to uplift, ignite passion, and inspire change. Throughout history, countless voices have shared their wisdom, offering guidance through both the ordinary and extraordinary moments we face. This book is a collection of such words, some drawn from the minds of others, and some born from my own experiences and reflections as a Transformational Life Coach. Each quote within these pages serves as a small spark, a reminder that even in times of challenge, there is potential for growth, strength, and transformation. Some quotes are simple, yet profound, while others are complex, urging us to think deeply and see the world from a new perspective. Together, they reflect the beauty and complexity of the human spirit â a spirit that is always capable of rising, no matter the circumstances. As you read through these words, I hope you find inspiration that resonates with your own life. May they provide you with courage when you need it, clarity when you're uncertain, and peace when life feels overwhelming. The quotes in this book are more than just words; they are reflections of hope, perseverance, and the belief that every day holds the possibility for a new beginning. Thank you for joining me on this journey of reflection and inspiration.
