Silent Guardians Todd Averett,2012-06-27 Growing up in Columbus Georgia all I ever dreamed of doing for a living was to become a fireman. My father leaving me when I was very young only showed me that love and family play a big part of raising a child for it made me stronger and to never leave anyone hanging. Life has thrown me a few curves in my life but my family kept me on a straight path to always treat people the way you want to be treated, and help your neighbor. In this book I will take you threw the good times and hard times of what a volunteer fi reman goes through each time the pager goes off and he responds to a call in the middle of the night.

Halliwell_s Film, Video and DVD Guide 2005 John Walker,2004 More than 23,000 entries provide plot summaries, a star rating, and information on casts, writers, directors, producers, awards, and alternate titles, with quotations from contemporary reviews.

The Encyclopedia of Best Films Jay Robert Nash,2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is

appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

C.O.R.E. Shadow Trilogy Kristine Mason, 2014-03-01 C.O.R.E. SHADOW TRILOGY Three romantic suspense novels—now for one low price! SHADOW OF DANGER: Book 1 She sees too much... Four women have been found dead in the outskirts of a small Wisconsin town. The only witness, clairvoyant Celeste Risinski, observes these brutal murders through her psychic visions. Called in by the local sheriff to help stop the killer, John Kain, former FBI agent turned investigator for the private agency, CORE, has no use for psychics. But as more dead bodies are discovered, the criminalist reluctantly turns to Celeste for help. Yet with each step closer to finding the killer, John finds himself one step closer to losing his heart. SHADOW OF PERCEPTION: Book 2 What happens when negligent plastic surgeons get a taste of their own medicine...? When investigative reporter Eden Risk receives an unmarked envelope containing a postcard ordering her to watch the enclosed DVD or someone else dies, she turns to CORE for help. But that help comes with a catch. Her former lover Hudson Patterson is assigned to the case. And as more DVDs arrive, they not only find themselves knee-deep in a twisted investigation, but forced to deal with their past and the love they'd tried to deny. SHADOW OF VENGEANCE: Book 3 Welcome to Hell Week. You have seven days to find him... At Wexman University male students will do anything to join a top fraternity. They'll prove their worth during Hell Week by participating in a variety of pranks. But those shenanigans aren't so funny when pledges start disappearing. CORE agents Rachel Davis and Owen Malcolm are on the hunt for a killer who's kidnapping and murdering pledges. Time is ticking. They have only seven days to find the latest missing pledge and catch a killer. Seven days before the body count rises with another victim. Seven days to fight their attraction for each other before one of them ends up hurt. C.O.R.E. — Criminal Observance Resolution Evidence: When having the best is a matter of life and death...

Shadow of Perception Kristine Mason, 2013-07-23 What happens when negligent plastic surgeons get a taste of their own medicine...? Chicago investigative reporter, Eden Risk, receives an unmarked envelope containing a postcard ordering her to watch the enclosed DVD...or someone else dies. No police. After Eden watches the DVD, a gruesome, horrifying surgery, she turns to the private criminal investigation agency, CORE, for help. Only she hadn't expected that help to come with a catch. Her former lover, Hudson Patterson, has been assigned to the case. Hudson would rather have another CORE agent handle the investigation. Two years ago, he'd screwed things up with Eden...bad. And as more DVDs arrive, Eden and Hudson find themselves not only knee-deep in a twisted investigation, but forced to deal with their past, and the love they'd tried to deny.
